     - K-12 Nebo School District administrators have successfully reported their 2019-20 Final Trustlands Report to the state and have received very positive feedback. Because state end-of-year testing was suspended due to COVID in the spring of 2020, no student testing data was available to include in the plans; however, all schools faithfully executed their plans this year despite the suspension of testing. Individual school reports can be made available upon request.
   - The Superintendent shared the Enhancement for At-Risk Students Plan and the following At-Risk definition;
     - Nebo School District defines at-risk in two categories – academic and social emotional. Academic at-risk means students who are credit deficient and at risk of not graduating, as well as students performing below grade level and/or exhibiting gaps in their learning. This is identified through screeners, diagnostic assessments, district benchmark assessments, and end-of-level state assessments. Social emotional at-risk includes students who exhibit deficient attendance, anxiety, depression, and social behaviors that adversely affect their ability to successfully access learning and/or socially engage appropriately with their peers and adults. Our district uses the CASEL Framework to assess student behavior in this area.
   - The Superintendent share the Substitute Pay Rates for 2021-2022 with the Board. The District was able to increase the sub pay by $5.00. Our educational staffing for substitutes will be provided by EduStaff.
   - The Superintendent mentioned the June 30th, USBA Leadership Meeting.

Board Discussion 7/14/2021

1. PURPOSE AND PHILOSOPHY

1.1. The Board of Education recognizes the benefits of providing transportation for students to and from school and other activities under certain specified conditions. Providing student transportation reduces traffic and increases student safety. The District will provide student transportation as outlined in this policy in accordance with state and federal laws.

1.2. The Board also recognizes the need to provide for safe access to schools for those students not eligible for District transportation.

2. AUTHORITY

2.1. Student transportation is provided under authority of, and subject to requirements found in, numerous statutes, regulations, and rules. Relevant to this policy are at least the following, all of which are incorporated herein.

2.1.1. UTAH CODE ANN. § 41-6a-301, which requires the Utah Department of Transportation (UDOT) to make rules for school crossing zones and school crossing guards;

2.1.2. UTAH CODE ANN. § 41-6a-303; which requires UDOT to make rules establishing criteria and specifications for the

2.1.2.1. establishment, location, and operation of school crosswalks, school zones, and reduced speed school zones;

2.1.2.2. training, use, and supervision of school crossing guards at elementary schools and secondary schools; and

2.1.2.3. content and implementation of child access routing plans under UTAH CODE ANN. § 53G-4-402;

2.1.3. UTAH CODE ANN. § 41-6a-1301, et seq., which sets forth requirements for school buses and school bus parking zones;

2.1.4. UTAH CODE ANN. § 53F-2-402 and 403, which provide for the appropriation of money for the transportation of eligible students.

2.1.5. UTAH CODE ANN. § 53G-4-402, which requires the Board to establish a school traffic safety committee to fulfill the duties outlined in Section 3;

~~**2.1.5.**~~**2.1.6.** UTAH CODE ANN. § 53G-7-220, which requires that a school bus driver inspect the entire interior of a school bus at the end of every route;

~~**2.1.6.**~~**2.1.7.** UTAH CODE ANN. § 53G-7-1202(3)(a)(iii)(C), which requires a school community council to advise and make recommendations to school and District administration and the Board regarding a child access routing plan under UTAH CODE ANN. § 53G-4-402;

~~**2.1.7.**~~**2.1.8.** UTAH CODE ANN. § 76-9-107, which makes it a crime for an unauthorized person to illegally enter a school bus;

~~**2.1.8.**~~**2.1.9.** UTAH CODE ANN. 76-10-1501, et seq., which provides for the safety and orderly conduct of bus passengers;

~~**2.1.9.**~~**2.1.10.** UTAH ADMIN. CODE R909-3-1, et seq., which governs the design and operation of school buses as required by UTAH CODE ANN §§ 41-6a-1304 and 1309, as well as the placement of advertising on buses as described in Nebo School District Policy KACA, *School Advertising Restrictions*;

~~**2.1.10.**~~**2.1.11.** UTAH ADMIN. CODE R920-1-1, et seq., which establishes specifications for the establishment, location, and operation of school crosswalks, school zones, and reduced speed school zones, and which establishes specifications for uniform signage or markings to clearly identify school bus parking zones, as required by UTAH CODE ANN §§ 41-6a-301, 303, and 1307, and which incorporates by reference the *Utah Manual on Uniform Traffic Control Devices*, 2009 Edition, with revisions through June 30, 2015 (MUTCD);

~~**2.1.11.**~~**2.1.12.** UTAH ADMIN. CODE R277-600, which establishes rules for bus routes, bus safety and other transportation needs; provides for distribution of funds for transportation of public school students, adopts disability standards for student bus riders; and provides for the awarding of unsafe route grants; and

~~**2.1.12.**~~**2.1.13.** UTAH ADMIN. CODE R277-601, which adopts a manual, titled *Standards for School Buses and Operation*, published by the Utah State Board of Education, that establishes standards for state student transportation funds, school buses, and school bus drivers.

2.2. Under these laws the state partially funds student transportation through reimbursement to the District. The laws also provide certain requirements with which the District must comply.

3. SCHOOL TRAFFIC SAFETY COMMITTEE

3.1. Consistent with UTAH CODE ANN. § 53G-4-402, the Board hereby establishes a school traffic safety committee for the schools within each municipality in the District.

3.2. Each Committee is chaired by the District Risk Manager and includes at least the following:

3.2.1. the District Risk Manager;

3.2.2. the Transportation Department Supervisor or designee;

3.2.3. a member of the parent teacher organization of a school within the municipality;

3.2.4. a representative of the municipality;

Board Discussion 7/14/2021

3.2.5. a representative of state or local law enforcement; and

3.2.6. a representative of state or local traffic safety engineering.

3.3. The Risk Manager shall annually convene each committee to review the child access routing plan and submit annually to UDOT and affected municipalities and counties a child access routing plan for each elementary, middle, and junior high school within the district.

3.4. The Committee shall:

3.4.1. receive suggestions from school community councils, parents, teachers, and others and recommend school traffic safety improvements, boundary changes to enhance safety, and school traffic safety program measures;

3.4.2. consult the Utah Safety Council and the Division of Family Health Services and provide for training to all students in elementary schools on school crossing safety and use; and

3.4.3. help ensure the district's compliance with rules made by UDOT under UTAH CODE ANN. § 41-6a-303, including UTAH ADMIN. CODE R920-1-1, et seq., which adopts the MUTCD.

3.5. The Committee may establish subcommittees as needed to assist in accomplishing its duties.

4. CHILD ACCESS ROUTING PLANS (SAFE ROUTES UTAH)

4.1. Under the MUTCD, each elementary, middle, and junior high school shall create a child access routing plan. Various rules and guidance documents have alternately referred to the required plan both as a "student neighborhood access program" (SNAP) and as part of the Safe Routes Utah program. Both names refer to the same plan. Consistent with the current terminology used by UDOT, this policy uses the term "safe routes plan."

4.2. The principal at each elementary, middle, and junior high school oversees the development of the school's safe routes plan and may delegate it to one or more school employees. If the District has designated and provides a bus route due to hazardous walking conditions as described in Section 8, an alternative walking route shall not be shown on the school's plan. In creating a plan, a school should consider the needs of students with disabilities in both the walking route to and from school as well as the loading and unloading areas around the school. The principal or designee may receive advice and recommendations from the school community council regarding the plan consistent with UTAH CODE ANN. § 53G-7-1202 and Nebo School District Policy KC, *School Community Councils*.

4.2.1. Elementary Schools

4.2.1.1. The school administrator for each elementary school shall prepare and update a safe routes plan annually.

4.2.1.2. The plan shall include the following information:

4.2.1.2.1. A map, readable in black and white print, identifying the following:

4.2.1.2.1.1. The school location;

4.2.1.2.1.2. Existing traffic controls (STOP and YIELD signs, signals);

4.2.1.2.1.3. Location of school crosswalks;

4.2.1.2.1.4. Crossing guard locations;

4.2.1.2.1.5. Rail line crossings;

4.2.1.2.1.6. Established School Zones; and,

Board Discussion 7/14/2021

4.2.1.2.1.7. The School Routes on the street system within the school boundaries including all students who live within 1.5 miles from the school.

4.2.1.2.2. A text description that

4.2.1.2.2.1. Describes the map;

4.2.1.2.2.2. Addresses the destination loading and unloading areas for students riding the school bus, public transit, or private vehicles;

4.2.1.2.2.3. Instructs parents to walk the route with their children; and,

4.2.1.2.2.4. Outlines areas of concern (e.g. missing or damaged sidewalk locations, areas under construction, hazard locations, busy intersections, etc.).

4.2.1.3. The principal of an elementary school shall make the school's plan available to parents whose children attend the school.

4.2.1.4. Each elementary school shall present a traffic safety program to its students annually that aligns with the school's plan. The program, which satisfies the training requirement found in paragraph 3.4.2, shall include instruction on safe pedestrian and bicycle behavior and the limitations of drivers and traffic control devices.

4.2.1.5. If a safe routes plan includes a school crosswalk zone or reduced speed school zone but no adult crossing guard is provided by the local municipality, the zones are to be removed by the local highway authority and the school shall revise the plan as though the zones don't exist.

4.2.2. Middle and Junior High Schools

4.2.2.1. The school administrator for each middle and junior high school shall prepare and update annually a safe routes plan.

4.2.2.2. The plan shall include, at a minimum, the following:

4.2.2.2.1. School crossings on major highways.

4.2.2.2.2. Boundaries that include all students who live within two (2) miles from the school.

4.2.3. High Schools

4.2.3.1. Except as provided in paragraph 4.2.3.2, the principal of a high school may elect to create a plan under this section.

4.2.3.2. If school zones, as defined in the MUTCD, are to be used by a high school, the school must prepare a safe routes plan detailing each school zone.

4.3. The principal or designee at each elementary, middle, junior high, and, as applicable, high school shall submit the school's plan annually to the School Traffic Safety Committee.

4.4. The School Traffic Safety Committee shall review and submit each school's plan annually before July 1 to UDOT and to the affected municipality and/or county.

4.5. The School Traffic Safety Committee shall notify the UDOT Chief Railroad Engineer in writing by July 1 of the locations where school routes cross rail lines. Re-notification is not required if the

Board Discussion 7/14/2021

route crossing the rail line has not changed since the original notification. The UDOT Chief Railroad Engineer is required to evaluate rail line crossings and provide recommendations to the District. The School Traffic Safety Committee will consider the recommendations and may work with the school whose plan includes rail line crossings to implement them.

5. BUS LOADING ZONES

5.1. Each building principal will implement a procedure for safe bus loading and unloading at their school. This procedure may be reviewed by the District Transportation Supervisor and Risk Manager to ensure that procedures are consistent and effective throughout the district.

5.2. As part of the procedure, the building principal will schedule supervision of the bus loading/unloading zones before and after school. Those assigned will be instructed by the principal regarding their duties.

5.3. New buildings constructed in the Nebo School District will provide safe bus loading/unloading zones. Input from the Transportation Department will be asked for and given during the planning stage. The proper painting of curbs and signs will be in place before students enter the building for school. Parking by other vehicles will not be allowed in these zones. The area to drop off students by parents will be placed in an area that does not conflict with the bus loading/unloading zones.

