The Millcreek City Council serves as the Community Reinvestment Agency Board. The purpose of the Community Reinvestment Agency is to help form and oversee Community Reinvestment Areas (C.R.A.), which allow the community to capture tax increments during a designated time period and reinvest it back into the area to help fund improvements. These funds are a valuable resource to help the City fulfill its planning, economic development, and place making goals. The Millcreek Community Reinvestment Agency currently manages two C.R.A.s: West Millcreek and Millcreek Center, and is in the process of creating two new C.R.A.s: MedTech CRA and Woodland Avenue CRA.

Millcreek City Center

The Millcreek Center is the Millcreek Community Reinvestment Agency's newest adopted community reinvestment area. This project aims to create a downtown City Center and will include community gathering spaces, plazas, and a mix of uses to promote civic pride and enhance the city's tax base—all while supporting local businesses and helping them thrive. Over the next 20 years, 75-80% of all new property tax revenue will be reinvested back into this project area for improvements such as the focal

point fault line park and the implementation of new sidewalks, street lights, planter boxes, and parking spaces and structures. For more information on this project, please visit <https://millcreek.us/275/Millcreek-Center-CRA>.

West Millcreek

The West Millcreek C.R.A. was transferred to the Millcreek Community Reinvestment Agency from Salt Lake County at the beginning of 2019. This project area includes 184 acres of multi-residential, minor commercial, and light industrial uses and is bordered by 200 East, I-15, 3900 South, and Big Cottonwood Creek. Recent focuses of this C.R.A. include the completion of the Artesian Springs apartment

complex, and the development of the Opus Green townhomes project which will include a trail walk and a children's park. The goal of this C.R.A. is to bring increased property tax revenue to the participating taxing entities, who will receive 20% of the tax increment until the project is complete. Until then, over the next 20 years, 80% will be reinvested into this project area by the Millcreek Community Reinvestment Agency. For more information on this project, please visit <https://millcreek.us/293/West-Millcreek-CRA>.
