Davis County Sheriff's Search and Rescue

Sisu – Nasu
Finish Surplus Military Vehicle, Donated to Davis County by Diesel Brothers.

Effective and efficient rescue vehicle; however, difficult to, retrieve, repair and maintain.

Repair estimate:
$5,000 - engine repair performed by DC shops
$20,000 - Wheels & Track (undercarriage rebuild) performed by tracked outdoors in Wyoming. This company specialized in this type of repair.

Jon Thornley at Davis County Shops felt like 30,000 would be the max cost to repair and get the Sisu Nasu reliable.

On average, online research has shown that a Sisu Nasu can sell for between 48,000-55,000 dollars.

Other Rescue Vehicle Options

LiteTrax out of the Freeport Center gave us an estimated $80,000 for a new LiteTrax vehicle with the EMT package allowing for a patient's transport.
