34

26

Mayor Child asked if there was any discussion on tonight's consent agenda. Attorney Penrod requested on tonight's consent agenda to amend Item #5, Approval of a <u>Resolution</u> and Indemnification Agreement between Springville City and Matt and Amy Bowman to include any damage caused by the

42 City the Bowman's would not be liable.

44 3. DISCUSSIONS/PRESENTATIONS

a) Financial (Fraud Risk Assessment) Training - Bruce Riddle, Assistant City

Administrator/Finance Director

Director Riddle reported on the fraud risk assessment training for municipal officials. He provided the mayor and council information to be able to access more training information online. As the governing body of the City, it is the council's responsibility to select an independent auditor. He

50 reported on the separation of duties of a Clerk (accountant) and Treasurer for the city.

52 b) Presentation from Springville Public Safety Dispatch

Chief Haight provided a presentation on the roles and responsibilities of the Springville Public Safety Dispatch Center. Springville City has a dedicated dispatch center and also dispatches for Mapleton City. He stated each dispatch center in Utah County is able to assist other communities and

they all work well together.

c) Ethics Training - John Penrod, Assistant City Administrator/City Attorney

Attorney Penrod reported on the Municipal Officers and Employees Ethics Act and how it sets a standard of conduct. Items of discussion were improper use of job-related information and position and disclosure statements.

62

MINUTES Springville City Council Budget Planning Meeting - APRIL 27, 2021

MINUTES OF THE BUDGET PLANNING MEETING OF THE SPRINGVILLE CITY COUNCIL HELD ON TUESDAY, APRIL 27, 2021 AT 2:00 P.M. AT THE SPRINGVILLE CIVIC CENTER MULTI-PURPOSE ROOM, 110 SOUTH MAIN STREET, SPRINGVILLE, UTAH.

Presiding and Conducting: Mayor Richard J. Child

Elected Officials in Attendance: Liz Crandall Craig Jensen Brett Nelson Matt Packard Mike Snelson

City Staff in Attendance: City Administrator Troy Fitzgerald, Assistant City Administrator/City Attorney John Penrod, Assistant City Administrator/Finance Director Bruce Riddle, City Recorder Kim Crane, Public Safety Director Lance Haight, Golf Course Superintendent Jay Geise, Building and Grounds Director Bradley Neel, Recreation Director Corey Merideth, Community Development Director Josh Yost, Power Director Leon Fredrickson, Public Works Director Brad Stapley, Library Director Dan Mickelson, Director of Administration Patrick Monney, Management Analyst Jack Urquhart, and Museum of Art Director Rita Wright.

CALL TO ORDER

Mayor Child welcomed everyone and called the meeting to order at 2:00 P.M.

WELCOME AND INTRODUCTION - TROY FITZGERALD, CITY ADMINISTRATOR

Administrator Fitzgerald welcomed the Mayor, Council, and staff. He explained the purpose of the meeting was to review the budget for the coming year.

THE WALL - A HARD DISCUSSION ABOUT SERVICE LEVELS - TROY FITZGERALD, CITY ADMINISTRATOR

Administrator Fitzgerald guided a discussion on service levels as set by the City Council as well as taxes and fees to cover those services. A possible challenge could be property tax doesn't increase with inflation. An option would be the council could agree to do truth in taxation program. This year's budget is sustainable, funding and service levels will need to be looked at for the years to come.

Administrator Fitzgerald asked the council for guidance on service levels and funding.

Councilmember Packard expressed consistently doing something each year to maintain services and cash flow, it may be necessary to have some increases.

Councilmember Jensen suggested rather than sitting on our laurels we should keep maintaining services and continue to evaluate fees.

Mayor Child stated we can always improve on things, sometimes there are other ways to save money or do things.

Councilmember Nelson asked if there was an ROI (Return on Investment) on services.

DEBT FINANCING - BRUCE RIDDLE, ASSISTANT CITY ADMINISTRATOR/FINANCE DIRECTOR Director Riddle explained debt financing projects facing the city.

WATER - Proposed in the budget is a \$5 million impact fee water tank project to facilitate growth. He reviewed the debt profile and explained delaying it any further would have an impact on the growth pressure.

Councilmember Packard stated he was against incurring debt to the city. Asked if there was a way to do interdepartmental loans. Director Riddle expressed it could be done and offered a brief explanation.

Mayor Child cautioned the need to get ahead of the growth to prevent an emergency.

Administrator Fitzgerald added even if we wait another budget year, it leaves a \$4 million shortfall. Director Riddle confirmed the council was in agreement to incur a small amount of debt to cover the \$5 million project.

GOLF - The golf course is an enterprise fund which is quite rare for a municipal course. Director Riddle gave a brief history of the funding for the golf course. The course does not contribute to capital improvements at the golf course. The irrigation system on the back nine is the same system when the course was built. The front nine was replaced over 20 years ago. It is to the point where the system is past its useful life. The ponds and the pumps need to be redone before the distribution side a piecemeal would not be an efficient way to replace the system.

Mayor Child commented on the water usage by the golf course and the State Water Conservancy District. Director Riddle mentioned it was not currently included in the project.

Administrator Fitzgerald expressed just the cost to bring the front nine into operability it makes sense to complete the entire course.

Council was in consensus to replace the entire system.

