What is your motivation for service on this/these committee(s)?
I feel that if I live in Payson and partake of the benefits that it has to offer, I should become involved and try to help improve it. I know of people who have lived here for years and have not been part of the community. I care about this city.

How does your background training and experience lend itself to service on this/these committee(s)?
I am currently on the PARC committee. I was on the original committee that set it up. I have valuable experience of being on it and knowledge of its policies.

Please list any relevant areas of expertise, education, or training you possess that will be helpful for service. I am a member of the Payson City Band, Payson Civic Chorus and volunteer at the Petsetneet. I am aware of their needs as well as other entities of the city. I have a desire to help them and consequently improve the city. I understand the PARC tax application, the PARC Reimbursement Request and the policies that govern it all. I like and work well with the other members of the committee.

PARKS, ARTS, RECREATION AND CULTURAL (PARC) COMMITTEE

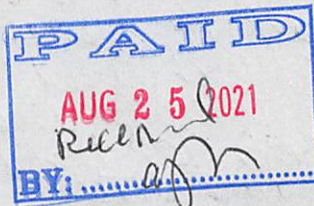

Payson City is now accepting applications for those interested to serve on the Parks, Arts, Recreation, and Cultural (PARC) Committee. In 2016, 62% of the Payson City voters approved a 1/10 of 1% (0.1%) increase in the local sales and use tax as a means of enhancing funding for local recreational facilities and cultural organizations within Payson City.

The PARC Committee shall review all proposed projects and all mini grants and provide the City Council with recommendations on projects, needs, suggested funding areas, recommended grants, needed facilities, etc. The City Council will give heavy consideration to the recommendations and make the final determination in distributing the PARC funds.

Those interested can visit paysonutah.org or the city offices to obtain an application. Applications must be submitted to the Payson City Recorder no later than 6:00 p.m. on September 7, 2021.

My name is Colleen Wilson. I am currently serving on the PARC Committee and would like to do so again since my term is expiring. I love Payson and enjoy serving in this capacity. I grew up in Payson and graduated from Payson High School. We moved away for employment, but were excited when we were able to come back to raise our children here. I have had 2 years of college and a lot of training in my vocation. I was a medical secretary during my working years, working at the hospital and various medical offices. I retired from Canyon View Medical Group after 25 years. I was the clinic secretary. Among my duties was reminding 20 Doctors of their various meetings. I have very good organizational skills. I was also the HIPPA Officer and have had extensive training in what is legal in privacy laws.

I am involved with several organizations that ask for PARC monies. I am the secretary of the Payson City Band, the vice president over activities and fund raising for the Payson Civic Chorale and I volunteer at the Peteetneet and I am also the secretary of the Historical Society affiliated with it. I am aware of some of their needs; but I also realize there are other entities in the City that benefit from the PARC Tax. I have tried to be fair and give equal consideration to all parties who have applied. I have enjoyed my tenure in the PARC Committee and feel that I still have much to contribute.
