

JUNCTION TOWN BOARD
SEPTEMBER 13, 2021
7:00 P.M.
JUNCTION TOWN OFFICE

PRESENT: Mayor Rickey C. Dalton
Councilman Greg Pearson
Councilman Sherm Buck
Councilmember Jodi Hurdsmann
Councilman William Merritt
Maintenance - Paul Garvey
Town Clerk - Teresa M. Pearson

EXCUSED

Meeting was called to order at 7:08 P.M. by Mayor Rickey C. Dalton.

Minutes for the August 2021 meeting were reviewed.

MOTION: Made by Councilman Greg Pearson to accept the August 2021 minutes.
SECONDED: Councilman Sherm Buck
VOTE UNANIMOUS

Time was turned to report on the roads. Mayor Dalton said that the crew was finishing up the roads and cleaning up what was left. There were no new spots to report. Councilman Greg reported on the fire department. He stated that the fire department would like to do a bingo night instead of a dinner for a fundraiser this year. The tentative date he would like to do it is September 24.

Water is running at 28-30 gallons per minute. The overdue water bills were discussed and the clerk will send out letters of concern to those on the list.

The main street water line project is still on hold waiting for some permits from UDOT. Mayor Dalton met with Ster about this project and he told him that they should be starting just as soon as all permits are granted.

Councilman Sherm Buck reported on the cemetery. He stated that it was dry and was wondering about getting the inmates from the Sevier County Jail to come and help clean up again.

Mayor Dalton then reported on the City Creek campground. He stated that nobody showed up to help with the clean up. There is also no agreement between the town and the forest service. The bathrooms had been cleaned up but the water at the park had not been turned on. He will continue to work on it and keep the board updated.

Councilman Sherm Buck then reported on the airport. He stated that the gates were installed by the drag race people. The clerk stated that she received \$735 from the last race. They have another race

scheduled. The safety guy that came and talked to us last month would like to use the airport on September 22-23. He will pay the town \$1500 for the use. Councilman Sherm contacted previous airports to get some information about his contracts. They all said it was a good contract and he is reliable.

Councilman William Merritt reported on the Veteran's Memorial. He stated that there was no new information, but will keep trying to contact Josephine Griffin from Home Depot to get an update.

Councilmember Jodi Hurdsmen has nothing to report on this month for recreation.

The clerk stated that all members of the board would need to complete the Auditor training. This will need to be completed by each member and a certificate needs to be printed out. She will email the link to the members.

Mayor Dalton mentioned that Paul and himself met with Ensign to go over some of the information for the water master plan that the town is working on.

Mayor Dalton also stated that the clerk and mayor met with members of the Six County grant people to help us fill out an application for some COVID money that is available. This is a grant application for a new tank and some radio read meters. The cost is estimated at \$563,000. This includes the environmental study fee, \$74,000 for meters and \$37,000 for the vehicle unit. This application is due soon but will not know much about it for a couple of months.

The Welcome to Junction sign base on the south end of town has been done. The sign just needs to be hung up. The old sign will be placed up on HWY 153 by the road closed sign. The Utah Department of Transportation will furnish the base for the sign.

The financial statement and bank statement for the month of August were available for review.

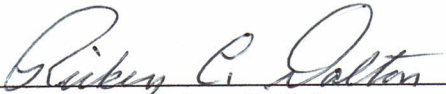

ORDER: Claims were available for the September payroll and accounts payable which goes from Check # 11350 to Check #11372.

Meeting was adjourned at 7:43 P.M. by Mayor Rickey C. Dalton.

MOTION: Made by Councilman William Merritt to adjourn the meeting.

SECONDED: Councilman Greg Pearson