PARKS - Attorney Penrod reported citizens want more open space. However, the city has too much property and needs to develop some. In the Park Survey, there are requests for trails, a bike park, pickleball courts, and a dog park. Some improvements can be done, the city would need to make sure it has enough property for future needs. Some bonding would be needed in order to purchase property before it is all purchased.

Councilmember Crandall asked about having developments required to keep so much green space. Attorney Penrod explained it could be done as a density bonus and explained the procedure. Under the current plan, the city needs to develop park property before purchasing more property.

Administrator Fitzgerald reported there were funds to buy a property and the use could be determined later. Impact fees are separate and need to be used to develop the current park property.

Attorney Penrod stated the funds available were not enough to do more than one or two projects. The council would need to bond to do more development and asked the council to consider this for upcoming discussion in the next few months. Park impact fees need to be used within six years.

Councilmember Packard expressed he was not comfortable going into debt.

TELECOMMUNICATIONS NETWORK - Director Riddle reported more and more cities were getting involved in a municipal fiber network. He asked the council if they wanted to explore various fiber networks and it may involve debt planning. The city survey shows this as one of the top three requests.

Councilmember Snelson expressed he had a problem with the city competing with the private sector. The rapid pace of technology changes and he doesn't see the need to spend the money.

BREAK: The Mayor and Council recessed for a break at 3:44 p.m. and returned at 3:55 p.m.

RATE INCREASES - A DEBATE - TROY FITZGERALD, CITY ADMINISTRATOR

Administrator Fitzgerald reported on various rate increases done over time. He explained as long as the city is doing inflationary increases the funds can likely be maintained, although there will not be a lot of excess dollars. He asked if the council was inclined to add any dollars to any of the funds to provide some breathing room. Over the last 10 years, increases have been below inflation.

Mayor Child asked if the tiers could be adjusted. Administrator Fitzgerald replied they could and in doing so it may influence conservation.

Councilmember Jensen commented the water fund seemed to be underfunded.

Councilmember Packard stated he would rather the city have average fees compared to other communities.

Administrator Fitzgerald asked the council if they wanted the adjustment on the water with the new budget. Council was in consensus on the water fund adjustment.

PROJECTS GALORE - ENTERPRISE FUND SUMMARY AND QUESTIONS - BRUCE RIDDLE, ASSISTANT CITY ADMINISTRATOR/FINANCE DIRECTOR

Director Riddle presented on enterprise fund projects. He explained the sewer rate structure would be based on treatment and the type of business.

Councilmember Crandall stated she didn't want to penalize businesses.

Director Stapley commented it had been built into the fee schedule and has not been enacted or billed. Other communities currently bill based on treatment and type of business.

The Electric Fund programs were reviewed along with the Storm Water Fund. A proposed Storm Water rate increase was discussed, they are currently staying within the operating target.

The Solid Waste Fund has a modest increase. The Southern Utah Valley Solid Waste District was looking to move to a new transfer station in Spanish Fork over the next two years. Currently, there are no tipping fee increases.

Golf fees were increased at the beginning of the year and no new rate increases.

MOVING ON UP - RESERVE, REVIEW, AND TARGET - BRUCE RIDDLE, ASSISTANT CITY ADMINISTRATOR/FINANCE DIRECTOR

Director Riddle reported on HB 128 accumulated fund balance amendments increasing the reserve ceiling and reviewed the cash reserve status with the council. He asked the council what to do with reserves in the general fund. because of Cares Act Funding revenue will take a jump in the General Fund this year. Council agreed with keeping 30% in the General Fund, Director Riddle explained this will have an impact on having funds available.

Councilmember Crandall was not sure about moving it to 30% from 25%. She wanted citizens to know their parks and infrastructure is being maintained.

BREAK: The Mayor and Council recessed for dinner at 5:05 p.m. and returned at 5:30 p.m.

EXCITING FOCUS GOALS, NEW PROGRAMS, CONCEPTS, AND ONE-TIME MONEY - TROY FITZGERALD, CITY ADMINISTRATOR

Administrator Fitzgerald provided information on a public art program that would have 2% of the general fund dedicated to the arts.

Councilmember Nelson asked about the RAP Tax. Administrator Fitzgerald said it was scheduled for the November 2021 election.

Administrator Fitzgerald reported on an <u>Endowment Fund for Operations</u> policy work is still needed, the fund would offset future tax impacts

Programs discussed were property purchases of approximately \$2 million for future uses, a veteran's project, children's bike pump track, trail projects. An upgrade and replacement of a fire ladder truck, because the vehicle and equipment fund only funds like for like to increase the size of the truck more funding would be needed. Other projects include roadways 1200 West from 400 South to 1500 North; cemetery section improvements and significantly more sidewalk repair.

Administrator Fitzgerald stated the tentative budget did not include a 24-hour fire. Recently Public Safety applied for a grant opportunity, it would be 100% funding for personnel. If awarded the budget would need to be adjusted. If not awarded they would look at making changes late in the year and apply for another grant.

Administrator Fitzgerald reported each department submitted performance goals and measures.

WAGES AND BENEFITS - TROY FITZGERALD, CITY ADMINISTRATOR

Administrator Fitzgerald reviewed health insurance costs. This year the cost came down giving a \$500,000 savings. COVID drove utilization down, top users came off, the age of employees dropped, and a transition of all employees to an HSA plan.