6. STUDENT ELIGIBILITY FOR TRANSPORTATION

6.1. Under UTAH CODE ANN. § 53F-2-403, a student eligible for state-supported transportation means

6.1.1. A student enrolled in kindergarten through grade six who lives at least one and one-half (1½) miles from school;

6.1.2. A student enrolled in grades seven through twelve who lives at least two miles from school; and

6.1.3. A student enrolled in a special program offered by the District and approved by the State Board of Education for trainable, motor, multiple-disability, or other students with severe disabilities who are incapable of walking to school or where it is unsafe for students to walk because of their disabling condition, without reference to distance from school.

6.2. A student who is not eligible under subsection 6.1 may request transportation by completing the Space Available Application and submitting it to the Transportation Department. Students who are not eligible under subsection 6.1 have no right to transportation, and a Space Available Application may be denied for any or no reason. An application may not be granted until the Transportation Department has finalized routes and numbers of eligible students per bus, which may be several weeks into the school year. A student submitting an application under this subsection may not ride the bus until the application is granted. An application that is granted may be withdrawn at any time, and all applications terminate at the end of the school year. An application must be denied if the following conditions are not met.

6.2.1. An existing bus route passes near the student's house;

6.2.2. The bus has available seats;

6.2.3. The bus makes no additional stops for the student.

7. BUS ROUTES

7.1. The Transportation Department shall create school bus routes in accordance with Utah Admin. Code R277-600-6.

7.1.1. A bus route shall traverse the most direct public route.

Board discussion 7/14/2021

7.1.2. A bus route shall traverse roads that are constructed and maintained in a manner that does not cause property damage.

7.1.3. A bus route shall provide adequate safety for students.

7.1.4. A bus route shall not traverse a dead-end road.

7.1.5. A bus route shall be reasonably cost-effective in comparison to other feasible alternatives. To promote bus route efficiency, the minimum distance between stops should be three tenths (.3) of a mile.

7.1.6. A bus route shall include an economically appropriate number of students.

7.2. The Transportation Department shall designate safe areas for bus stops.

7.2.1. Except as provided in paragraph 7.2.2, a student is responsible for the student's own transportation to bus stops up to one and one-half miles from home.

7.2.2. A student with a disability is responsible for the student's own transportation to bus stops unless the student's IEP or 504 plan determines otherwise.

7.3. The Transportation Department shall report changes made in existing routes and the addition of new routes to the state superintendent.

7.4. The minimum number of general education students required to establish a bus route is ten. The minimum number of students with disabilities required to establish a bus route is five. A route may be established in either case for fewer students with permission of the State Superintendent.

8. HAZARDOUS WALKING CONDITIONS

8.1. A person may request that the District provide transportation for students who are otherwise ineligible under Section 6 when the person considers that walking to or from school is unsafe for students. The person must submit the request in writing to the Director of Operations. The request must state that it is a request for transportation due to unsafe walking conditions and must include the school name, street names, approximate number of students affected, and a detailed description of the unsafe conditions.

8.2. The Director of Operations shall review a request received under paragraph 8.2. If the Director of Operations determines the request warrants an investigation, the director must convene a Hazardous Conditions Committee.

8.2.1. A Hazardous Conditions Committee should include the following members.

8.2.1.1. Director of Operations

8.2.1.2. Transportation Supervisor or designee

8.2.1.3. The school principal

8.2.1.4. A parent member of the School Community Council

8.2.1.5. The District Risk Manager

8.2.1.6. Others as invited by the school principal or Director of Operations.

8.2.2. The Hazardous Conditions Committee shall review the request and analyze the factors listed in subsection 8.6. The committee should visit the site and consult with local transportation officials. If the committee determines the conditions are hazardous, the committee must make a written recommendation to the Board, submitted to the superintendent, that the District provide transportation.

Board Discussion 7/14/2021

8.3. The Board may approve the provision of transportation of students in areas where walking constitutes a hazardous condition. Such transportation is provided using the District's general funds or funds from a Board Local Levy authorized under UTAH CODE ANN. § 53F-2-602.

8.4. The Board may designate hazardous conditions upon analysis of the following factors:

8.4.1. Volume, type, and speed of vehicular traffic;

8.4.2. Age and condition of students traversing the area;

8.4.3. Condition of the roadway, sidewalks, and applicable means of access in the area; and

8.4.4. Environmental conditions.

8.4.5. Hazardous Conditions Committee Recommendation.

8.4.6. Availability of resources.

8.5. The Transportation Supervisor or designee may request a review of a hazardous conditions designation. When a request is made, the process outlined in subsections 8.2 through 8.4 will be followed.

9. ALTERNATE SITE

9.1. The parent of a student may request that the District transport the student to and from a child care provider ("alternate site") instead of the student's residence. The Transportation Department Supervisor may grant the request if the following conditions are met:

9.1.1. The parent submits a written request for transportation to an alternate site using the Alternate Site Request form.

9.1.2. The alternate site is at least one and one-half or two miles from the school consistent with the student's eligibility under section 6;

9.1.3. The alternate site lies in an existing bus route;

9.1.4. The bus traveling the existing route has room for the child;

9.1.5. The bus does not make additional stops for the child; and

9.1.6. The transportation to and from the alternate site is provided daily.

9.2. A request for varied busing services, such as alternating days between the residence and the alternate site, must be denied. Likewise, the District shall not provide transportation to or from a location that is not a bus stop or the student's residence or an approved alternate site. The District will not provide transportation to or from sporadic or nondaily events such as birthday parties, music lessons, scouts, sporting events, study groups, friends' houses, employment, etc.

10. BUS DRIVERS

10.1. School bus drivers are bound by a comprehensive set of requirements, including standards related to their physical condition, training and certification, and criminal history. The requirements are found in the *Standards for School Buses and Operation*, adopted by the Utah State Board of Education. See UTAH ADMIN. CODE R277-601. Bus drivers, substitute drivers, attendants, and other employees transporting students on a school bus shall comply with the most current version of the *Standards*.

10.2. Drivers may not allow a person, including the driver's own child, to ride the bus unless the person has been authorized or assigned to that bus by the Transportation Supervisor or designee.

Board Discussion 7/14/2021

10.3. Drivers shall perform pre-trip inspections of buses and other safety measures as directed by Transportation Department rules.

10.4. Drivers shall clean their buses as directed by Transportation Department rules.

~~**10.4.**~~**10.5.** Drivers shall inspect the entire interior of their school bus at the end of every route and are subject to disciplinary action for failure to perform the inspection.

11. ALTERNATIVE TRANSPORTATION

11.1. Alternatives such as payment in lieu of transportation may be offered as permitted by UTAH ADMIN. CODE R277-600-7. The Transportation Department shall analyze bus routes that include a large number of deadhead miles (miles driven with no student on the bus) to determine if an alternative method of transporting students is more efficient or fiscally responsible. Possible alternatives include the following, as outlined in Utah State Board of Education rules:

11.1.1. Use of a District multi-purpose passenger vehicle (rather than a bus) to transport students;

11.1.2. Paying eligible students an allowance in lieu of District-supplied transportation wherein a student is reimbursed for mileage to school or bus-stop, whichever is closer;

11.1.3. Providing a subsistence allowance for a student to live at a site nearer to the school; and

11.1.4. Engaging in a contract or leasing for transportation.

11.2. The Transportation Department shall annually perform a cost-benefit analysis as part of its determination of the specific reimbursement rate. This analysis shall be made available to the public.

11.3. A mileage allowance under this section is available only to one student per family for each trip that is necessary for all the students within a family to attend school. However, if siblings are on different schedules or would ride buses that are on significantly different schedules, multiple students within a family may be paid for student mileage allowances.

11.4. The District shall measure and certify a student's mileage in school district records.

12. STUDENT CONDUCT AND DISCIPLINE

12.1. Students shall comply with all applicable district policies while on a school bus. The requirements and procedures outlined in Nebo School District Policy JD, *Student Conduct and Discipline*, apply to student conduct occurring on a school bus. A student's principal may take disciplinary action against the student for conduct occurring on a school bus in accordance with Policy JD.

12.2. Students on a school bus shall comply with rules set by the Transportation Department and directives given by a bus driver or attendant.

12.3. Bus Tickets

12.3.1. The Transportation Department may take disciplinary action against a student for conduct that violates District policy or Transportation Department rule or directive from driver or attendant. This disciplinary action may be in addition to action taken by a school administrator for the same conduct. If the Transportation Department takes disciplinary action against a student beyond a level 1 ticket, the department shall notify the student's school administrator of the student's conduct and the action taken.

12.3.2. Discipline administered by the Transportation Department under this subsection is accomplished by the issuance of tickets as described in paragraphs 12.3.2.1 through 12.3.2.4. The Transportation Department shall input disciplinary action beyond a level 1 ticket taken by the Transportation Department to the District's student information system. Tickets are issued based on the severity and/or frequency of student

Board Discussion 7/14/2021

misconduct. Level 1 tickets are issued for minor misconduct, and level 4 tickets are issued for severe or frequent misconduct. Bus drivers may issue level 1 tickets. Only the Transportation Supervisor or designee may issue level 2, 3, and 4 tickets.

12.3.2.1. Level 1 Ticket. The parent/guardian shall sign the ticket and the student must return it to the driver. If the slip is not signed and returned to the driver, the student will not be permitted to ride the bus.

12.3.2.2. Level 2 Ticket. The student will be suspended for up to two (2) school days from bus privileges. The parent/guardian and principal are to sign the ticket before the student will be allowed to ride the bus.

12.3.2.3. Level 3 Ticket. The student will be suspended for up to ten (10) school days from bus privileges. At this time it will be determined if the student will retain bus privileges or be kept on suspension. The student will not be allowed to ride the bus until the suspension have been completed.

12.3.2.4. Level 4 Ticket. Automatic bus suspension for up to twenty (20) school days. At the end of the suspension, a conference with the involved parties will be held to evaluate the student's bus privileges.

12.3.3. Suspension from bus privileges may also be extended to include field trips, athletic trips, and other special activities where students are transported by District buses.

12.3.4. A student will not be denied transportation until a parent/guardian is contacted.

12.3.5. The level of a ticket issued is based on the severity of the infraction. Students do not necessarily move from one level to another with each ticket issued.

12.4. Before a student is suspended from riding the bus, the administrator issuing the discipline must determine whether the student is entitled to transportation due to disability by reviewing the student's Individualized Education Program (IEP) or Section 504 Plan. If the student is entitled to transportation because of a disability, discipline may be administered only as permitted under the applicable provisions of Policy JD and in accordance with the student's IEP or 504 plan.

13. UNAUTHORIZED ENTRY OF SCHOOL BUS

13.1. In accordance with Utah law, each school bus shall contain a sign next to the entrance warning that unauthorized entry is a violation of state law.

13.2. A person is guilty of a class B misdemeanor if the person:

13.2.1. enters a school bus with the intent to commit a criminal offense;

13.2.2. enters a school bus and disrupts or interferes with the driver; or

13.2.3. enters a school bus and refuses to leave the bus after being ordered to leave by the driver and the person:

13.2.3.1. is not a peace officer acting within the scope of his or her authority as a peace officer;

13.2.3.2. is not authorized by the school district to board the bus as a student or as an individual employed by the school district or volunteering as a participant in a school activity;

13.2.3.3. causes or attempts to cause a disruption or an annoyance to any passenger on the bus; or

13.2.3.4. is reckless as to whether the person's presence or behavior will cause fear on the part of any passenger on the bus.

