

Hybrid Meeting Protocol

For the past year, the Transportation and Mobility Advisory Committee has been meeting without an anchor location, pursuant to Utah's *Open and Public Meetings Act*, and has instead conducted all meetings online.

Notwithstanding the ongoing coronavirus pandemic and Utah County's moderate level of coronavirus transmission, **the Provo City Transportation and Mobility Advisory Committee has determined to hold its meetings, beginning May 20, 2021, at an anchor location AND online.**

We invite interested persons to participate:

- in the Community and Neighborhood Services Conference Room at the Community and Neighborhood Services Department; OR
- online by watching the live broadcasts at [youtube.com/user/ProvoChannel17](https://www.youtube.com/user/ProvoChannel17) and <https://www.facebook.com/provochannel17>

There will be limited seating available in the Conference Room and we encourage attendees to maintain appropriate health protocols such as wearing masks and social distancing.

Public comment may be received in person OR online (by calling in or logging onto the Zoom Webinar) which are detailed in meeting notices and agendas, and on the broadcasts. Follow the instructions provided on public notices of each meeting.

To send comments to the Committee or weigh in on current issues, email them at neighborhoodservices@provo.org.