Administrator Fitzgerald reported on current trends; the available workforce in Utah was 6th in the country. The housing market is on fire. Part-time seasonal and executive-level employee's wages are getting out of sync. There is a recommendation of a 9% wage increase and to raise grades by 5% in order to stay competitive with brackets. Revenue growth is adequately covering the increase. He said it was important to acknowledge those that who get an increase will be merit-based.

The structure of supervision will be evaluated in part-time heavy departments.

GENERAL FUND SUMMARY AND QUESTIONS - TROY FITZGERALD, CITY ADMINISTRATOR

Administrator Fitzgerald provided information on general fund revenues. Facility and park planning were reviewed.

WRAP-UP/QUESTIONS - TROY FITZGERALD, CITY ADMINISTRATOR

Administrator Fitzgerald asked for any questions. There were none.

CLOSED SESSION

The Springville City Council may temporarily recess the regular meeting and convene in a closed session to discuss the character, professional competence, or physical or mental health of an individual, pending or reasonably imminent litigation, and the purchase, exchange, or lease of real property, as provided by Utah Code Annotated Section 52-4-205 There was none.

ADJOURNMENT

COUNCILMEMBER JENSEN MOVED TO ADJOURN THE MEETING AT 6:54 P.M. COUNCILMEMBER SNELSON SECONDED THE MOTION, AND ALL PRESENT VOTED AYE.

This document constitutes the official minutes for the Springville City Council Budget Planning meeting held on Tuesday, April 27, 2021.

I, Kim Crane, do hereby certify that I am the duly appointed, qualified, and acting City Recorder for Springville City, of Utah County, State of Utah. I do hereby certify that the foregoing minutes represent a true and accurate, and complete record of this meeting held on Tuesday, April 27, 2021.

DATE APPROVED:

Kim Crane, CMC City Recorder

STAFF REPORT

DATE: June 8, 2021

TO: Honorable Mayor and City Council

FROM: Jason Riding, Streets Department Superintendent

SUBJECT: APPROVAL OF SURPLUS VEHICLE

RECOMMENDED MOTION

Motion declaring the Vehicle listed on the attached Surplus Property Form to be surplus property and authorize its surplus sale, according to the Springville City Surplus Property Policy.

SUMMARY OF ISSUES/FOCUS OF ACTION

From time to time as vehicles, equipment and other material property of the city reach the end of their useful lives. The vehicle is removed from service and disposed of according to the Surplus Property Policy. The Surplus Policy requires City Council approval for items with an estimated salvage value over \$5,000.

BACKGROUND

The item in the attached Surplus Property Form, a 2001 Sterling dump truck has been replaced as part of the vehicle replacement process after meeting its useful service life.

DISCUSSION

The Truck had been evaluated by the Central Shop for replacement and recommended by the Vehicle Committee for replacement according to replacement policies and according to city surplus procedures, and as approved in the budget. The vehicle has been removed from service and at this time is ready to be disposed of through a public auction site.

ALTERNATIVES

There are none that meet the replacement and surplus policies.

FISCAL IMPACT

Proceeds from the trade in of the surplus equipment will be credited to the Streets Department's Vehicle and Equipment Reserve Fund

Attachments: Surplus Property Form with vehicle picture

STAFF REPORT

DATE: July 1, 2021

TO: Honorable Mayor and City Council

FROM: John Penrod, City Attorney

SUBJECT: CONSIDERATION OF AN AMENDMENT TO THE PURCHASE AND SALE AGREEMENT WITH GWC CAPITAL, LLC.

RECOMMENDED MOTIONS

Motion to approve the attached First Amendment to the Purchase and Sale Agreement between Springville City and GWC Capital, LLC that extends the due diligence time period by 60 days and allows GWC Capital, LLC to assign the agreement to Springville Rising, LLC.

BACKGROUND

On May 4, 2021, Springville City entered into a purchase and sale agreement with GWC Capital, LLC, wherein the city agreed to sell approximately 0.09 acres of property located on Main Street to GWC Capital, LLC, a company related to the Clyde companies. As part of that agreement, GWC Capital, LLC is given a 60-day due diligence time period. There appears to be an issue with access to the west side of the property, and GWC Capital, LLC as asked for an extension of the due diligence time period in order to obtain an access easement.

In addition to extending the due diligence period, GWC Capital, LLC also desires to assign the agreement to another company related to the Clyde Companies, which company is called Springville Rising, LLC. The Agreement does not currently allow for GWC Capital, LLC as the buyer to assign the agreement to another company. The amendment amends the agreement to allow GWC Capital, LLC to assign the agreement with the seller's written consent and specifically allows the buyer to assign the agreement to Springville Rising, LLC.

GWC Capital, LLC has been working on designs for the building that the company plans to construct on the property. This extension is not slowing down the company's plans. It is simply allowing a little time to work with the property owner to the west to work out access.

FISCAL IMPACT

None.

Attachments: Proposed Amendment

FIRST AMENDMENT to PURCHASE AND SALE AGREEMENT

This FIRST AMENDMENT TO PURCHASE AND SALE AGREEMENT is entered this ____ day of July, 2021, by and between SPRINGVILLE CITY, a Utah municipal corporation ("Seller"), and GWC CAPITAL, LLC, a Utah limited liability company ("Buyer"). This FIRST Amendment is to amend the PURCHASE AND SALE AGREEMENT, dated May 4, 2021 (the "Effective Date").

