

**TOWN OF GOSHEN, UTAH**  
**NOTICE OF PUBLIC HEARING**

NOTICE IS HEREBY GIVEN of a public hearing to be held by the Town of Goshen, Utah (the "Town") on September 14, 2021 at 7:00 p.m. at the Goshen Town Hall at 10 West Main Street, Goshen, Utah. The purpose of the public hearing is to hear comments regarding the proposed imposition or increase of water rates and to explain the reasons for the proposed imposition or increase.

The Town has applied to the United States Department of Agriculture ("USDA") for financial assistance consisting of a grant in the amount of \$1,130,000 and a loan in the amount of \$3,068,000 bearing interest at a rate of 1.75%, to be used in the construction of water system improvements. Security for the loan would be provided through the sale of a "nonvoted" water revenue bond to USDA. The bonds will be repaid to the USDA over a period of 40 years. Payments shall be made from the net revenues of the water system. In this connection, the Town Council intends to impose or increase water service fees.

In this regard, the Town wishes to solicit the comments of water users (either favorable or negative). All members of the public are invited to attend and may speak for or against the proposed fees.

After holding the public hearing on the service fees, the District board may (a) increase the existing fees as proposed; or (b) adjust the amount of the increase of the existing fees, or (c) decline to increase the existing fees.

For a copy of the proposed fees, please contact the District Office.