Board Discussion 7/14/2021

13.3. If a person meeting the criteria in subsection 13.2 enters a bus, the driver or attendant shall report the person to the local police and notify the Transportation Supervisor.

14. MISCELLANEOUS

14.1. Schools are not required to provide crossing guards on public streets. Under Utah Code Ann. § 41-6a-303 the local highway authority shall pay for, provide, train, and supervise school crossing guards.

1. PURPOSE AND PHILOSOPHY

1.1. The Board of Education recognizes that it is a public body as defined in Utah law. As such, the Board has a responsibility to conduct its official business in an open manner. All Meetings of the Board will be open to the public unless specifically exempt by the Utah Open and Public Meetings Act and properly closed in accordance with Utah law and this policy. However, while Meetings may be open to the public, public participation in the Meetings is limited as provided in Section 3.5 below.

1.2. This policy outlines the types of Meetings the Board may hold and establishes procedures for conducting such Meetings. Board members may follow the guidelines found in the publication Coming to Order: A Guide to Successful School Board Meetings, published by the Utah School Boards Association, as updated and revised. However, since the laws governing open Meetings are continually being amended and interpreted, Board members should use caution and should always seek out the current versions of laws governing Board Meetings.

2. DEFINITIONS

2.1. **"Closed Session"** means a portion of a Meeting that is closed to the public. No resolution, rule, policy, contract, or appointment may be approved during a Closed Session. Provisions governing Closed Sessions are found in Section 5 below.

2.2. **"Electronic Meeting"** means a Board Meeting convened or conducted by means of a conference using electronic communications. Provisions governing Electronic Meetings are found in Section 6 below.

2.3. **"Emergency Meeting"** means a Board Meeting called because of unforeseen circumstances to consider matters of an emergency or urgent nature. The Board may take final action on a topic during an Emergency Meeting. Provisions governing Emergency Meetings are found in Section 7 below.

2.4. **"Meeting" or "Board Meeting"** means the convening of the Board of Education for the purpose of discussing, receiving comments from the public about, or acting upon a matter over which the Board has jurisdiction or advisory power. A Meeting may not be convened without a Quorum present, whether in person or by means of electronic communications, and may include a Work Session or a Closed Session. A Meeting does not include chance or social encounters by Board members or informal gatherings in which Board members do not appropriate funds for expenditure and which are convened solely for the discussion or implementation of administrative or operational matters for which no formal Board action or discussion is required. Provisions governing Board Meetings are found in Section 3 below.

2.5. **"Public Hearing"** means a Meeting or a portion thereof at which the public is given a reasonable opportunity to comment on the subject of the hearing. Provisions governing Public Hearings are found in Section 8 below.

2.6. **"Quorum"** means a majority of the members of the Board.

2.7. **"Special Board Meeting"** means a Meeting held outside the annual schedule of Meetings as provided in the notice under Subsection 3.1.1. Provisions governing Special Board Meetings are found in Section 4 below.

2.8. **"Work Session"** means a portion of a Board Meeting dedicated to more extensive review, study and discussion of issues, policies, programs, and other matters concerning the operations of the District. Provisions governing Work Sessions are found in Section 9 below.

3. BOARD MEETINGS

3.1. Notice Requirements

3.1.1. The Board shall give public notice at least once each year of its annual Board Meeting schedule. The notice shall specify the date, time, and place of each Board Meeting scheduled for the upcoming year.

3.1.2. In addition to the annual notice above, the Board shall also give at least twenty-four (24) hours public notice of the agenda, date, time, and place of each of its Meetings. Public notice is satisfied by all of the following:

3.1.2.1. Posting written notice at the District Office;

3.1.2.2. Posting notice on the Utah Public Notice Website; and

3.1.2.3. Providing notice to at least one local media correspondent or newspaper of general circulation within the geographic jurisdiction of the District. This requirement may be satisfied by allowing the newspaper or correspondent to subscribe and receive updates and notices regarding Board Meetings from the Utah Public Notice Website.

3.1.3. The Board shall give notice of its Meetings to the mayor or the mayor's designee of any municipality that is partly or entirely within the boundaries of the District, and to the county commission chair, county executive, or county manager, or their designee, of any county with unincorporated area within the boundaries of the District by mail, email, or other effective means agreed to by the person to whom notice is given. Unless specifically requested otherwise by municipal or county officials, notice shall be deemed effectively given under this Section 3.1.3. by posting notice on the Utah Public Notice Website.

3.2. Agenda

3.2.1. The agenda for all Board Meetings shall provide reasonable specificity to notify the public as to the topics to be considered at the Meeting. Each topic shall be listed under an

Board Discussion 7/14/2021

agenda item on the Meeting agenda in a manner which identifies the subject of discussion. The agenda will be prepared according to the following procedures.

3.2.1.1. The Superintendent shall prepare the agenda after consulting with the Board President and members of the executive staff.

3.2.1.2. A draft of the agenda is reviewed at executive staff meetings. Recommended agenda items are submitted by executive staff members.

3.2.1.3. Others wishing to have an item placed on the Board agenda should submit the item to the Superintendent or the appropriate member of the executive staff.

3.2.1.4. The agenda is reviewed with the Board President for his/her approval prior to the distribution of materials to Board members.

3.2.1.5. Materials approved for transmittal to the Board should be submitted to the Superintendent's secretary by the Friday preceding the Board Meeting.

3.2.1.6. The agenda, together with supporting materials, shall be distributed to Board members sufficiently prior to the Meeting to permit them to give items of business careful consideration.

3.3. Quorum

If a Quorum is not present at the time appointed for the Meeting to begin, the Board members then in attendance may adjourn. If a Quorum is present, the votes of a majority of the Board members in attendance will be controlling.

3.4. Procedures

3.4.1. Action Limited to Meeting Agenda

3.4.1.1. The Board shall follow the order of business set up by the agenda, unless the order is altered by approved motion.

3.4.1.2. The Board may not consider a topic not listed under an agenda item and included with advance public notice of the Meeting unless the topic is raised by the public during the Meeting. In such cases, the Board may, at the discretion of the presiding Board member, discuss the topic but may not take any final action on it.

3.4.1.3. The Superintendent and executive staff members determine the necessary follow-up after each Board Meeting, and the Superintendent is responsible for coordinating the follow-up activities.

3.4.2. Rules of Order

3.4.2.1. All actions of the Board will proceed by a motion and second to the motion. Motions must be made one at a time and must be concluded prior to the introduction of additional motions.

3.4.2.2. Voting shall be made by either a show of hands or a verbal indication such as "aye" or "nay" on each motion.

3.4.2.3. No vote shall be taken by secret ballot.

3.4.2.4. It is expected that all Board members will vote on all motions. However, special circumstances may require a Board member to abstain from voting. If any

Board Discussion 7/14/2021

member abstains from voting for any reason, the member will be deemed to have not voted and the abstention will not count for or against the Board's vote.

3.4.2.5. A member who has a personal or private interest in any proposed or pending matter which presents a conflict of interest will not vote.

3.4.2.6. When a tie vote exists on a motion, the motion will be declared to have failed.

3.4.2.7. Individual votes of Board members will be recorded in the minutes when the vote is not unanimous, when there is a roll call vote taken, or when requested by a Board member.

3.5. Public Participation

3.5.1. Consistent with this subsection, the Board may permit members of the public in attendance at a Board Meeting to address the Board.

3.5.2. Except as provided in paragraphs 3.5.2.1 and 3.5.2.2, each Board Meeting listed on the annual notice in paragraph 3.1.1 will include a public comment period as set forth in this subsection.

3.5.2.1. Unless otherwise determined by the Superintendent and Board President, a Board meeting that is or includes a public hearing under Section 8 of this policy shall not also include a public comment period under this subsection, but instead will allow public participation under the provisions of Section 8. Notwithstanding, the Superintendent may, in consultation with the Board President, include a public comment period in a meeting that also includes a public hearing, but the public comment period may not replace the public hearing.

3.5.2.2. The Superintendent, in consultation with the Board President, may exclude the public comment period from an upcoming Board Meeting by not including it on the agenda for that Meeting, consistent with the following:

3.5.2.2.1. The process for signing up in advance shall be disabled and include a notice that the meeting will not include a public comment period.

3.5.2.2.2. The public participation section may not be excluded from the agenda if a person has already signed up to address the Board consistent with this policy.

3.5.3. In order to assure that the Board conducts its Meetings properly and efficiently, the Board adopts the following rules and procedures pertaining to public participation at Board Meetings.

3.5.4. Patrons who wish to address the Board must sign up prior to the start of the Board Meeting either online as directed on the District website or on the sign-up sheet provided at the District Office. Patrons may sign up for only one Board Meeting at a time and may not sign up for a Board Meeting until the previous Board Meeting has concluded and the online sign-up process for the next Board Meeting has been enabled. Patrons who sign up using the District website must do so no less than twenty-four (24) hours prior to the start of the Meeting. The Superintendent or designee is authorized to disable the online sign-up process consistent with subsection 3.5.2.2. Patrons shall list their name, the schools their children attend, their city of residence, the topic they wish to address, and whether they are representing themselves or a group.

3.5.5. If several individuals are concerned with the same issue, they should select a spokesperson to address their views. In the interest of time, the Board may limit cumulative and repetitive information.

Board Discussion 3/14/2021

3.5.6. Comments are limited to three (3) minutes for each individual unless the person is speaking on behalf of a group, in which case the comments are limited to five (5) minutes. The District may time speakers to ensure compliance with this provision.

3.5.7. To ensure sufficient time to conduct its business, the Board President or other presiding officer may limit the number of patrons allowed to address the Board in a given Meeting.

3.5.7.1. The total amount of time allotted for public comments will not exceed thirty (30) minutes.

3.5.7.2. Unless otherwise directed by the President, patrons will address the Board in the order they signed up.

3.5.7.3. A patron must have previously signed up, as required in Section 3.5.1., above, to address the Board.

3.5.7.4. Patrons will be permitted to address the Board either in the order they signed up, by topic, or according to some other order as determined by the President.

3.5.8. Topics may include suggestions for improving District services or programs, and comments are welcome regarding new issues or new program or policy suggestions.

3.5.9. Individuals should conduct themselves and present their comments in a respectful and courteous manner, giving due respect to the dignity and privacy of others who may be affected by their comments. Individuals should refrain from making rude or slanderous remarks that may violate the rights of others under laws of defamation or invasion of privacy.

3.5.10. The following topics are more appropriately addressed through alternative forums or procedures. Comments on these topics should be presented through the applicable forum or procedure or submitted to the Board in writing.

3.5.10.1. Bidding or contract matters.

3.5.10.2. Employment or personnel issues.

3.5.10.3. Complaints, criticism, or personal attacks against individual students, employees, or other citizens.

3.5.10.4. Grievances, complaints, or other issues that are governed by specific hearing, appeal, or negotiation procedures.

3.5.11. Patrons may submit written comments to the Board regarding (a) employment or personnel issues and (b) complaints, criticism, or concerns with individuals.

3.5.12. Patrons presenting highly detailed or complex information should, before the Meeting, provide a written copy or synopsis of their comments for the Board.