NOW THEREFORE, the parties mutually agree to amend and revise the Purchase and Sale Agreement as follows:

1. <u>Due Diligence Period</u>. The first sentence of Section 3 is amended to read:

Buyer shall have until of 5:00 p.m. Mountain Standard Time on the date which is $\frac{60}{120}$ days from the Effective Date to perform due diligence on the Property (the "Due Diligence Period").

The remainder of Section 3 shall remain the same.

2. Successors and Assigns. Section 13 shall be amended to read:

All the terms and provisions of this Agreement shall bind and inure to the benefit of the parties hereto, their heirs, successors, personal representatives and assigns. This Agreement may not be assigned by Buyer <u>without the written consent of Seller</u>. <u>As part of this</u> <u>Agreement, Seller consents to allowing Buyer to assign this</u> <u>Agreement to Springville Rising, LLC, a Utah limited liability</u> <u>company</u>.

3. All other terms of the Purchase and Sale Agreement not in conflict with this First Amendment to Purchase and Sale Agreement shall remain the same and in full force and effect.

In Witness Whereof, the parties hereto have executed this Amendment on the date indicated above.

Attested to by:

Kim Crane, City Recorder

STAFF REPORT

DATE: June 29, 2021

TO: Honorable Mayor and City Council

FROM: Laura Thompson, Planner II

SUBJECT: CONSIDERATION OF AN ORDINANCE TO AMEND THE SPRINGVILLE'S OFFICIAL ZONE MAP FROM THE R1-15 SINGLE-FAMILY RESIDENTIAL ZONE TO THE R1-8 SINGLE-FAMILY RESIDENTIAL ZONE ON PROPERTY LOCATED AT 1500 W 550 N, PARCEL NUMBER 23:029:0031.

RECOMMENDED MOTION

Motion to approve Ordinance No. _____-2021 amending the Official Zone Map from the R1-15 Single-Family Residential Zone to the R1-8 Single-Family Residential Zone on property located at 1500 W 550 N, parcel number 23:029:0031.

SUMMARY OF ISSUES/FOCUS OF ACTION

Does the proposed amendment meet the intent of the Westfields Community Plan, General Plan and requirements of Springville City Code?

BACKGROUND

The zone map amendment request is to change the zoning from the R1-15 Single-Family Residential Zone to the R1-8 Single-Family Residential Zone on the 5.49acre parcel located at 550 N 1500 W.

On May 20, 2003, the City Council adopted the Westfields Community Plan element of the General Plan, which amended the Land Use Map and Official Zone Map.

Most of the proposed zoning at that time was R1-10 and R1-8. There were several property owners concerned that they would lose their animal rights and requested to

retain the R1-15 Zoning designation which is the residential agricultural zone that allows for animal keeping. It was explained that when those properties were ready to develop, they could amend the zoning map to be consistent with the land use designations of the General Plan.

The adopted Land Use Map of the General Plan retained the Medium Low-Density Residential use for the property in question, which will support an R1-8 Zone.

DISCUSSION

The adopted Westfields Community Plan included residential densities in the Westfields that transition from lower densities in the southeast and northeast portions of the community to higher densities around the village center and western portions.

The current adopted land use is Medium Low Density Residential, which equates to 3.8 units/net acre if the property is zoned R1-8. Properties zoned R1-15 equate to 2-units/net acre.

PLANNING COMMISSION REVIEW

The Planning Commission considered the zone change request on June 8, 2021 and held a public hearing, where there were no comments.

COMMISSION ACTION: Commissioner Farrer moved to recommend approval to amend the official zone map from the R1-15 zone to the R1-8 single family residential zone on the parcel that is indicated in our agenda. Commissioner Parker seconded the motion. The vote to approve was unanimous.

TO: Honorable Mayor and City Council

FROM: Josh Yost

SUBJECT: Springville Community Development seeks to amend Springville's Official Zone Map from the Highway Commercial (HC) and Light Industrial Manufacturing (LIM) Zones to the Regional Commercial (RC) zone in parts of the following general areas. The areas are first, from 400 South to 1400 North between 2600 West and 1650 West, second, at the northeast quadrant of the intersection of I-15 and 1600 South, and third, along 1600 South between 1200 West and SR 51.

RECOMMENDED MOTION

Move to amend Springville's Official Zone Map from the Highway Commercial (HC) and Light Industrial Manufacturing (LIM) Zones to the Regional Commercial (RC) for those parcels as shown in the attached table.

SUMMARY OF ISSUES/FOCUS OF ACTION

Does the proposed zone map amendment adhere to the General Plan and further the orderly development of the city?

Does the City want to limit the accelerating pace of office/warehouse and light industrial manufacturing uses in the city by amending the zone map?

BACKGROUND

On March 30, the City Council requested that staff present to the council a review of zoning in certain areas of the city. The council had expressed concern about getting development applications for the wrong use in the wrong place. This presentation was made on April 6. Staff asserted that there are a number of areas in the city where office/warehouse and light industrial manufacturing uses could be developed that would either pre-empt a current planning process or severely limit future development options. Council expressed a desire to "get it right" when planning for future land use. Following this discussion, staff analyzed the areas in light of the Council's discussion and presented a resolution (Attachment 1) to initiate the process of pending legislation to begin the zone map amendment. Council directed staff to expand the area of consideration for the zone map amendment. Staff presented this zone map amendment to the Planning Commission on June 22, 2021.

