Agenda Item 2

Wellington Microtech LLC – Addendum 5 to Extend Real Estate Purchase Contract for 1B-0292-0000.

Mike McCandless and Michael Roberts came to update City Council about their company, Wellington Microtec. They stated that much of the future of their business is riding on a decision from Utah State to locate a trans continent business hub to the Ridge Road area. The hub that would include the railroad and access to Hwy 6. Wellington Microtec will be using Wellington City's sewer lines. They have to build their own waste water treatment plant. Microtec would need both city and county water. Microtec is

willing to include the firefighting equipment and training for fire fighters. Microtec will have their own fire truck and foam pumping truck

Council Reports

Perea discussed the meter projects and bids. They are having trouble getting bids.

Perea said the trail is moving forward and she needs contact Rachael about the grant, which will come to an end September 2021. Council member Perea has not heard anything about the Wayfinding grant. She is looking for cemetery grants.

Glen Wells would like to put something in the newsletter about conserving the water.

Mayor Reports

Price City thanked Wellington Fire department for helping with the cleanup at Pioneer Park after the storm blew 3 large pine trees over.
