Mayor Jed Maxwell Swimming Pool Update/Maintenance Department called the work meeting to order at 8:17 p.m. at the Salina City Hall.

Salina City Swimming Pool; Mayor Maxwell stated he spoke with Singing S Pools, they agreed to contact the water line company to fix the broken water line. Singing S will come down to drain the swimming pool and get everything ready for the company to reshoot the line. Salina City is responsible for the cost to reline the pipe and Singing S Pools will cover the rest of the work. Singing S Pool will help winterize the pool for the season. **Jon Maxwell** addressed his concerns on the lights being loose in the swimming pool. He would like them fixed before the next season. **Mayor Maxwell** stated he will contact Singing S Pools and have them email an agreement that states they will follow through with what they agreed upon, before Salina City will issue final payment.

Maintenance Department; Mayor Maxwell stated he spoke with Earl Taylor and they are concerned with the Maintenance crew having excessive amount of overtime hours. They suggested taking the flowers down off Main Street to help reduce the overtime. **Jon Maxwell** asked why the Maintenance Crew can't water the flowers during their work hours. **Mayor Maxwell** suggested bidding out the watering of the flowers to a private contractor or hiring someone from Ensign Staffing. **Mayor Maxwell** asked Allen if the flowers must be watered daily. **Allen** stated yes, otherwise they will die. **Newell Hales** asked what happened to the kid they hired during the summer. **Mayor Maxwell** stated now that school and sports have started he no longer has time, so the Maintenance are now watering the flowers. **Cade Hunter** suggested hiring two life guards to help water the flowers on Main Street during the Summer to offset their camps and vacations.

Mayor Maxwell thanked the Maintenance Crew for all their hard work.

Mayor Maxwell spoke about the Airport receiving a new runway and the great benefits it brings to our small community.

Cade Hunter motioned to adjourn the City Council at 8:43 p.m. **Newell Hales** seconded. Motion carried 4 to 0.