3.5.13. Persons appearing before the Board are reminded that members of the Board are without authority to act independently as individuals in official matters. Thus, questions may be directed to individual Board members, but action by the Board is necessary to resolve such questions. Likewise, members of the Board may not immediately respond to patrons' questions or engage in discussion or debate. The Board will take each patron's comments under advisement, and if further discussion or action is required, the topic will be added to the agenda of an upcoming Board Meeting.

Board Discussion 7/14/2021

3.5.14. The Board President or other presiding officer may terminate the remarks of any individual who does not adhere to this policy. Individuals addressing the Board who engage in inappropriate or disruptive conduct will be removed from the Meeting.

3.5.15. Inappropriate or disruptive conduct by members of the audience will not be tolerated. Patrons in the audience should conduct themselves in a respectful, civil, and courteous manner, refraining from conduct that disrupts the Meeting or inhibits the Board from efficiently conducting its business. Individuals who engage in inappropriate or disruptive conduct will be removed from the Meeting.

3.6. Local Government Participation

A mayor or the mayor's designee of a municipality that is partly or entirely within the boundaries of the District, as well as a county commission chair, county executive, or county manager, or their designee, of a county with unincorporated area within the boundaries of the District may attend and participate in the Board discussions at Board Meetings.

3.7. News Media Services at Board Meeting

The Board believes that one of its responsibilities is to keep the public informed of its deliberations, policies, and actions. Therefore, the Board encourages the attendance of press representatives at all Meetings except Closed Sessions.

3.7.1. News agencies desiring to bring audio or visual equipment are requested to seek clearance from the Board President at least twenty-four (24) hours before the Meeting is held. This request will enable the Board to make any necessary accommodations.

3.7.2. Media personnel are asked to remain in a designated area in the Board room while the Meeting is in session and to avoid the display of microphones or other equipment near Board members or executive officers addressing the Board.

3.7.3. A copy of the agenda and agenda materials will be sent in advance to members of the press who request it. Following the Meeting, all reports approved by the Board shall also be made available to the press. However, reports-in-progress on which the Board has taken no final action shall be released only upon the Board's authority as "tentative reports."

3.7.4. In order that the Board may efficiently transact its business, questions from the press will not be entertained while Meetings are in progress. However, a representative of the Board will be available after each Meeting to answer reporters' questions and to clarify points of discussion and action.

3.7.5. When individual Board members receive requests from news media representatives for information about Board Meetings, members shall refer the information-seekers to the Board President who shall be the spokesperson for the Board except as he or she specifically delegates this responsibility to others.

3.8. Broadcasting and Recording of Board Meetings

All or any part of the proceedings in any open Board Meeting may be recorded by any person in attendance, provided that the recording does not interfere with the conduct of the Meeting. News agencies are requested to follow the procedures outlined in Section 3.7 above.

3.9. Record and Minutes

3.9.1. The Business Administrator shall keep or cause to be kept written minutes and a recording of all open Board Meetings, except that a recording is not needed for site visits or traveling tours where no vote or action is taken by the Board.

The reason for holding the Closed Session, as well as the location of the Meeting and the vote of each member to hold the Closed Session, shall be publicly announced and entered on the minutes of the open Meeting. Under Utah law a public body may not take a vote in a closed meeting, except for a vote on a motion to end the closed portion of the meeting and return to an open meeting. However, the person presiding shall sign a sworn statement affirming that the sole purpose for closing the Meeting was to discuss such matters.

1. PURPOSE AND PHILOSOPHY

The Board of Education of Nebo School District desires to establish student enrollment and school transfer procedures in accordance with Utah law to provide legally compliant, consistent, and equitable practices among all the schools in Nebo School District.

2. DEFINITIONS

2.1. **"Adjusted Capacity"** is the total number of students who can be enrolled in a school if the class size is at least equal to the district's average class size for the corresponding grade in an elementary school and a similar class in a secondary school. Adjusted Capacity for each school is established by the Board of Education.

2.2. **"Administrative Transfer"** occurs when a student is moved from their resident school to a nonresident school at the sole discretion of the district. Administrative Transfers are utilized under special and unique circumstances to address the critical educational needs of a student. An Administrative Transfer shall be approved by the resident and nonresident school administrators and the respective Director of Elementary Education, Secondary Education, or Special Education. An Administrative Transfer may also be initiated and completed by the respective Director of Elementary Education, Secondary Education, or Special Education. An Administrative Transfer may occur when the district determines a student would be better served by being transferred to another school or program within the district for any of the following reasons: (a) student discipline; (b) providing appropriate educational services for "at-risk" students, special education students, and Section 504 students; or (c) any other reason deemed to be in the best interest of the student and/or the district.

2.3. "**Custodial parent(s)**" or "**parent(s)**" means the natural or adoptive father and/or mother of a minor student who has the right under Utah law and/or an applicable court order to make enrollment decisions for the student, as more fully set forth in Section 3 below.

2.4. "**Custody**" is defined in Section 3 below.

2.5. **"Early Enrollment"** is the period of time when an application may be submitted to the district requesting admission to a school that is not a student's resident school for the next school year. Utah State Board of Education Standard Open Enrollment Applications for Early Enrollment are

accepted beginning December 1st through the third Friday in February for admission for the next school year.

2.6. The "**emotional or physical safety**" of a student is defined for purposes of Section 6.14 as special and unique emotional or physical safety concerns that affect the critical academic needs of a student. Generally, such safety concerns only exist when the student's critical academic needs cannot be adequately addressed at the resident school after interventions have proven to be unsuccessful. Emotional or physical safety concerns do not satisfy the requirements of Section 6.14 if such safety concerns are merely anticipated or based solely upon speculation. Evidence of such emotional or physical safety concerns should be based upon documentation or other evidence provided by the student's school, the custodial parent(s) / legal guardian(s), and/or medical professionals. Meetings with school personnel, parent(s) / legal guardian(s), and other individuals who have specific knowledge of the facts and circumstances of the safety concerns may be held in order to gather more information. Some examples of reasons that generally do not warrant the transfer to a closed school under emotional and physical safety under Section 6.14 include, but are not limited to: (a) the student desires to attend the same school with certain friends; (b) teacher preference; (c) program choice; and (d) athletic participation.

2.7. "**Employee**" is defined for purposes of Sections 6.7 and 6.14 as an individual who is currently employed by the district at the requested transfer school AND:

2.7.1. the individual is an administrative or certified employee who is employed as a 0.5 or more Full Time Equivalent (FTE) ; OR

2.7.2. the individual is a classified employee who is employed to work twenty (20) hours or more per week ; OR

2.7.3. the individual is a certified or classified employee who has been employed at the requested transfer school for the past five (5) consecutive years or since the inception of the school; OR

2.7.4. the individual is a head varsity coach or head advisor of a Utah High School Activities Association (UHSAA) sponsored team or group; OR

2.7.5. the individual is an assistant varsity coach or assistant advisor of a UHSAA sponsored team or group who: (i) has been employed in that same position at the requested transfer school for the past five (5) consecutive years or since the inception of the school; and (ii) has been paid a district approved stipend for that position; OR

2.7.6. the individual is a head advisor/director of cheerleading, orchestra, band, or choir; OR

2.7.7. the individual is an assistant advisor/director of cheerleading, orchestra, band, or choir who: (i) has been employed in that same position at the requested transfer school for the past five (5) consecutive years or since the inception of the school; and (ii) has been paid a district approved stipend for that position.

2.8. "**Exigent circumstances**" generally means circumstances beyond the control of an individual(s).

2.9. **"Health care facility"** means the same as that term is defined in UTAH CODE ANN. § 26-21-2.

2.10. **"Human services program"** means the same as that term is defined in UTAH CODE ANN. § 62A-2-101.

2.11. **"Late Enrollment"** is the period of time when an application may be submitted to the district requesting admission to a school that is not a student's resident school for the next or current school year. Utah State Board of Education Standard Open Enrollment Applications for Late

Board Approval 7/14/2021

Enrollment are submitted after the third Friday in February for admission for the next school year, or for admission for the current school year.

2.12. "**Legal guardian(s)**" means a person or persons who has been appointed by the court and vested with legal custody rights and responsibilities to manage the affairs of a minor student.

2.13. **"Maximum Capacity"** is the total number of students who can be enrolled in a school if each of the classrooms were to have an enrollment at least equal to the district's average class size for the corresponding grade in an elementary school and a similar class in a secondary school. Maximum Capacity for each school is established by the Board of Education.

2.14. "**Minor student**" is defined as a child who has reached the age of six (6) years but has not reached the age of eighteen (18) years, but does not include an emancipated minor.

2.15. **"Nonresident student"** is a student who lives outside the boundaries of their assigned school attendance area.

2.16. "**Open Enrollment**" refers to those enrollment procedures prescribed by UTAH CODE ANN. § 53G-6-301 et seq., UTAH ADMIN. CODE R277-437, and Section 6 of this policy.

2.17. **"Open Enrollment Threshold"** is the maximum number of students to be enrolled in a school during Early Enrollment and Late Enrollment which is determined as follows:

2.17.1. Early Enrollment Threshold is the projected enrollment that is the greater of ninety percent (90%) of the "Maximum Capacity"; or "Maximum Capacity" minus forty (40) students.

2.17.2. Late Enrollment Threshold is the actual school enrollment that is the greater of ninety percent (90%) of "Adjusted Capacity"; or "Adjusted Capacity" minus forty (40) students.

2.18. "**Power of Attorney**" is a legal instrument, signed and notarized by an individual(s) who has legal custody of a minor student, that designates a responsible adult as the student's custodian and grants the designated adult authority to take any appropriate action on behalf of the student, including authorization of education and medical services. A "Power of Attorney" does not confer legal guardianship (see UTAH CODE ANN. § 53G-6-302(5)). Both the granting party and the designated adult shall agree to: (a) assume responsibility for any fees or other charges relating to the student's education; AND (b) if eligible for fee waivers, provide the district with all financial information requested by the district for purposes of determining eligibility for fee waivers (see UTAH CODE ANN. § 53G-6-302(3)).

2.19. "**Responsible adult**" is defined as an individual twenty-one (21) years of age or older who is willing and able to provide reasonably adequate food, clothing, shelter, and supervision for a minor student (see UTAH CODE ANN. § 53G-6-303(1)).

2.20. A "**sibling**" of a student seeking enrollment under Section 6.14 and for ninth grade participation in high school activities under Section 6.7 is defined as follows:

2.20.1. a brother or sister who is currently enrolled in and has attended the requested transfer school for at least one full term during the previous school year; AND

2.20.2. both the sibling and the student seeking enrollment are currently in good standing in regards to their academics, attendance, and behavior.

2.21. "**Supervision**" and "**supervise**" is defined in UTAH CODE ANN. § 53G-6-302 and means a minor child is receiving services from a state agency, local mental health authority, or substance abuse authority with active involvement or oversight; and engaged in a human services program that is properly licensed or certified and has provided the school district receiving the minor child with an education plan that complies with the requirements of UTAH CODE ANN. § 62A-2-108.1.

Board Approval 7/14/2021

3. CUSTODY

3.1. Parents generally have custody rights over their minor students. Custody includes physical custody and legal custody. Physical custody refers to the number of nights a child spends at each parent's home, and legal custody means the right to make important decisions about the child. In cases of divorce, Utah recognizes several custody arrangements, including sole legal and sole physical, joint legal and joint physical, joint legal and sole physical, and split custody. The divorce decree or other order of the court typically sets forth the custody arrangement for the minor children and may need to be consulted to determine the rights of each parent when disagreements related to enrollment arise between them.

