Mayor Jed Maxwell
Newell Hales
Jon Maxwell
Earl Taylor
Cade Hunter
Daniel Viers excused

Ashlee Larsen, City Recorder
Kathy Maxwell, City Treasurer
Brad Allen Maintenance Supervisor
Rodger Brazell Maintenance Supervisor

VISITORS PRESENT FOR WORK MEETING: None

AGENDA TOPICS:

Mayor Jed Maxwell Review City Hall called the work meeting to order at 8:20 p.m. at the Salina City Hall.

Discuss new Salina City Hall; Mayor Maxwell asked if the power, gas, and phone lines have been disconnected from Swell Motors, The Police Station, and the rock house located on Main Street. **Earl Taylor** stated the power is disconnected to all three buildings, **Ashlee Larsen** stated we are still waiting for the gas lines to be dug up and capped, they are about a week out. Century Link will disconnect the phone line at the Police Station in a couple days. **Mayor Maxwell** stated he spoke with Kevin Mickelsen about the Salina City office plans, and his concerns of the new building not fitting on the foundation. **Mayor Maxwell** stated he will reach out to Ryan Savage to receive the Architect's name and number to review the new city plans, because he has several questions and concerns about the plans. **Mayor Maxwell** stated after he meets with the Architect he will do a follow-up at the next scheduled city council meeting.

Mayor Maxwell spoke about the property, Salina City purchased next to NS Rec. to place a new park. The property was surveyed and staked today. **Mayor Maxwell** stated the property ended up with (6) six extra feet on the property next to the road and (3) three extra feet on the property next to the NS Rec. fence. **Mayor Maxwell** thanked Salina City Maintenance Crew for cleaning up the property, so they can plant several trees.

Newell Hales spoke about the sidewalk that needs to be repaired and finished on 300 West. **Hales** reached out to several contractors and most of them are too busy to help finish and repair the sidewalk. **Hales** spoke about repairing the sidewalk by drilling a hole and adding foam, once you add the foam you can pump up the sidewalk into place that has sunk. **Rodger Brazell** explained he has seen this done several times and it works well. **Newell Hales** stated he reached out to Aaron Richards a Salina City Resident who does this type of work on the side and he is willing to give Salina City a bid to repair the sidewalk on 300 West.

Mayor Maxwell asked Council if they want to demo the buildings on Main Street or hire a contractor. **Rodger Brazell** stated he will call Wheelers to see if Salina City can use their

excavator to demo the buildings on Main Street next week after he's back from training. **Mayor Maxwell** also spoke to Kevin Mickelsen about rebidding the lumber for the City Office since the prices have gone down.

Cade Hunter motioned to adjourn the City Council at 8:29 p.m. **Jon Maxwell** seconded. Motion carried 4 to 0.
