Exhibit A

13.20.050 Rates and fees.

The city council shall from time to time by resolution establish such rates and fees as it deems proper for the water service provided by the city and the uses made thereof by the users. In establishing rates, the city council may classify the type of service provided and the uses made of the water system and provide different rates for the classifications so made. All rates and fees promulgated by the city council shall be made public records, filed with the city recorder, and be available for inspection by any person during normal business hours. Each property connected to service shall be liable for the payment of all charges and each property owner accepts service on the terms required herein. Accounts for utility services shall be in the name of the property owner.
