

The Town Council of Snowville Town held its regular monthly meeting at the Snowville Town Hall on **Wednesday 14th April 2021.**

Council Present

Tim Heyder, Mayor
Keith Thompson, Council Member
John Levenduski, Council Member
Rod McGary, Council Member
Tammie Morgan, Clerk/Recorder
Stacey Hill, Treasurer

Others Present

Eric Dustler
Mike Morgan
Mike Horesepool
Nick Pexton
Greg Stevens

Mayor Heyder, called the meeting to order at 7:00 p.m. He welcomed the council and all others present. Rod McGary led us in the pledge of allegiance and Stacey Hill offered the opening prayer.

Keith Thompson made a motion to accept the agenda. John Levenduski 2nd. All council members present voted yes.

John Levenduski made a motion to accept the minutes from the previous. Keith Thompson 2nd. All council members present voted yes.

Deputy Averett (Excused)

Beehive BroadBand

Nick Pexton and Greg Stevens presented to the town council maps of the town and asked the council if they could lease the town's property east of town and put up an antenna so the out of city limits residents could have wireless internet. The pad will be 10X10 and the tower 40 feet tall. Mayor asked why they couldn't just do the tower for the city limits residents instead of digging up the whole town? Nick said they wouldn't leave the town in a mess. Nick stated that it will be good for future growth of the town if the fiber is in the ground. The tower will be in the corner of the property with all of the security it needs to keep people out. Nick told the council that they need to do a Geo-Tech Study on the ground and the council told him to start it. Eric suggested that Beehive have an open house for any questions that customers of the town would have. The open house will be held on May 19th at the town hall at 7:00 p.m. Stacey and Tammie will put it on Facebook and in the water bills. They will start the project hopefully in May.

Eric Dustler

Eric stated that the pilot study for the west well that was supposed to be in May has been postponed until June because of Covid. The stop light will be on the corner by Mollie's Cafe where the light poles now. Eric will call Rocky Mountain Power first about the pole, Mayor Heyder asked Eric to see how long the town customers would be out of power when the light goes on. The stop light is like the one at Riverside corner. SCI will come out to talk about the damage to the corner. They will have to dig up the road. Mayor Heyder stated that he had talked to Kelly and he was on vacation and will get it fixed soon, there the water damaged the road and corner. Mayor Heyder asked Eric to find out how many more water hook-ups our system could handle. Eric stated that the State has a worksheet that he will look at for the next council meeting.

Easter Egg Hunt

Mayor Heyder thanked Scott O'Hare and everyone that helped with the Easter Egg Hunt. Scott O'Hare thanked everyone also for everyone's help. The Easter Egg Hunt was a success, there were a lot of people and kids. Scott stated that he would like to do something big next year.

Cemetery

Mayor Heyder stated on May 1st that Scott Page would be starting to mow and water the Cemetery. Mayor Heyder stated that it is very dry and that he has been asked to turn the water

on before May 1st, Mayor Heyder stated that he wasn't going to do that because of the deer and it wasn't time for the work to start on the Cemetery yet. Mayor Heyder asked Stacey to order new flags for the Cemetery before Memorial Day . Mayor Heyder talked about fixing the bulletin board for the graves. The council was given a paper with the Just serve website on it. It is for people to put service projects on the website so others can help them out.

Bowery

Mayor Heyder stated that the Bowery needs some electrical work done before the 4th of July. He stated that we need three bids because it is more than \$500.00. Scott O'Hare stated that some of the electrical plugs weren't working on the outside of the building when he was there for the Easter Egg Hunt. Mayor suggested he would like LED lights.

Water

The telemeter wasn't working right there was a power bump on Easter Sunday and it must have fried something. Alan is having someone come out tomorrow to fix it. Not sure how much it will cost. The water tanks are full now. Generator is on its way. Alan will do some groundwork for the cement pad that it will set on. Alan is working on replacing some water meters that aren't working right. Delbert's meter needs to be taken out; it is positive in both directions.

Fire Truck

Mayor Heyder stated that the county fire truck fuel pump went out on a fire in the county. The town's squad truck fuel pump also went out at the intersection, also the front brakes are bad on it too. Mayor stated that he also had it serviced. The fire truck is at K&N in Tremonton. There were five fire call outs.

Streets and Roads

Mayor asked if there is money that is being set aside for the bridge project. Stacey will ask Tammie about it. Mayor stated that Josh Wilcock will be hauling some gravel and that he had it approved already in another town council. Mayor wants to order more stop signs and the sign out west of town is not working right and needs to be fixed. Scott O'Hare has the manual and will take his laptop out and fix it. Klane Hill will start mowing the streets before Memorial Day. Scott O'Hare stated that the brake sign up by his house is really small and we need to get

another one. Mayor asked Scott O'Hare to take a picture of one when he travels. Mayor stated that the town is on the Hot pot list when the County gets the hot pot up and running to fix the potholes around town.

Water impact fees

The Council feels that there needs to be an increase in the new water connections. The price for a new water connection will be ¾ inch is \$6500.00, 1 inch \$7500.00 and 2 inch \$8000.00. Parts are not included in this price; they are separate. Eric stated that you have to have an impact study to charge an impact fee. The fee for the impact will be \$2800.00 when the study is finished, the money will go to maintenance on the water system. Out of city limits new customers will be charged \$56.00 for a flat rate. Mayor stated that since he has been Mayor they have replaced the big water pump once, and the little water pump twice in the eight years that he has served. We will have a public hearing next town council to pass the increase of the water connections. Alan also stated that prices haven't been changed since the town has taken the water over from the water company.

4th of July

Mayor stated that Scott O'Hare and Rod McGary will be in charge of the 4th of July this year. They need to get stuff lined up. They need to decide if they are having the same dinner that has been prepared in the past. Mayor stated that we will help you tell us what to do. Mayor stated that we will have fireworks if it is not too dry, we don't want any fires. Mayor stated that they might ask a farmer if they can light off the fireworks in their green field if it is too dry.

Ordinance

The Town Council will meet next Wednesday to finish up the Ordinances so the Mayor can take them to the Lawyer one afternoon.

Old Business

The new Dog Ordinance is finished. Mayor is working with Tremonton's animal control officer. We will have another public hearing for the Dog Ordinance in a month. The Dog vaccination went well. Scott O'Hare has the new kennel that will go in the fire station and he will be putting it up this Saturday about 8:00 in the morning. Scott asked if any council members weren't busy that he could use the help. Rod McGary will bring his drills. Mayor stated that the dog catcher thinks that there is an opened checkbook. We need to define his position. All service animals that live in the Snowville town need to be vaccinated and licensed. Mayor asked if anyone had

a crete to transport the dog to Tremonton. Keith Thompson stated that he had one that the town could use. Mayor stated that himself or John Levenduski would be the ones taking the dogs to Tremonton. If they have to. Mayor asked Stacey to call Jason and set up a meeting about a gargabe contract. Mayor wants it signed by next month. The Town of Snowville has received 20 thousand Stimulus dollars. There are guidelines for the use of it. Scott O'Hare stated that he had called Rocky Mountain Power about all of the power outages that we have been having. Rocky Mountain said that it was caused by birds and they were working on the problem so it wouldn't happen again. It was the wire out east of town. Mayor asked if there were any additions that needed to be paid. Stacey stated the bill for the Squad truck.

Acceptance of the Expenses Scott O'Hare made a motion to accept the expenses. Keith Thompson 2nd. All council members voted yes.

Scott O'Hare made a motion to Adjourn. Keith Thompson 2nd All council members voted yes.

1hour 56mins.

Stacey S. Hill, Clerk/Recorder
