Discussion

Class Sizes

According to the enrollment information, there are 200 more students registered this year than were registered for the 2012-2013 school year. One of the biggest changes in the elementary schools is at Trailside. There has been an increase at Treasure Mountain Junior High and Ecker Hill has had a larger enrollment than anticipated. In looking at secondary class sizes there are some choices that need to be made in the budget. There will be a committee put together to look at high performing schools that will start to look at scheduling and class sizes, and they will report back to the Board.

Race for Relevance

Race for Relevance looks at governance and Board governance in organizations. It talks about the new normal and business is no longer "business as usual". We need to look at who we are serving and the generational differences.

The Board discussed the book and the next action steps.
