MAYOR, COUNCIL AND ADMINISTRATIVE REPORTS:

Steven Lord stated that the last stage of slurry seal will begin this month. Cl. Jones thinks there needs to be better communication when roads are going to be closed. Steven stated he would like to have a road closure map and have it on the website at all times.

The signal got turned on today at Hwy 89 and 800 South. The bike lanes are almost done as well as the sidewalk plan.

Chief Jackson stated he is glad that the traffic signal is on. He will still have a few officers at the light for a few days. There are about 15 kids in the morning and 40 in the afternoon.

Officer Hatch had an interesting encounter with a few individuals that were out of gas in the Maverick parking lot at 3:00 am. She bought them gas out of her pocket. A few nights later the same vehicle was at the Maverick again. This time they were pulling a trailer and they broke down. She ended up finding drugs in the vehicle. They were arrested. He wants to thank her for her hard work in these situations.
