The purpose of ~~the C-1 Neighborhood Commercial, C-2 Community Commercial, and C-3 Regional Commercial Zones~~ is to provide suitable areas for the location of the various types of commercial activity needed to serve the people and commerce of West Haven. It is also to separate into four zone uses, based upon type of activity that are compatible and complementary, as well as intensity of land utilization and accessory use needs "C" (commercial) zoning districts are intended to provide area for commercial uses based on considerations such as: the intensity of the use, goods and services provided, and the market area. In all cases, these zoning districts shall abut an arterial or major collector street. All permitted uses in C-3 are allowed within the Manufacturing Zones.

1. The C-1 – **"Neighborhood Commercial"** zone is intended to provide commercial services to an area of limited size, for basic trade and personal services which occur regularly or frequently. The major market area for this zoning district is the adjacent residential areas. This type of zoning district should be located at the intersection of arterial or collector streets. It services both pedestrian and vehicular traffic.
2. The C-2 – **"Community Commercial"** zone is to provide a range of commercial uses greater than that of the C-1, but at a lower intensity than the C-3- Regional Commercial zone.