3.1.1. Utah law requires a divorce decree or other order granting joint legal or joint physical custody to include a parenting plan that sets forth the decision-making authority of each parent regarding the child's education. The parenting plan includes an education plan that designates (1) the home residence of the child for purposes of identifying the school in which the child will be enrolled, (2) the parent that has authority to make education decisions for the child if the parents cannot agree, and (3) whether one or both parents may have access to the child during school and authority to check the child out of school. When parents disagree on enrollment decisions for their child, the education plan should be consulted and followed.

3.1.2. Unless otherwise set forth by court order, in cases where parents disagree on enrollment decisions of their child and no education plan is provided to the district, the parent having the child the majority of the time as set forth by court order is designated the custodial parent for purposes of enrollment.

3.2. In certain situations where parental rights have been terminated or suspended, a court may appoint a legal guardian(s) in the best interests of the minor student. In that event, the legal guardian(s) is given the custody rights over the minor student.

3.3. In limited situations as specifically provided by Utah law and this policy, a person who has legal custody over a minor student may issue a Power of Attorney to a responsible adult. In that event, the responsible adult is given the custody rights over the minor student.

4. RESIDENT STUDENTS

4.1. The district may not deny enrollment to a resident student except as permitted by law or other district policy.

4.2. In general, the school district of residence of a minor student is the district in which the student's custodial parent or legal guardian resides, subject to the exceptions described in this section. UTAH CODE ANN. § 53G-6-302(2). Accordingly, a student who lives with the student's custodial parent or legal guardian within the geographical boundaries of Nebo School District is considered a resident.

4.3. A student is also considered a resident of the district under the following conditions.

4.4. **Custodial Parent Lives in Utah**:

4.4.1. State Agency. A minor student is a resident if the student lives in the district and is in custody of or supervised by a Utah State agency (i.e., foster parents), local mental health authority, or substance abuse authority. Documentation of the custody or supervision must be provided to and approved by the Coordinator of School Services.

4.4.2. Child Placement Agency. A minor student is a resident if the student lives in the district and is supervised by an approved child placement agency (i.e., proctor parents). The agency must be licensed by the State of Utah and satisfy all education and support coordination requirements. The agency shall pay all student fees, deposits, or other

Board Approved 7/14/2021

charges in accordance with Utah law and district policy (See UTAH CODE ANN. §§ 62A-2-108.1 and 62A-4a-606). Documentation of the supervision by the agency shall be provided to and approved by the Coordinator of School Services.

4.4.3. Exigent Circumstances. A minor student is a resident if the student lives in the district with a responsible adult resident of the district if a determination has been made by the Coordinator of School Services in accordance with rules made by the USBE that all of the following criteria are satisfied:

4.4.3.1. the student's physical, mental, moral, or emotional health is best served;

4.4.3.2. exigent circumstances exist that cannot be appropriately addressed under the Open Enrollment procedures set forth in Section 6 below (see UTAH CODE ANN. § 53G-6-401, et seq. and UTAH ADMIN. CODE R277-437);

4.4.3.3. the enrollment of the student does not violate any other law or rule of the Utah State Board of Education; AND

4.4.3.4. the responsible adult resident is issued a Durable Power of Attorney by the individual(s) who has legal custody of the minor student granting the responsible adult full authority to take any appropriate action, including authorization for educational or medical services, in the interests of the child.

4.4.4. Human Services Program. A minor student is a resident if the student lives in the district while receiving services from a health care facility or human services program, as defined by Utah law, if a determination has been made by the Coordinator of School Services in accordance with rules made by the USBE that all of the following criteria are satisfied:

4.4.4.1. (a) the student's physical, mental, moral, or emotional health is best served;

4.4.4.2. (b) exigent circumstances exist that cannot be appropriately addressed under the Open Enrollment procedures set forth in Section 6 below (see UTAH CODE ANN. § 53G-6-401, et seq. and UTAH ADMIN. CODE R277-437); AND

4.4.4.3. (c) the enrollment of the student does not violate any other law or USBE rule.

4.5. Custodial Parent Lives outside of Utah:

4.5.1. Relative. A minor student is a resident if the student lives in the district with a responsible adult who is a resident of the district and is the child's noncustodial parent, grandparent, brother, sister, uncle, or aunt, and a determination has been made by the Coordinator of School Services that all of the following criteria are satisfied:

4.5.1.1. the student's presence in the district is not for the primary purpose of attending school;

4.5.1.2. the responsible adult is given authority by a Durable Power of Attorney by the individual(s) who has legal custody of the minor student;

4.5.1.3. the student's physical, mental, moral, or emotional health is best served;

4.5.1.4. the student is prepared to abide by district and school policies and rules, and an appropriate "Provisional Enrollment Contract" is executed; AND

4.5.1.5. tuition is paid.

Board Approval 7/14/2021

4.5.2. Parents Moved from Utah. A minor student is a resident if the student lives in the district with a responsible adult and a determination has been made by the Coordinator of School Services that all of the following criteria are satisfied:

4.5.2.1. The student and the student's custodial parent or guardian previously lived within the geographical boundaries of the district, the student was enrolled in and attending a district school, and the student's custodial parent or guardian has moved from Utah but left the student living within the district's geographical boundaries without unenrolling the student from a district school;

4.5.2.2. The student's parent or guardian has executed a Durable Power of Attorney that delegates powers regarding care, custody, property, and schooling to a responsible adult with whom the student resides;

4.5.2.3. The responsible adult with whom the student resides is a resident of the district;

4.5.2.4. The student's physical, mental, moral, or emotional health is best served by considering the student to be a resident for school purposes;

4.5.2.5. The student is prepared to abide by district and school policies and rules, and an appropriate "Provisional Enrollment Contract" is executed; AND

4.5.2.6. The student's attendance in the school will not be detrimental to the school or district.

4.6. Married or Emancipated

A minor student is a resident if the student lives in the district and is married or has been determined to be an emancipated minor by a court of law or a state administrative agency authorized to make that determination.

4.7. Homeless Students

A minor student is a resident if the student lives in the district and is deemed "homeless" under the *Stewart B. McKinney Homeless Assistance Act, 42 U.S.C. § 11431* (see also Nebo School District Policy JECC, *Students in Homeless Situations*, and UTAH ADMIN. CODE R277-616. All 'homeless" determinations shall be approved by the Coordinator of School Services.

4.8. Interstate Compact on the Placement of Children

A minor student is a resident if the student lives in the district and is supervised by a Utah State agency under the Interstate Compact on the Placement of Children, effectuated through the Utah Department of Human Services and an analogous agency in another state. UTAH CODE ANN. § 62A-4a-701. Tuition must be paid unless the Utah agency has assumed all financial responsibility for the student (see UTAH CODE ANN. §§ 62A-2-108.1 and 62A-4a-606). Student enrollment under this provision requires approval by the Coordinator of School Services.

4.9. Foreign Exchange Students

4.9.1. A minor student is a resident if the student lives in the district and is an approved foreign exchange student by the Utah State Board of Education (i.e., J-1 Visa students). Tuition must be paid unless the foreign exchange program and student satisfy the requirements of UTAH CODE ANN. § 53G-6-707 and UTAH ADMIN. CODE R277-612. Students to be enrolled under this paragraph must be approved by the Coordinator of School Services. Enrollment of the minor student under this provision requires the responsible adult resident to be issued an appropriate Power of Attorney by the individual(s) who has legal custody of the minor student.

Board Approval 7/14/2021

4.9.2. The District does not support F-1 Visa students.

4.10. Military Students

4.10.1. The Coordinator of School Services shall assist in the transfer and enrollment of students whose parents are active duty members of the uniformed services in accordance with Utah law -- the *Interstate Compact on Educational Opportunity for Military Children* (the "Interstate Compact"), UTAH CODE ANN. § 53E-3-901 et seq., and the rules and procedures promulgated by the "Interstate Commission on Educational Opportunity for Military Children," which purpose is to remove barriers to educational success imposed on children of military families because of frequent moves and deployment of their parents by:

4.10.1.1. Facilitating the timely enrollment of children of military families and ensuring that they are not placed at a disadvantage due to difficulty in the transfer of education records from the previous school district or variations in entrance or age requirements.

4.10.1.2. Facilitating the student placement process to accommodate variations between Nebo School District's requirements and the previous school district's requirements related to minimum school age, attendance, scheduling, sequencing, grading, course content, and assessment.

4.10.1.3. Facilitating the qualification and eligibility for participation in educational programs, and in extracurricular, academic, athletic, and social activities.

4.10.1.4. Facilitating the on-time graduation of children of military families.

4.10.1.5. Providing for the uniform collection and sharing of information between and among member states, schools, and military families under the Interstate Compact.

4.10.1.6. Promoting flexibility and cooperation between the educational system, parents, and the student in order to achieve educational success for the student.

4.10.2. The district may not charge tuition to a transitioning military child placed in the care of a non-custodial parent or other person standing in loco parentis.

4.10.3. A transitioning military child, placed in the care of a non-custodial parent or other person standing in loco parentis, may continue to attend the school in which the student was enrolled while residing with the custodial parent.

4.10.4. Provisional Enrollment.

4.10.4.1. An eligible student under this subsection is a student who is a dependent child of a member of the uniformed services who is:

4.10.4.1.1. Relocating to the state and does not reside in the state during the district's enrollment period; or

4.10.4.1.2. relocating out of the state during the school year.

4.10.4.2. Provisional enrollment under this subsection means enrollment in the district by an eligible student

4.10.4.2.1. Before the eligible student relocates to the state, or

Board Approval 7/14/2021

4.10.4.2.2. after the eligible student's parent relocates out of the state, but before the eligible student relocates out of the state.

4.10.4.3. The district shall allow an eligible student to:

4.10.4.3.1. Provisionally enroll in a district school at the same time and in the same manner as individuals who reside in the state, or

4.10.4.3.2. Provisionally enroll in the district's virtual education options in the same manner as an individual residing in the state.

4.10.4.4. The district may not require proof of residency from an eligible student at the time the eligible student applies to enroll in the district. Instead, the district shall require proof of residency within 10 days after the eligible student's first day of residence in the state.

5. SCHOOL AND PROGRAM ENROLLMENT

5.1. Except as provided in this section, an enrolled resident student must be enrolled in the school in which boundaries the student is a resident according to section 4.

5.2. Notwithstanding paragraph 5.1, the district may assign a student to attend a school or program other than that in which the student is a resident.

5.3. In an effort to retain the benefits of neighborhood schools, to maintain strong school and community loyalty, and to promote stability and predictability of student enrollment numbers, it is strongly preferred that students in the district enroll in and attend the schools in the boundaries in which they reside. Notwithstanding this preference, students may attend another school within the district through the Open Enrollment procedures or through an Administrative Transfer. In addition, students who have been enrolled in and attending a school other than their boundary school may return to their boundary school by following the procedures in this section.

5.4. **Students Returning to District Boundary School After Completion of Any Grade Level:** Students who have been or are currently enrolled in and attending a charter school, a private school, a school outside of the district, or a non-boundary school within the district, and who will complete a grade level at that particular school, may enroll in their boundary elementary school, junior high school, or high school, as applicable, for the upcoming school year in accordance with the same enrollment and registration procedures, forms, and timelines established for district students attending their boundary schools. Enrollment and registration information should be submitted as soon as possible, but no later than the first day of school.

