Good Morning Russ here is a little information about me. My name is John Hansen. I was born and raised in Orem and Pleasant Grove.

I am have been married to my wife Yvonne for 36 year. We have 4 children and 13 grandchildren. Before coming to Logan we lived in South Carolina for 10 years.

Presently I am a small business owner and have been for 3 years. The name of the business is

The Duct Hunter and Chimney Sweep. Before that I worked in maintenance and various managerial positions. Working in these positions I have developed excellent people skills. I also have given service in other areas as well. I am a recreational golfer and have e been a number of years. I would like to see Logan River Golf course be the go to golf course in Cache County. I think it has a lot of potential in this area. I would be honored to serve on the golf course committee and help make Logan a better place.

Thanks for your consideration

John Hansen