DISCUSSION

Springville City currently has three planning processes in varying stages of work. First, the city has selected a consultant and is underway with a corridor and area plan for 1600 S from I-15 to SR 51. The city and private development partners are nearly ready to present the Lakeside Landing Special District Plan for adoption, which encompasses most of the undeveloped land to the west of the existing frontage road development on the west side of I-15, from 400 South to 500 North. Lastly, a full update to the General Plan is set for this year and a key question to be answered is if the large amount of Highway Commercial property in the city's best interest, and if not, what adjustments should be made? Prior to the completion of these planning processes, it is in the City's interest to preserve the broadest range of future land use options.

CITY COUNCIL AGENDA Meeting Date: In Springville City there are 1,180 acres of property currently zoned as Highway Commercial. This includes six separate areas with the largest area of over 1,000 acres straddling I-15 between the north and south boundaries of the city. The Regional Commercial zone is applied to 466 acres in two areas centered around the 1400 N and 400 S I-15 interchanges.

Highway Commercial is the most broadly applied commercial zone in Springville and hundreds of acres of property within the zone remain undeveloped. The area of the Regional Commercial zone is much smaller. The stated purpose of the zone as follows.

The RC zoning district is intended to provide an area in which a full range of commercial and service uses may locate in a limited area. The limited area of this district functions to heighten the intensity of uses, concentrate activities and make it a major commercial destination. These districts should abut arterial streets and be located near freeway access, as well as mass transit lines.

A primary difference between the RC and HC zones is the inclusion in the HC zone of uses such as Light Industry - Manufacturing Processes, Warehousing - Storage and Distribution and Wholesale Trade and Warehousing. Springville currently has over 1.5 million square feet of these type of uses in the development pipeline.

This proposed zone map amendment will reduce development pressure and protect future land use options while the stated planning processes are ongoing, while also providing interim development opportunities for property owners.

The proposed amendment includes 82 parcels. A table of the affected parcels, sorted by owner name, is included as Attachment 1. A map of these parcels is included as Attachment 2.

PLANNING COMMISSION REVIEW

The Planning Commission considered the Zone Map Amendment on June 22, 2021.

Three individuals made comments during the public hearing.

Harold Mitchell:

Mr. Mitchell spoke on behalf of his client McCollins LTD., the owner of property located at 1852 W 1000 N in the HC Zone. Mr. Mitchell stated that some of the differences in uses between the HC and RC zones appear to be arbitrary and do not seem to relate to the purposes of the zone. He expressed concern that changing the zoning of his client's property to the RC Zone would limit the number of economically viable uses of the property.

Jeff Kronenberger:

Mr. Kronenberger stated that the North Main Street corridor merits similar consideration to determine the appropriate future land uses.

Tim Parker:

Mr. Parker expressed concern that the proposed map amendment would not leave any parcels that could be eligible for the Materials Processing and Storage Overlay Zone, leaving the single parcel with the overlay currently applied as the only possible location of the zone, leading to a case of "spot zoning".

The Planning Commission discussed the action. The primary point of discussion was the balance between the city's desire to study and implement appropriate future land uses and the property owners' right to use their property in a manner consistent with the long term expectations created by the current zone. The intended temporary nature of the proposed zone map amendment and each property owners' right to protest the inclusion of their property were also discussed.

COMMISSION ACTION:

Commission Vote

<u>Commissioner</u> Genevieve Baker	<u>Yes</u> X	<u>No</u>
Karen Ellingson	Absent	
Michael Farrer		Х
Kay Heaps	Х	
Brad Mertz	Х	
Rod Parker	Х	
Frank Young	Х	

ALTERNATIVES

Deny the proposed zone map amendment. Continue the proposed zone map amendment.

4. Springville Community Development seeks to amend Springville's Official Zone Map from the Highway Commercial (HC) and Light Industrial Manufacturing (LIM) Zones to the Regional Commercial (RC) zone in parts of the following general areas. The areas are first, from 400 South to 1000 North between 2600 West and 1650 West, second, at the northeast quadrant of the intersection of I-15 and 1600 South, and third, along 1600 South between 1200 West and SR 51.
Director Yost presented. In March, the City Council requested a review of zoning. They directed staff to present on areas of potential concern. Those at risk for getting a proposal we don't want, or receiving a proposal that may interfere with or short circuit a planning process being worked on. On April 6, staff presented to the Council on a number of areas in the City that may be subject to L-IM warehouse/distribution type

63 uses. 64

On June 1, we took a resolution to the Council for a zone map amendment. They
 wanted us to expand it. This is what comes to you tonight.

Reasons: There are three relevant planning processes. 1) Area plan for 1600 S from I 15 to SR 51, 2) Lakeside Landing Special District Plan and 3) General Plan Update with
 I-15 Corridor focus area. It is in our best interest to preserve the broadest range of future

71 land use options.

72

He showed a map showing proposed zone map amendment parcels.

The HC Zone currently includes LIM - Manufacturing Processes; Warehousing - Storage
 and distribution; Wholesale Trade and Warehousing; 1.5 million square feet in the
 development pipeline. The RC zone is not intended as the permanent designation. New
 zones and other standards were adopted at the conclusion of the planning processes.

