

Storm Water Advisory Board Meeting

***Tuesday, October 20, 2009
Public Works Conference Room #260
West Valley City Hall, 3600 S. 2700 W.
3:30 PM***

AGENDA

- 1. Storm Water Billing**
A status update will be given on the implementation of in-house storm water utility billing.
- 2. Storm Water Utility Revenues & Expenditures for 2008-09**
A brief synopsis of the Storm Water Utility financial status will be given.
- 3. Blue Print Jordan River Implementation**
Councilman Cory Rushton will discuss the Blue Print Jordan River Implementation Committee's activities and receive input from the SW Advisory Board.
- 4. Storm Water Management Program Audit and Annual Report**
West Valley City's Storm Water Management Program was audited by the State Dept of Environmental Quality in July 2009. Although an official audit report has not been received, staff will discuss the audit and corrective actions.
- 5. Proposed Changes to City's Storm Water Management Plan**
 1. Owen Jackson, Public Education Coordinator will discuss the proposed change to the public school presentation program.
 2. Dan Johnson, City Engineer, will discuss the proposed change to the dry weather screening program.
 3. Dan Johnson will also discuss the proposed change to the storm drain video camera program.
Input from the Board will be incorporated into the proposed changes.

Please call Jan White, 963-3448, if you are unable to attend.

West Valley City does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or provision of services.

If you are planning to attend this public meeting and, due to a disability, need assistance in understanding or participating in the meeting, please notify the City at least eight hours in advance of the meeting and we will try to provide whatever assistance may be required. The person to contact for assistance is Jan White, 801-963-3448.
