Ref: temporary Use/Special Event Permit

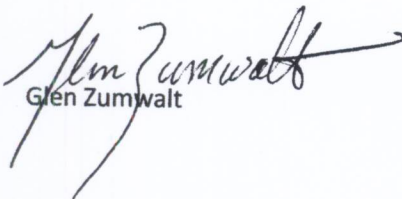

The Tri-State ATV Club, a 501 (c3) charitable organization, is requesting a Temporary Use Permit to allow access to Grafton within the Town of Rockville by one of its 26 sponsored rides during the 2022 Tri-State Jamboree on March 17, 18 and 19, 2022. These rides occur primarily on Public lands and operate under appropriate permits or approvals.

The Gooseberry ride begins in Apple Valley and is limited to 20 participant units. The ride stops at various points of interest on the Mesa. The ride was permitted to visit Grafton town and cemetery site in March of 2020, however, due to COVID, the Jamboree was cancelled. The ride would not proceed to the Grafton town site if the road access is muddy, as agreed previously.

The guides will carry first aid supplies, disposable sanitary bags, garbage bags and be equipped with two-way radios, cell phones and emergency contact information. The Jamboree has earned the respect from those that have granted permits and permission for routes where rides have occurred during the past 16 years. We will continue to educate our participants on proper use of permitted routes and ethical riding protocol.

Rockville's support will be appreciated.

Thank you.
