

September 2,, 2021

To Washington County School District Board of Education,

We would like to make some changes to our 2021-2022 TSSA Spend Plan due to a couple of unforeseen circumstances. We had originally planned on funding TWO Wellness Paras for the 2021-2022 school year out of TSSA to run our Fossil Ridge Wellness Room. Due to the loss of one of those paras to a new position in the district, and the fact that we carried over less money than we had anticipated, we would like to eliminate ONE Wellness Para position from our TSSA Spend Plan. This change in personnel will not impact the operations of our Wellness Room on a daily basis. With the funding that remains we would like to allocate that money to go toward the purchase of a new set of chromebooks to ensure that all students have access to a computer in every classroom at Fossil Ridge, as well as create a buffer for any chromebooks that are damaged during the 2021-2022 school year. Thank you for your consideration and understanding regarding this matter.

Sincerely,

Jonathan Howell