5.5. **Students Returning to District Boundary School During the Current School Year:** Students who are currently enrolled in and attending a charter school, a home school, a private school, a school outside of the district, or a non-boundary district school, and who wish to return and enroll in their boundary school may do so in accordance with the conditions set forth below:

5.6. **Elementary and Secondary School:** An elementary or secondary student may return and enroll in their boundary school only within the first two (2) weeks of each term by: (a) providing notice to and properly unenrolling the student from the non-boundary school; (b) providing the boundary school with the student's educational records from the previous non-boundary school; (c) completing the applicable enrollment and registration forms at the boundary school; (d) providing any required documentation and information to the boundary school; and (e) obtaining authorization and approval from the boundary school confirming that there are no current academic, attendance, or behavioral issues or concerns that need to be specifically addressed prior to enrollment.

5.7. **Open Enrollment:** The Open Enrollment option is available to in-district and out-of-district students whose custodial parent(s) or legal guardian(s) live in the State of Utah. Open Enrollment allows a student to enroll in and attend a school in Nebo School District other than the school in

Board Approved 7/14/2021

which boundaries he/she resides. The terms and conditions of the Open Enrollment option are set forth in UTAH CODE ANN. § 53G-6-401, et seq. and UTAH ADMIN. CODE R277-437 (see Section 6 below).

5.8. Administrative Transfer: The district may, in its sole discretion, transfer a student to a nonresident school for special and unique circumstances to address the critical academic needs of a student. Administrative Transfers are generally done in situations when the student's specific academic needs cannot be adequately addressed at the resident school. Some examples of reasons that generally do not warrant an Administrative Transfer include, but are not limited to: (a) the student desires to attend the same school with certain friends; (b) teacher preference; (c) program choice; and (d) athletic participation. Administrative Transfers may be granted for any of the following reasons: (a) student discipline; (b) providing appropriate educational services for "at-risk" students, special education students, and Section 504 students; or (c) any other reason deemed to be in the best interest of the student and/or the district.

5.8.1. Administrative Transfers are reserved only for students who are residents of the district. The principal of the receiving school shall consult with the principal of the resident school to assist in evaluating the transfer. Either or both principals may request a meeting with the student and his/her custodial parent(s) / legal guardian(s) to gather more information relative to the proposed transfer. The district's Director of Elementary Education, Secondary Education, Special Education, or other designated district official may also be involved, as appropriate, in regards to a proposed transfer.

5.8.2. Administrative Transfers of secondary school students shall include a transcript, attendance record, and a discipline report from the resident school. In addition, if a secondary school student desires to participate in Utah High School Activities Association (UHSAA) sponsored athletics, the custodial parent(s) / legal guardian(s) must complete the Nebo School District Athletic Eligibility and Transfer Form(s) and the UHSAA Transfer of Eligibility Forms, if applicable. All transfers must be in compliance with Utah law, Nebo School District policies, Utah State Board of Education rules, and the constitution, bylaws, policies, and rules of UHSAA.

5.8.3. Administrative Transfers should not be utilized if: (a) the reasons do not concern the critical academic needs of a student; (b) the student's specific needs can be adequately addressed at the resident school; (c) there is a need to maintain appropriate student-teacher ratios in a particular grade, class, program, or school; (d) the student has committed serious infractions of the law, violated district or school policies and rules, or has been guilty of chronic misbehavior; (e) the proposed transfer could reasonably cause disruptions in the receiving school or place unreasonable burdens on school personnel; or (f) the proposed transfer is not in the best interests of the student and/or the school.

5.8.4. Administrative Transfers must be approved by both the receiving school and the resident school principals and the respective Director of Elementary Education, Secondary Education, or Special education. An Administrative Transfer may also be initiated and completed by the respective Director of Elementary Education, Secondary Education, or Special Education. The receiving principal may allow for provisional enrollment of the student and establish terms and conditions under which enrollment would be permitted or continued. Such students must remain in good standing by maintaining acceptable behavior, attendance, and grades. If the student fails to abide by these terms and conditions, the student will be returned to his/her resident school. Administrative Transfers are granted on an individual student basis, and there are no transfer guarantees for siblings, neighbors, or friends.

5.8.5. The custodial parent(s) / legal guardian(s) of students who are subject to an Administrative Transfer may be responsible to provide transportation or otherwise assure that the student gets safely to and from school.

5.8.6. Administrative Transfers must be approved when transitioning from elementary school to middle, from middle to junior high, and from junior high to high school.

Board Approved 7/18/2023

5.8.7. In secondary schools, an Administrative Transfer is for all grades within that school. In the event an Administrative Transfer was approved for a particular junior high school, the Administrative Transfer does not extend to the next designated high school in the system.

6. OPEN ENROLLMENT (EARLY AND LATE)

The Open Enrollment option is available only to in-district students and out-of-district students whose custodial parent(s) or legal guardian(s) live in the State of Utah. Open Enrollment allows a student to enroll in and attend a school in Nebo School District other than the school in which boundaries he/she resides. A student has a better opportunity of being accepted through Early Enrollment rather than Late Enrollment. Accordingly, Early Enrollment should be the preferred method of transferring a student. The terms and conditions of the Open Enrollment option are set forth below in this Section 6 and in UTAH CODE ANN. § 53G-6-401, et seq. and UTAH ADMIN. CODE R277-437.

6.1. District Responsibilities:

6.1.1. The district, prior to September 30th, shall provide information about the district and its schools, programs, policies, and procedures to all students who are residents of the State of Utah who have expressed an interest in applying to attend schools in Nebo School District other than their respective school of residence.

6.1.2. The district shall designate which schools and programs will be available for Open Enrollment during the coming school year. The district, in its sole and absolute discretion, may allow a specified number of student openings available through Open Enrollment in certain schools, programs, classes, and/or grade levels which are deemed "closed" as per this policy.

6.1.3. A resident district shall pay to a nonresident district one-half of the resident district's residual per student expenditure for each resident student properly registered in the nonresident district in accordance with applicable Utah laws and regulations.

6.1.4. For each school in the district, the district shall post on its website the following information: (a) the school's Maximum Capacity; (b) the school's Adjusted Capacity; (c) the school's projected enrollment in the calculation of the Open Enrollment Threshold; (d) the school's actual enrollment on October 1, January 2, and April 1; (e) the number of nonresident student enrollment requests; (f) the number of accepted nonresident student enrollment requests; and (g) the number of resident students transferring to another school.

6.2. Application for Early Enrollment

6.2.1. Early Enrollment transfers shall be submitted to the district using the process described on the District website.

6.2.2. Applications must be timely submitted. Applications are accepted beginning December 1st through the third Friday in February for initial enrollment to begin the following school year in the requested school/program of the district. After the third Friday in February, no further applications for Early Enrollment will be accepted.

6.2.3. The student's custodial parent(s) / legal guardian(s) may request on their application a particular school/program from a list of those that are open for enrollment as identified by the district. The district shall determine which schools are open for enrollment during the coming school year. Schools may be closed by the district if the estimated enrollment of the school/program exceeds the applicable Open Enrollment Thresholds for Early Enrollment ("Maximum Capacity").

6.2.4. The student's application shall identify the reason(s) for enrolling in the requested school/program in the district.

Board Approval 1/14/2021

6.2.5. The student's parent or legal guardian shall receive written notification within six (6) weeks after receipt of the application by the district or by March 31st, whichever is later, as to whether the application has been accepted or denied.

6.2.6. All submitted applications must also include a five dollar ($5.00) processing fee.

6.3. Application for Late Enrollment

6.3.1. Late Enrollment transfers shall be submitted to the district using the process described on the District website.

6.3.2. Secondary Schools:

6.3.2.1. When considering Late Enrollment applications for the next school year in secondary schools (which applications are filed at the district office after the third Friday in February through May 31st), custodial parent(s) / legal guardian(s) will generally receive notification of acceptance or denial of the application no earlier than June 1st and no later than June 15th. In the event sufficient information is available and considered, the district may provide notification of acceptance or denial on certain applications prior to June 1st.

6.3.2.2. When considering Late Enrollment applications for the next school year in secondary schools (which applications are filed at the district office on or after June 1st), custodial parent(s) / legal guardian(s) will generally receive notification of acceptance or denial of the application no earlier than August 1st and no later than the Friday before the new school year begins. In the event sufficient information is available and considered, the district may provide notification of acceptance or denial on certain applications prior to August 1st.

6.3.3. Elementary Schools: When considering Late Enrollment applications for the next school year in elementary schools (which applications are filed at the district office after the third Friday in February), custodial parent(s) / legal guardian(s) will generally receive notification of acceptance or denial of the application no earlier than August 1st and no later than the Friday before the new school year begins. In the event sufficient information is available and considered, the district may provide notification of acceptance or denial on certain applications prior to August 1st.

6.3.4. The student's custodial parent(s) / legal guardian(s) may request on their application a particular school/program from a list of those that are open for enrollment as identified by the district. Schools may be closed by the district if the estimated enrollment of the school/program exceeds the applicable Open Enrollment Thresholds for Late Enrollment ("Adjusted Capacity").

6.3.5. When considering Late Enrollment applications during the current school year, custodial parent(s) / legal guardian(s) will receive notification of acceptance or denial of the application within two (2) weeks after receipt of the application by the district. In regards to Late Enrollment applications that are submitted and accepted by the district during the current school year, elementary and secondary students may enroll only within the first two (2) weeks of each term.

6.3.6. The student's application shall identify the reason(s) for enrolling in the requested school/program of the district.

6.3.7. All submitted applications must also include a five dollar ($5.00) processing fee.

6.4. Acceptance and Rejections of Applications.

Board Approval 1/14/2021

6.4.1. Criteria for the acceptance or rejection of Open Enrollment applications include the following:

6.4.1.1. For an elementary school, the capacity of a grade level.

6.4.1.2. For a secondary school, the capacity of a comprehensive program.

6.4.1.3. The ability to maintain a heterogeneous student population.

6.4.1.4. Maintenance of reduced class sizes in a Title I school that uses federal, state, and local monies to reduce class sizes for the purpose of improving student achievement, or in a school that uses school trust monies to reduce class size.

6.4.1.5. Not offering, or having capacity in, an elementary or secondary special education class or other special program the student requires.

6.4.1.6. The willingness of a prospective student to comply with district and school policies.

6.4.1.7. Giving priority to intradistrict transfers over interdistrict transfers.

6.4.1.8. Serious infractions of law or school rules, chronic misbehavior which is likely to endanger persons, property, cause serious disruptions in the school, or place unreasonable burdens on the school staff.

6.4.2. Criteria for the acceptance or rejection of Open Enrollment applications may not include the following:

6.4.2.1. Previous academic achievement.

6.4.2.2. Athletic or other extracurricular ability.

6.4.2.3. Special education services for which space is available.

6.4.2.4. Proficiency in the English language.

6.4.2.5. The student's race, color, religion, gender, national origin, disability, or any other classification protected by law.

6.4.2.6. Previous disciplinary proceedings, except as provided in paragraph 6.4.1.8. Notwithstanding the foregoing, the district may, in its sole and absolute discretion, provide for provisional enrollment of a student with prior behavior problems and establish terms and conditions under which enrollment of the student would be permitted or continued.