79

80 We recommend the Planning Commission forward a positive recommendation to City

- 81 Council for this extensive zone map amendment.
- 82

Commissioner Heaps asked what this does to existing businesses. Director Yost said
nothing. If they are operating a use that is not a listed use in the RC zone, it would be a
legal, non-conforming use or in other words a grandfathered use. The majority of these
parcels are undeveloped and vacant. Some at the 1600 South corridor have property on
them, but the majority of the land is vacant. We are most concerned with the property
that is yet to be developed.
Commissioner Heaps asked in order to be grandfathered, would they have to come in

91 and apply. Director Yost said no, no action is required on behalf of the property owners.

92

93 Vice-Chair Baker asked that because this is a City promoted zone change, the owners 94 were notified. Director Yost said yes. Every property owner received a letter in the mail 95 stating the extent of the rezone. He did notice that the language in the letter stated it 96 includes property from 400 South to 1000 North and there are a few parcels extending 97 North of that. 98

- 99 Director Yost received five communications from property owners regarding this. Two
- 100 had substantial concerns. One of the property owners sent a formal objection of their
- 101 property being included in this. He distributed it to the Planning Commission to be part
- 102 of the record.
- 103
- 104 Vice-Chair Baker pointed out that the RC will not allow the two uses listed. Director Yost 105 clarified that it is the three uses not listed. These are essentially the primary differences
- 106 between the RC and HC zones.
- 107
- 108 Commissioner Parker asked if Director Yost anticipated, with a consultant, to have this
- 109 completed by the end of the fiscal year. Director Yost said yes, by the end of the next
- 110 fiscal year. Then we will then present the recommendations of the General Plan.
- 111 Vice-Chair Baker opened the public hearing at 7:59 p.m.
- 112
- 113 Jeff Kroneberger
- 114 323 S 1850 E
- 115 Mr. Kroneberger is excited about this and has talked to Director Yost. He thinks it is
- 116 good to look at the zones and see how they should be done. He wants to add 400 North
- ¹¹⁷ up Main Street, saying the CC zone is outdated. It is zoned for retail. He'd like to add
- 118 that Springville could do things with the properties there that could enhance the zones.
- His property is partly zoned CC for 750 feet and he is stuck in the zoning. He is
- 120 manufacturing. There should be a different zone going North. Needs to be looked at to
- see what it could be. He is impressed with Josh and the team.
- 122
- 123 Harold Mitchell
- 124 Represents McCaullins Properties
- 125 1852 W 1000 N
- 126 His client is opposed to this rezoning. He said that Mr. Yost said let's make some
- 127 changes until we get something done. Mr. Mitchell says let's leave it as is until we get
- something done. There are differences that need to be looked at. You can have assisted
- living in the HC, not the RC. No one would build that there. Major auto repair in the HC,
- 130 not the RC. He asks what the difference is between major and minor. No one knows.
- Let's leave it. You can store autos and boats outside in HC, not RC. Makes no sense. I
- have can a towing service in RC but not HC. I couldn't store the cars there I towed. L-IM
- 133 is a conditional use in HC, not allowed at all in RC. We may need warehousing and 134 storage in the RC area. Particularly on the lot behind what used to be the Stouffers
- 134 storage in the RC area. Particularly on the lot benind what used to be the Stouhers 135 outlet store. We can't do wholesale trades in RC. The small piece of property is well
- suited with access from 1750 W by Flying J. In HC, you can have an indoor race track,
- but not in the RC. Outdoor storage is not allowed in the RC zone. Indoor storage isn't
- always practical, economically not feasible. He prefers that this property, which is North
- 139 of 1000 North, be left out of this proposal and then he can participate in the changes or
- 140 development process or planning process the City plans to go through in the next year.
- 141 He doesn't know what the results will be. He prefers and requests that this property be
- 142 eliminated from the zone change and keep the HC zone where it is.
- 143
- 144 Commissioner Heaps asked Mr. Mitchell what he is requesting to be left out of the North 145 side. Mr. Mitchell said the North side of 1000 N, the one that crosses the railroad tracks.
- 146
- 147 Tim Parker
- 148 2310 S State

