4. **Landscaping/Trees at New Park- Kevin Norman-** Kevin was not able to attend the meeting.
5. **Unfinished Business-**
Non-Compliant Property Clean-up- Mayor Little would like to postpone the remainder of the clean-up that was supposed to be done this week at the Derricott property. He has reached out to some disaster clean up properties to come do the footwork to clean the items around the house. He is a little concerned that he doesn't have direction on what items would be considered junk and what items are considered usable closer to the house. There are a lot of small items surrounding the house.
6. **New Business-**
New Park Paving- Mayor Little has gotten 4 bids on paving at the new park. The bids are for between 28k and 40k square feet depending on the specific areas to be paved. The 4 bids were from LeGrand Johnsons, Parsons, Top Job Asphalt, and New Age Asphalt. The bids range from \$1.40 per square foot, to \$1.70 per square foot. The Council discussed how much of the parking lot should remain dirt for horses and trailers to park and unload on. The Council thinks the north part of the large parking lot could be paved for soccer paving, then leave the rest dirt for horse unloading and loading and 4h kids and animals.