6.5. The district office shall provide written notification to the student's parent(s) / legal guardian(s) of acceptance or justification for the rejection of any Early Enrollment applications and Late Enrollment applications within the time periods set forth above.

6.6. The district office shall also provide written notification to the resident school district upon acceptance of a nonresident student for enrollment.

6.7. A student enrolled in a nonboundary school under the Open Enrollment procedures is generally eligible to participate in extracurricular activities at the school consistent with eligibility standards as applied to students that reside within the school attendance area, subject to the following.

6.7.1. Notwithstanding the foregoing, students are subject to eligibility guidelines established by the Utah State Board of Education and UHSAA regarding student participation in

Board Approval 7/14/2021

interscholastic competition. Specifically, there is no presumption of eligibility for participation in UHSAA sanctioned activities for students transferring schools under these Open Enrollment procedures. School transfers may adversely affect the student's eligibility to participate in athletics sanctioned by UHSAA. All transfers must be in compliance with Utah law, Nebo School District policies, Utah State Board of Education rules, and the constitution, bylaws, policies, and rules of UHSAA.

6.7.2. A student's application for open enrollment must be approved before the student may register or try out for any groups or teams associated with that school.

6.7.3. For example, a student may have attended a junior high school under these Open Enrollment procedures. The student's custodial parent(s) / legal guardian(s) would have to submit an application and receive approval for their student to attend a high school that is not the student's resident high school.

6.7.4. Ninth grade students may participate only on teams, groups, and other extracurricular programs of the high school:

6.7.4.1. in which boundaries the student is a resident under section 4;

6.7.4.2. at which a sibling of the student currently attends; or

6.7.4.3. at which the student's custodial parent /legal guardian is employed.

6.7.5. For purposes of subsection 6.7.4:

6.7.5.1. a ninth grade student's resident high school is determined by the address of the student's custodial parent(s)/legal guardian(s) and the school boundary area associated with that address;

6.7.5.2. the "sibling" of the student must meet the qualifications and definition set forth in Section 2.18; and

6.7.5.3. the student's custodial parent/legal guardian must be currently employed at the high school, and must meet the definition of an "employee" as defined in Section 2.7.

6.8. Students who enroll in schools/programs through the Open Enrollment procedures are subject to compliance with all district and school policies, rules, and procedures.

6.9. Once enrolled in a nonresident school, the student may remain enrolled subject to compliance with all district and school policies, rules, and procedures established for all students, and the student is not required to submit annual or periodic applications, until one of the following occurs:

6.9.1. The student graduates from high school;

6.9.2. The student is no longer a Utah resident;

6.9.3. The student is suspended or expelled from school; OR

6.9.4. The district determines that enrollment within the particular school/program will exceed Open Enrollment Threshold capacities.

6.10. The determination of which nonresident student(s) will be excluded from continued enrollment in the nonresident school during a subsequent year (as per Paragraph 6.9.4 above) is based upon time in the nonresident school, with those most recently enrolled being excluded first and the use of a lottery system when multiple nonresident students have the same number of school days in the school. Nonresident students who will not be permitted to continue their enrollment

Board Approval 7/14/2021

shall be notified no later than March 15th of the current school year. Nonresident students may be eligible for relocation in other open schools in the district in accordance with UTAH ADMIN. CODE R277-437.

6.11. The custodial parent(s) / legal guardian(s) of a student enrolled in a school that is not the student's school of residence may remove the student from that school for enrollment in another public school by submitting notice of intent to enroll the student in the district of residence or another nonresident district.

6.12. The district shall designate the schools which students shall attend as they progress from elementary school to middle school, junior high school, and high school. School boundaries are established by the district using nondiscriminatory criteria in order to maintain stability and predictability of student enrollment numbers. Students who attend a nonresident school under the Open Enrollment procedures are not automatically enrolled in the next designated middle school, junior high school, or high school. Students must submit another Open Enrollment application for each school or program.

6.13. A student who is enrolled in a school that is not the student's school of residence because school bus service is not provided between the student's neighborhood and the school of residence for safety reasons: (a) shall be allowed to continue to attend the school until the student finishes the highest grade level offered; and (b) shall be allowed to attend the Middle School, Junior High School and High School into which the school's students feed until the student graduates from high school.

6.14. A student may be allowed to enroll in a nonresident school that is determined to be "closed" by the district due to the Open Enrollment Threshold if: (a) enrollment in a specific school is necessary to protect the emotional or physical safety of a student, based on sufficient documentation and evidence; (b) if a sibling currently attends that school; OR (c) if a parent / legal guardian is an employee of the school. Any school enrollments permitted under the provisions of this paragraph are done so in the sole and absolute discretion of the district.

6.15. No student who resides in the attendance area of a school within the district shall be displaced or excluded because of students transferring from outside the school attendance area under these Open Enrollment procedures.

6.16. Notwithstanding the dates set forth in the policy for submitting applications and notifying custodial parent(s) / legal guardian(s) of acceptance or rejection of applications, the Board of Education may delay the dates if it is not able to make a reasonably accurate projection of the Early Enrollment school capacity or Late Enrollment school capacity of a school due to: (a) school construction or remodeling; (b) drawing or revision of school boundaries; or (c) other circumstances beyond the control of the district. The delay may extend no later than four (4) weeks beyond the date the Board of Education is able to make a reasonably accurate projection of the Early Enrollment school capacity or Late Enrollment school capacity of a school.

6.17. A student who transfers between schools, whether effective on the first day of the school year or after the school year has begun, by exercising an Open Enrollment option under this policy may not transfer to a different school during the same school year by exercising an Open Enrollment option. This restriction on transfer does not apply to a student transfer made for "health or safety reasons." For purposes hereof, "health or safety reasons" are situations in which enrollment in a specific school/program is necessary: (a) to protect the health of the student as determined by a specific medical recommendation from a medical doctor; or (b) to protect the emotional or physical safety of a student, based on documentation/evidence provided by the student's previous school, the custodial parent(s) / legal guardian(s), a clinical psychologist who is tracking the student, or cumulative information.

6.18. Appeal Process:

6.18.1. Denial of the initial or continuing enrollment of a student under the Open Enrollment procedures may be appealed in writing by the student's custodial parent(s) / legal

Board Approved 7/14/2021

guardian(s) to the Elementary Director or Secondary Director, or their respective designee, within ten (10) calendar days from the date of the notice of the denial. Failure to appeal within the above time period shall constitute a waiver of rights to contest the denial of enrollment.

6.18.2. The Elementary Director or Secondary Director, or their respective designee shall form an appeals committee that shall hear and rule on all Open Enrollment appeals. The parent(s) / legal guardian(s) pursuing the appeal must present persuasive evidence to the Appeals Committee that the Open Enrollment application was inappropriately denied. The Appeals Committee shall render a written decision to the student's parent(s) / legal guardian(s), including a statement of their right to request in writing a review by the Superintendent, or his/her designee, within ten (10) calendar days.

6.18.3. If no request for an appeal is received within the ten (10) calendar days, the Appeals Committee's decision is final. If a request for an appeal is received within the time period, the Superintendent, or his/her designee, shall review the Appeals Committee's decision and either uphold or overturn it. The Superintendent or designee shall communicate his/her decision to the student's parent(s) / legal guardian(s). The Superintendent's, or his/her designee's, decision shall also include a statement of their right to request in writing an appeal before the Board of Education within ten (10) calendar days.

6.18.4. If no request for an appeal is received within the ten (10) calendar days, the Superintendent's, or his/her designee's, decision in final. If a request for an appeal is received within the time period, the Board of Education shall schedule and conduct a hearing and issue a written decision to the student's parent(s) / legal guardian(s) concerning the enrollment. The Board of Education's decision is the final decision of the district. The Board's decision shall be upheld in any subsequent judicial or non-judicial proceedings unless the Board's decision is found, by clear and convincing evidence, to be in violation of applicable law or regulation, or to be arbitrary and capricious.

6.19. Funding:

6.19.1. A nonresident student who enrolls in Nebo School District is considered a resident of this district for purposes of state funding.

6.19.2. A resident district shall pay the nonresident district for each of the resident district's students who enroll in the nonresident district one-half (½) of the amount by which the resident district's per student expenditure exceeds the value of the state's contribution, and if a student is enrolled in a nonresident district for less than a full year, the resident district shall pay a portion of the amount set forth above based on the percentage of school days the student is enrolled in the nonresident district.

6.20. Transportation: The custodial parent(s) / legal guardian(s) of students enrolled in a school/program under these Open Enrollment procedures are responsible to provide transportation or otherwise assure that the student gets safely to and from school, unless otherwise specified in a student's Individualized Education Program (IEP) or a Section 504 Accommodation Plan. The district may provide bus transportation for nonresident students on a "space available" basis on established and approved routes within the district to the school/program of attendance so long as the student's presence does not increase the cost of the bus route.

7. STUDENT REGISTRATION FOR UTAH RESIDENTS

In order to comply with Utah law and to insure proper student placement, Nebo District requires the following documents and information to be provided to the school prior to student registration of Utah residents:

Board Approved 11/14/2021

7.1. A certified copy of the student's birth certificate. In the absence of a birth certificate, other sufficient and reliable documentation proving the student's identity and age must be provided to the school along with a signed and notarized affidavit explaining why a birth certificate cannot be provided.

7.2. A complete and updated immunization record. In the absence of an immunization record, an immunization exemption form must be completed and submitted to the school, as more fully described in Nebo School District Policy JHCB, *Immunization of Students*.

7.3. Proof of residency, including records of mortgage payments or lease payments, an affidavit from the landlord, utility bills, valid driver's license, vehicle registration, valid passport, voter registration documentation, and church or religious records.

7.4. For secondary students, a report card or check-out form from the previous school attended, along with a copy of the student's transcript or transcript authorization request.

7.5. The payment of student fees, or waiver of fees documentation has been completed and submitted to the school.

7.6. The student's cumulative educational file and other educational records or information relevant to the student.

8. STUDENT REGISTRATION FOR NON-UTAH RESIDENTS

In order to comply with Utah law and to insure proper student placement, Nebo District requires the following documents and information to be provided to the school prior to student registration of non-Utah residents:

8.1. Schools shall not register nonresident, foreign exchange, or privately placed foreign students without authorization from the Coordinator of School Services.

8.2. Students whose custodial parent(s) / legal guardian(s) are not a resident of the State of Utah may be required to pay tuition. If applicable, tuition shall be paid in full prior to the enrollment and registration of the student in school. Tuition determinations and payments shall be handled by the Coordinator of School Services.

8.3. All documentation and information described in Section 7 above.

8.4. The payment of student fees, or waiver of fees documentation has been completed and submitted to the school.

FOOTNOTES

[1] A "minor student" is under the age of 18 years. Students 18 years of age or older are adults and entitled to choose their own residence. Students may be required to conform to the same rules as minors if they wish to attend the regular high school instead of the adult high school.

[2] Agency must be licensed by the State of Utah and meet education support and coordination requirements. Agency shall pay student fees, deposits, or other charges in accordance with state law and district policy. (See UTAH CODE ANN. §§ 62A-2-108.1 and 62A-4a-606).

