Matters for Discussion

- 1. Budget Amendment for Columbus Library Remodel.** Urban Design Director, Sharen Hauri, said the City applied for CDBG funding to get started on the Columbus Library project. There were a lot of needs brought forward for this space such as digital empowerment and job training. City staff has put together a proposal on what to do with the Columbus library space and would like to get started on this project as soon as possible.

Council Member deWolfe asked if the City would get reimbursed with CDBG funding for this project.

Ms. Hauri said no, the total cost of the remodel is about \$500,000 and the funding that she applied for is about \$200,000. She outlined what the \$300,000 of City money would go towards. There is a possibility for additional funding sources as well from Comcast and Google Fiber. The budget amendment will go towards design costs.

2. **Inter-City Transportation Circulation Study/Results.** Lynn Jacobs with Salt Lake City, presented information to the Council. A copy is attached and incorporated by this reference.

The meeting adjourned at 7:05 p.m.