149 One thing that hasn't been addressed is the Heavy Industrial overlay how will it be

- 150 impacted with this RC designation, if at all. Sixty citizens that border the L-IM signed the
- 151 petition a while ago, want the overlay dropped completely. What properties are left
- 152 within that overlay that could be used other than the one the overlay was made for. If no
- 153 one else is required or allowed to apply for the overlay, that means we have one
- 154 company that is in there and that is spot zoning. And we don't allow that. He feels the
- notification was poor. No such notification was given when we did an overlay in an L-IM.
- 156 He is against it. He is not included in the RC zoning change.
- 157
- 158 Commissioner Young and Parker asked Director Yost to address these issues. Director 159 Yost said what Mr. Parker is referring to is the Materials Processing and Storage overlay 160 that was applied only to one property. It was not applied to the entire L-IM area. There 161 are many areas in the city that remain L-IM and are eligible to apply for the overlay. 162 Currently, there is only one property zoned with the MPS overlay. And that property 163 owner was noticed and they were the applicant on the request. The rezone tonight only 164 applies to only those properties on the map, not down to SR-51. It doesn't affect any 165 current land use applications or other proceedings going on. Commissioner Heaps said he asked what impact it would have on future L-IM. Director Yost said that the only 166 167 effect it would have is on the properties that are proposed to be rezoned if the council 168 chooses to rezone them. They would no longer be L-IM and then they would not be
- allowed to apply for the overlay as it only can be applied to L-IM.
- 170
- 171 Commissioner Young asked Director Yost to show the property on 1000 North. Director172 Yost showed on the map where it is.
- 173
- Vice-Chair Baker clarified that it continues South of their property. Director Yost said no,
- it takes from the ditch line to skipping over the creek and the Wavetronix site and then
 picks up at 550 N and the southern border of the HC Zone. Vice-Chair Baker said it
- skips Wavetronix because it is being developed now. Director Yost said yes because we
- 178 know what is being developed there. Vice-Chair Baker said the areas are mostly
- 179 undeveloped. Director Yost said yes, there a few structures but mostly undeveloped.
- 180
- 181 Commissioner Young moved to close the public hearing. Commissioner Heaps
- 182 seconded. The public hearing was closed at 8:18 p.m.
- 183 184 Vio
 - Vice-Chair Baker asked for a moment to read the materials given.
- 185
- 186 Commissioner Heaps asked Director Yost about Mr. Mitchell saying a storage
- 187 warehouse would have been a perfect fit, under the new proposal would be prohibited.
- 188 He asked if that is what would happen. Director Yost said if there is a use currently
- permitted in the HC that isn't in the RC, then yes, that is correct. Commissioner Heaps
- 190 said if there is an existing business there currently... Director Yost said it only impacts
- 191 future businesses. It only impacts anything from the point of adopting the future pending
- 192 legislation onwards. Mr. Mitchell was referring to potential development opportunities for
- 193 that property in the future. And the proposed zone text amendment would reduce those
- 194 possibilities by the number of uses he cited that are not permitted in the RC zone.
- 195
- 196 Vice-Chair Baker asked Attorney Penrod if he had an opportunity to read through the
- 197 comments that were given. Attorney Penrod said he did.
- 198

- 199 Commissioner Mertz asked if the consultants they are using on the other zoning
- 200 amendments also are providing information on this. Director Yost said there are three
- 201 projects. The one closest to adoption is the Lakeside Landing project. We just began the
- 202 1600 South study with the kickoff meeting this morning, and are coming up with
- 203 proposals for the General Plan.
- 204
- 205 Vice-Chair Baker asked if the 1000 North area would be included in the General Plan. Director Yost said yes. Vice-Chair Baker asked if it is anticipated to be finished next 206 207 summer. Director Yost said yes.
- 208
- 209 Commissioner Heaps wants to understand. This would be the new RC zone, which is 210 like a holding zone. Director Yost said we are intending to employ it as such. All
- 211 changes to the land use and zoning map go through Planning Commission and City
- 212 Council. There is no reversion clause or any binding promise that this zone would
- 213 change to anything in the future. We are in a sense employing it to give us room to go
- 214 through these processes to make definite plans for the future. Commissioner Heaps
- 215 added so we don't limit our options. Director Yost said right, so we don't get a big
- 216 office/warehouse right in the middle of where we want a different type of land use.
- 217 Commissioner Heaps said the concern he has is, come July, it is still in place until we
- 218 decide that we change that zoning in any particular area until an application is made
- 219 with Planning Commission and City Council. Director Yost said the RC zone would be
- 220 the governing zone until that was changed through the public process.
- 221

222 Commissioner Mertz said even then, someone that is in the RC zone could still apply for 223 a Conditional Use Permit. Director Yost said no. None of those uses are listed as 224 Conditional Uses under the RC zone.

225

226 Commissioner Heaps asked if are we completely wiping out L-IM. Director Yost said any 227 area rezoned to RC will not have the L-IM uses permitted. Commissioner Heaps asked if 228 they wanted to, they could ask for a change in zoning. Director Yost said they could ask 229

for a change in zoning. We generally feel that it will maximize the development potential 230 and ability to rely on the development character of the areas and will be better in the

- 231 long run.
- 232

233 Vice-Chair Baker asked what the possibility is for the involvement of property owners in 234 that process of determining what would be best for that area. Director Yost said 235 extensive. The property owners are involved. All of them have been engaged throughout 236 the process. In 1600 South we are making a list of those property owners that want to be 237 involved and providing individual invitations inviting them to be involved. In the General 238 Plan, it will be broad-based, general outreach to the public for engagement and focused 239 outreach to those areas with particular focus such as the I-15 corridor or the North Main Street Corridor.

- 240
- 241

242 Commissioner Farrer is uncomfortable with the types of restrictions being proposed. 243 Once this is in place, it won't be changed easily. He doesn't think rezoning will happen. 244 He is opposed to this restriction being put in place. Commissioner Parker thinks it is a 245 valid point. Commissioner Farrer wants to improve the areas. And yet, it is on the 246 freeway. The face is the City, not the freeway. He likes to see retail going in those 247 places, but it is unlikely. 248

