DETAILED REASON AND EXPLANATION FOR REQUEST:

The Forebay Area Management Plan contemplates the creation of the citizen based committee to support the recreation management process, improve trails and recreation opportunities, and leverage resources to improve the Forebay Recreation Area on behalf of the community. Staff has prepared a draft ordinance for the "Payson Forebay Committee" for consideration by the city council. Upon adoption, staff will solicit applications from residents interested in serving on the new committee. As outlined in the ordinance, appointments will be completed by the mayor, with the advice and consent of the city council.

This agenda request and any supporting documentation is due to the city recorder by the Wednesday one week prior to the council meeting. This allows final preparation of the agenda and time for the city attorney to review.
