Bryan calls the meeting to order and opens the discussion of the proposed changes to Chapter 4 of the Land Use Ordinances worked out by Joseph Papenfuss, Larry Woodcox, and Shelith Jacobson.

- Section 4.1 – Add that the ex-officio member of the Planning Commission is not a voting member of the Commission. Revise wording to state that alternate members are voting members when utilized to form a quorum.
- Section 4.2 – Change terms of all Planning Commission members (except the ex-officio member) to 5 years. Since the Commission is already established, remove the requirement for the staggering of terms. Add review and renewal or replacement by the Mayor and City Council at the end of the 5-year term and allow that a Planning Commission member may resign at any time. Reviews will be done in September and unexcused absences will not necessarily be consecutive to constitute non-performance of duty.
- Section 4.4 B – QUORUM – A majority of ~~voting~~ members present at a meeting shall be required for any action and no less than three ~~four~~ yes votes are required for passage of any action.
- Bryan closed the Public Hearing at 7:17 pm.