Vice-Chair Baker said she thinks there are differences in the areas. For example, 1600 249 250 South is changing. It was a smaller road and now it is being made into an off-ramp. Give us time to decide what those changes mean. To her, the Flying J area is the same 251 general area it has been. She asked if it is because there is a proposed road there. 252 253 Director Yost said no, that is 1200 West. He said 1750 West is the street between 254 Wendy's and Del Taco. It has prominent freeway exposure and is zoned for HC and 255 anticipated potential to go that way, it developability and its prominent location that we 256 have a development proposal come in there. Commissioner Farrer is comfortable with 257 that area. 258 259 Vice-Chair Baker sees the purpose on 1600 South and Lakeside, but she would be 260 more comfortable if the Northern area wasn't included in the motion. 261 Commissioner Heaps said his major concern is helping the City protect and not limit 262 future development. He thinks a lot of it does stem from 1600 South off-ramp. 263 Commissioner Young moved to recommend amendment of Springville's Official Zone 264 265 Map from the Highway Commercial (HC) and Light Industrial Manufacturing (LIM) Zones to the Regional Commercial (RC) for those parcels as shown in the attached table. 266 267 Commissioner Parker seconded. Vice-Chair Baker called for a roll call vote. It was as 268 follows: Commissioners Young, Parker, Baker, Mertz, Heaps aye. Commissioner Farrer, 269 nay. 270 271 Commissioner Mertz said that we have one shot to do this with the City and we need to 272 do a good job. Commissioner Parker said they are not cut off and have an opportunity to 273 rezone. 274 275 Vice-Chair Baker said the aye's have it and it goes to City Council. Director Yost said it 276 will be on the July 6 City Council meeting. She invited the attendees to come again and 277 voice concerns at the City Council meeting.

278

Josh Yost,

I would like to file a written objection to being included in the proposed zone change to Regional Commercial. My existing property 1055 N 1750 W (former Stoffers outlet) is set up for equipment sales, auto sales, light industrial, warehousing, outside storage etc. By changing the zoning, you are significantly limiting my current allowed uses. At the very least I would like to see all the existing uses be kept as (conditional uses). I own properties in Provo, Lindon, and Pleasant Grove. I have been a commercial real estate agent / developer for the past 18 years. I understand that a zone change like this is typically intended to keep areas clean and desirable as to attract more business. But the reality of this zone change is that it will limit growth and prevent business from wanting to move in. The more this area gets developed the more other business will come. I believe the city would be better served by leaving things as they are and reassessing the zone limitations once you have a more business in the area. If the cities desire is to ensure "clean" users, keep as many Conditional uses as possible. This way the city maintains some control and a potential tenant only needs to apply for a conditional use permit, rather than de deterred by a zone change. I have found that to be a much better strategy for cities. I would be happy to discuss this with any decision makers.

Sincerely,

Mike McMurtrey Vice President – Commercial Utah Investments & Analysis mike.mcmurtrey@colliers.com 801-735-4747

Subject:	Objection opposing rezone and requesting removal from consideration	

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Kim,

Please be advised that Spratling Collaborative et al., as referenced in the June 8 letter from Josh Yost, Community Development Director, Springville City, and all other interested parties oppose this rezone entirely and object to the manner which it is being proposed. We view this as a taking that will delay our development and damage our value.

As you are aware, Spratling Collaborative et. al. is the owner of approximately 19 acres on the far north end of this proposed rezone. Said acreage is designated in your letter as parcels 23-025-0064, 23-025-0014, 23-025-0016.

Let this be notice of an official complaint and objection as per the instructions provided. Please present said strenuous objection to the Planning Commission, City Council, Mayor, and make it a part of the record at tonight's meeting.

Would you kindly document receipt of same by responding to this email.

We urge that the Planning Commission remove our acreage from consideration along with any other parcel whose owner objects.

Regards,

Ron Spratling III 801-560-4747

Kim,

As real estate consultants for Spratling Collaborative, we echo Ron's sentiments that this rezone shouldn't happen to their property. After reviewing the permitted uses under the proposed zone, we don't feel that it fits this area with the already existing and surrounding uses.

Please put this on file as an official complaint and objection per the city's instructions.

Thank you,

Mike Glauser President - Odyssey Partners 801-828-5545 Mike@OdysseyPtrs.com

ORDINANCE #XX-2021

AN ORDINANCE AMENDING THE OFFICIAL ZONING MAP FROM THE HC HIGHWAY COMMERCIAL ZONE AND THE LIM LIGHT INDUSTRIAL MANUFACTURING ZONE TO THE RC REGIONAL COMMERCIAL ZONE FOR THE PARCELS AS ATTACHED HERETO IN EXHIBIT A PARCEL LIST AND EXHIBIT B PARCEL MAP; INCLUDING PARTS OF THE FOLLOWING GENERAL AREAS. THE AREAS ARE FIRST, FROM 400 SOUTH TO 1400 NORTH BETWEEN 2600 WEST AND 1650 WEST, SECOND, AT THE NORTHEAST QUADRANT OF THE INTERSECTION OF I-15 AND 1600 SOUTH, AND THIRD, ALONG 1600 SOUTH BETWEEN 1200 WEST AND SR 51.

WHEREAS, the City has an Official Zone Map which delineates zone boundaries for the various city zones; and

WHEREAS, the City may propose to amend the Official Zone Map to a zone or zones they find to be more appropriate and a better use of the land; and

WHEREAS, the City Planning Commission considered the amendment and conducted a public hearing on June 22, 2021 and has recommended approval of the proposed amendment;

NOW, THEREFORE, BE IT RESOLVED by the Council of Springville City, Utah that the Official Zone Map is hereby amended from the HC Highway Commercial Zone and the LIM Light Industrial Manufacturing Zone to the RC Regional Commercial Zone for the parcels as attached hereto in Exhibit A Parcel List and Exhibit B Parcel Map.

This ordinance shall become effective upon adoption by the City Council of Springville City.

ADOPTED by the City Council of Springville, Utah, this 06th day of July 2021.

Richard J. Child, Mayor

ATTEST:

Kim Crane, City Recorder
