Tami

- Tami has been talking to Shae and she is wondering if there is a different solution to watering the lawns. The sprinklers keep breaking and there are burn spots where it was fertilized and not watered. Justin thinks that we should just move forward with getting the new sprinkling system this fall. Tami suggests reducing the area to be watered such as zero landscaping.
- Tami asks who put up the 15 mph signs. Mayor Cox states that he put them up to try and slow the traffic down. Stacey and Yvonne will put the speed limit notice on the water bill.
