Agenda Item 2- Wellington Police Reserves.

Best steps to rebuilding Wellington City Police Department

Mr. Schindler talked to Trent Anderson. Anderson has accepted to help Wellington City Police Department. Anderson will be Wellington City's Interim Chief of Police until a new Chief is hired. Officer Shawn Sackett expressed his concerns that the city needed someone who would head the department while it was being reconstructed. There was discussion about Wellington City's evidence room and the work needed to put it in order. Reserves feel that a Chief and a Full time Officer would be

the best way to reconstruct the Wellington Police Department. Sacket feels that contracting with the county or the Price City police would be giving up control of the city.
