

A photographic look at Kearns & Magna through the eyes of our visitors.

If you want to increase your sales (local retailers, restaurants, lodging facilities) or want to make Kearns & Magna a better place to live, work, and visit, you won't want to miss this entertaining and engaging presentation!

We've been secretly-shopped! Over several days the Roger Brooks Team photographed our town, from top to bottom, and will show us what they found, what works, what doesn't and what we can do better – as a community and as local businesses – no holds barred!

For every challenge they uncover they'll show us, photographically, how to make it better, using low cost solutions. It will be entertaining, enlightening, and will be one of the best presentations you've seen. You will love it!
