Non-compliant property- The Council had discussed bringing some cleaning companies in to completely clean the property. Mayor Little reached out to 6 different cleaning companies. He was only able to get 1 bid back from Expert Restoration for \$47,600.00. There was discussion on what to do with the multiple vehicles on the property. Jason suggested reaching out to D&D Salvage and see if they would be able to help. Mayor Little reached out to the Star Deputy Wutherich, to see if it is possible to have a deputy there during the day so there are no issues when cleaning the property. Deputy Wutherich is going to find out if it is possible for a deputy to remain on-site the entire time. Mayor Little believes a deputy can potentially run the VIN #'s and the License Plates to see if the vehicles are legal. The Council discussed the options. The date of compliance is still July 13, and the Town is able to go in on July 14 to clean up the property.