[3] A resident 21 years of age or older who is willing and able to provide reasonably adequate food, clothing, shelter, and supervision for the child (see UTAH CODE ANN. § 53G-6-303(1)), and a determination has been made in accordance with district policy that all of the following criteria are satisfied:

1. The student's physical, mental, moral, or emotional health is best served;
2. Exigent circumstances exist that cannot be appropriately addressed under UTAH CODE ANN. § 53G-6-402 ("Open Enrollment"); AND
3. Enrollment does not violate any other law or rule of the Utah State Board of Education.

[4] A "minor student" (under 18 years of age) can only be emancipated by: (a) marriage; (b) court order; OR (c) determination by an authorized state administrative agency.

[5] A "minor student" (under 18 years of age) who does not have a fixed, regular, and adequate residence. (See UTAH ADMIN. CODE R277-616 and *Stewart B. McKinney Homeless Assistance Act*, 42 U.S.C. § 11431, et seq.).

[6]

[7] The student may be admitted as a resident if: (a) the student resides with responsible adult; (b) the responsible adult obtains an appropriate Power of Attorney from the custodial parent; (c) the responsible adult is willing and able to provide reasonably adequate food, clothing, shelter, and supervision for the child (see UTAH CODE ANN. § 53G-6-303(1)); AND (d) a determination has been made in accordance with district policy that all of the following criteria are satisfied:

1. The student's physical, mental, moral, or emotional health is best served;
2. The student is prepared to abide by district and school policies and rules, and an appropriate "Provisional Enrollment Contract" is executed; AND
3. Tuition is paid.

[8] A legal contract between states which must be effectuated through Utah State Human Services and an analogous agency in another state. (See UTAH CODE ANN. § 62A-4a-701, et seq.)

[9] Student must be admitted to school. Tuition must be paid unless the Utah State agency has assumed all financial responsibility for the student in which case the student is to be viewed as falling under category 1. b. (See UTAH CODE ANN. §§ 62A-2-108.1 and 62A-4a-606).

[10] Exchange program and student must satisfy requirements of UTAH CODE ANN. § 53G-6-707 and UTAH ADMIN. CODE, R277-612; otherwise student pays tuition.

[11] A Power of Attorney issued by the party who has legal custody of the minor student designating the "responsible adult" as the student's custodian and granting the "responsible adult" authority to take any appropriate action on behalf of the student, including authorization for education and medical services in the interest of the student. A Power of Attorney does not confer legal guardianship (see UTAH CODE ANN. § 53G-6-302(4)). Both the granting party and the "responsible adult" empowered by the Power of Attorney shall agree to:

1. Assume responsibility for any fees or other charges relating to the child's education; AND
2. If eligibility for fee waivers is claimed, provide the district with all financial information requested by the district for purposes of determining eligibility for fee waivers. (See UTAH CODE ANN. § 53G-6-302(3)).

[12] Follow procedures set forth in Nebo School District Policy JECB, *Student Enrollment and School Transfer*. (See UTAH CODE ANN. § 53G-6-302 and UTAH ADMIN. CODE, R277-437).

[13] Generally, a legal guardianship is the preferred way in which to enroll a student who lives in the district but whose parents live outside the state of Utah.

[14] "Administrative Transfers" are reserved for resident students and are permitted in very special and unique circumstances to address the critical educational needs of a student. Administrative Transfers require the approval of the principals of both the receiving school and the sending school and the respective Director of Elementary Education, Secondary Education, or Special Education. Administrative Transfers may also be effectuated by the respective Director of Elementary Education, Secondary Education, or Special Education. Students transferred on Administrative Transfer are also generally placed on a "Provisional Enrollment Contract" which lists conditions of attendance in relation to behavior, grades, and attendance.

1. PURPOSE AND PHILOSOPHY

1.1. The Board of Education of Nebo School District recognizes that while a student's parent is the primary person responsible for the student's education, under Utah's compulsory education laws parents are generally required to enroll their children in school unless an exemption is granted. The law outlines specific exemptions that may be granted by the Board, including for a student who will attend a home school.

1.2. This policy sets forth the requirements and procedures to be followed by students, parents, and the District in order for a compulsory education exemption to be granted.

2. DEFINITIONS

2.1. "**Home school**" means a school comprised of one or more students officially excused from compulsory public school attendance under this policy and UTAH CODE ANN., § 53G-6-204.

2.2. "**Parent**" means a custodial parent, legal guardian, or other person with the same authority as a custodial parent or legal guardian.

2.3. "**Private school**" means a school satisfying the following criteria:

2.3.1. Maintained by a private individual or corporation;

2.3.2. Maintained and operated not at public expense;

2.3.3. Generally supported, in part at least, by tuition or fee charges;

2.3.4. Operated as a substitute for, and giving the equivalent of, instruction required in public schools;

2.3.5. Employing teachers able to provide the same quality of education as public school teachers;

2.3.6. Established to operate indefinitely and independently, not dependent upon the age of the students available or upon individual family situations; AND

2.3.7. Licensed as a business by the Utah Department of Commerce.

2.4. "**Minor student**" or **"Student"** means a person who is at least six years old, but younger than 18 years old, and is not emancipated according to Utah law.

3. COMPULSORY EDUCATION

3.1. Except as otherwise provided in this policy, the parent of a minor student is required to enroll and send the student to a public or regularly established private school. UTAH CODE ANN. § 53G-6-202. A public school may include a District school, a school in another district wherein the student may be legally enrolled, or a charter school. A student who is not attending a public school or a regularly established private school must obtain an exemption certificate as provided herein.

3.2. The District may issue a notice of compulsory education violation to a parent of a student in grade 1 through 6 in accordance with Nebo School District Policy JDI, *Elementary Attendance*.

3.3. In accordance with Nebo School District Policy JDH, *Secondary Attendance*, the District may issue a notice of truancy to a student who is in grade 7 or above and who is at least 12 years old and who is truant, as well as to the student's parent.

3.4. The District shall report compulsory education violations to the appropriate city, county, or district attorney as required by law. UTAH CODE ANN. § 53G-6-202.

4. EXEMPTIONS

4.1. Board Release

4.1.1. Students who meet one or more of the following conditions to the satisfaction of the Board shall be exempt from the compulsory education requirements and shall be given a certificate stating that the student is excused from public school attendance during the time specified on the certificate.

4.1.1.1. A student over age sixteen (16) may receive a partial release from school to enter employment or attend a trade school if the student has completed the eighth (8th) grade. Minor students receiving this exemption must still attend school or home school part-time as required by the Board.

4.1.1.2. On an annual basis, a minor student may receive a full release from attending a public, regularly established private, or part-time school or class if any one of the following is established to the Board's satisfaction:

4.1.1.2.1. The minor student has already completed the work required for graduation from high school;

4.1.1.2.2. The minor student is in a physical or mental condition, certified by a competent physician, which renders attendance inexpedient and impracticable;

4.1.1.2.3. Proper influences and adequate opportunities for education are provided in connection with the minor student's employment; OR

4.1.1.2.4. The Superintendent determines that the minor student, if over the age of sixteen (16), is unable to profit from attendance at school because of inability or a continuing negative attitude toward school regulations and discipline.

4.2. Home School Exemption

Board Approval 7/14/2021

4.2.1. The Board will excuse a student from attendance if the student's parent files a signed and notarized Home School Affidavit with the District, as described in section 5, stating that:

4.2.1.2. the parent assumes sole responsibility for the education of the student, except to the extent the student is dual enrolled as provided in section 8.

4.2.1.3. A parent of a minor student who attends a home school is solely responsible for:

4.2.1.3.1. The selection of instructional materials and textbooks;

The Home School Affidavit shall contain the following information:

5.1.1. The parent's name, address, and telephone number;

6. ISSUANCE OF EXEMPTION CERTIFICATES

6.1. For a board release under subsection 4.1, a certificate may be issued according to the following procedures.

6.1.1. The Coordinator of School Services will evaluate each proposed compulsory attendance exemption submitted under subsection 4.1 and make a recommendation to the Superintendent regarding whether to issue an exemption certificate to the parents.

Board Approval 7/14/2021

For all Board approved exemptions under subsection 4.1, the Superintendent or designee shall sign the Certificate.

6.2. For a Home School Exemption under subsection 4.2, the following procedures apply.

6.2.1. Within 30 days after receipt of the signed and notarized affidavit described in section 5, the Board shall approve the exemption.

6.2.2. A copy of the affidavit serves as a certificate exempting the student from attendance.

9.1. Students who have attended a home school pursuant to section 5 above may enroll in the District's schools consistent with Nebo School District Policy JECB, *Student Enrollment and School Transfer* and subject to all eligibility requirements imposed by District policy and state and federal laws and regulations.

9.2. When a home school student transfers from a home school to a school within the District, the District will place the student in the grade levels, classes, or courses that the student's parent or guardian, in consultation with the school administrator, determine are appropriate based on the parent's or guardian's assessment of the student's academic performance. UTAH CODE ANN. § 53G-6-706.

9.2.1. Within 30 days of a home school student's placement in a school grade level, class, or course, either the student's teacher or the student's parent or guardian may request a conference to consider changing the student's placement.

BOARD MOTION

Proposed Motion
I make the motion to adopt the Board Resolutions approving the acquisition of approximately 0.17 acres of land located in Payson, Utah (Tax Serial No. 30:027:0023) from the Estate of Steven Cannon for the purchase price of Twenty-Seven Thousand Dollars ($27,000).

BOARD RESOLUTION

RESOLVED that, after due consideration, the Board of Education of Nebo School District hereby approves the acquisition of approximately 0.17 acres of land located in Payson, Utah (Tax Serial No. 30:027:0023) from the Estate of Steven Cannon for the purchase price of Twenty-Seven Thousand Dollars ($27,000).

FURTHER RESOLVED that the above-described property is to be conveyed via a Personal Representative's Deed between Gary Cannon, as Personal Representative of the Estate of Steven Cannon, deceased, as Grantor, and the Board of Education of Nebo School District, as Grantee, in the form attached hereto.

FURTHER RESOLVED that the Board of Education directs District legal counsel and administrative staff to complete the property transaction as soon as reasonably practicable.

– SEE ATTACHED PERSONAL REPRESENTATIVE'S DEED –

BACKGROUND INFORMATION

The property (0.17 acres – Tax Serial No. 30:027:0023) is a remnant parcel from an oversized section located adjacent to Nebo School District's Payson Bus Compound (the "Cannon parcel"). The Cannon parcel is currently owned by Steven Cannon, deceased. Nebo School District, Payson City, and Strawberry Water User's Association have been working and negotiating with the Cannon family's attorney (Richard L. Petersen) to acquire the Cannon parcel. After obtaining two appraisals, a title report, and other information on the Cannon parcel, all parties have jointly agreed to acquire the Cannon parcel for the total amount of $27,000. Because Nebo School District has the majority interest in the Cannon parcel, Nebo School District will take the lead on acquiring the Cannon parcel from the Estate of Steven Cannon. Following the acquisition of the Cannon parcel, Nebo School District will coordinate with Payson City and Strawberry Water User's Association to survey the property and to draft, execute, and record Quit-Claim Deeds and/or Boundary Line Agreements to allocate the Cannon parcel to the respective adjacent property owners. In consideration for their respective portions, Payson City will reimburse Nebo School District the amount of $2,100, and Strawberry Water User's Association will reimburse Nebo School District the amount of $6,000.
