### **DETAILED REASON AND EXPLANATION FOR REQUEST:**

The Utah County Commission has imposed a tax on restaurants throughout the county to create a funding source for recreation and tourism in Utah County. This tax is known as the Tourism, Recreation, Culture, and Convention Tax (TRCC) and is used to fund large county-wide projects (i.e. convention center) and local improvements. Utah County has allocated \$300,000 for the Municipal Recreation Grant program and is divided among the municipalities based on Census population estimates. The grant amount available to Payson is \$9,798.32.

To ensure eligibility, the project must involve the development or construction of tourism, recreation, cultural, or convention facilities. For the past decade, the money has been used by several city departments, including parks, recreation, golf course, and economic development. The 2020 grant helped fund the new Payson Branding Video.

Staff is proposing to use the 2021 allocation to complete improvements to the Historic Bandstand in Memorial Park. This facility is the venue for many recreation, tourism, and cultural events and restoration and repairs are needed. Staff is seeking support of this project and authorization to submit the grant application.
