- 9. Adjournment**

Posted this 25th day of October 2021

I hereby certify that the foregoing notice and agenda was posted at the Monroe City Hall, website littlegreenvalley.com, posted on the Utah Public Notice website and personally delivered to each member of the Monroe City Council.

Allison Leavitt, Monroe City Recorder

In compliance with the Americans with Disabilities Act, individuals needing special accommodations, or assistance during this meeting shall notify Allison Leavitt, City Recorder, at 435-527-4621 at least 24 hours prior to this meeting. Meetings of the Monroe City Council may be conducted by electronic means pursuant to Utah Code Annotated, Section 52-4-207.

Contact: Allison Leavitt, Monroe City Recorder (monroecity@msn.com 435-527-4621) | Agenda published on 10/25/2021 at 4:25 PM

MONROE CITY COUNCIL MEETING
Tuesday, October 12, 2021, at 7:00 pm
MINUTES

1
2
3
4
5
6 **1. The regular meeting of the Monroe City Council was called to order by Mayor Johnny**
7 **Parsons at 7:00 p.m.**

8
9 **2. Pledge of Allegiance was led by Councilmember Payne. A Prayer was offered by Mayor**
10 **Parsons.**

11
12 **3. Roll Call**

13 Mayor Parsons

14 Councilmembers:

15 Dane Buchmiller

16 Michael Mathie - absent

17 Perry Payne

18 Erica Serrine

19 Janet Cartwright -electronic

20
21 Public Works Director Devin Magleby

22 City Recorder Allison Leavitt

23 Present:

24 Diana Miles

25 Jason Miles

26 John Spendlove

27 Daniel Hawley

28 Stacey Whitmore

29 Jef Anderson

30 Lindsay Ripa

31
32 **4. Consider a motion to approve the minutes of the meeting held September 28, 2021.**

33
34 **Councilmember Payne moved to approve the minutes of the meeting held September 28,**
35 **2021, as submitted. The motion was seconded by Councilmember Serrine. A roll call vote**
36 **was called. Voting yes: Councilmembers Buchmiller, Cartwright, Payne, and Serrine. The**
37 **vote was unanimous. The motion carried 4-0**
38

5. Citizen input – Limit of 3 minutes per comment

Diana Miles explained to the Council that she would like to split her property so that she can sell her existing house and build a new house on the new lot created by the split. Her property is only .57 of an acre and she would need .66 of an acre to meet City minimum lot size requirement of 14,000 sq. feet. Ms. Miles stated that her property abuts City property and would like the Council to consider selling her the tenth of an acre needed to obtain enough property for the split.

Upon review of the location of the property it was determined that the property is in our Well-Head Protection Zone 3. Our current policy does not allow any new septic systems in Zone 3, so the Council had no reason to consider their request.

6. Approval of October 2021 warrant register, September 2021 cash disbursements, adjustment journal, and aging report.

Councilmembers reviewed and signed the October 2021 warrant register, September 2021 cash disbursements, adjustment journal and utility aging report.

7. Business

a. Consider joint community project -Native Plant Society - Sherry Accongio

Sherry Accongio thanked the Council for the opportunity her organization was given to hold their American Idol fundraiser during our 24th of July Celebration and they are planning on coming again next year.

Ms. Accongio told the Council that her organization would like to do a joint community project for Monroe. Council discussed some locations that might benefit from a joint project with the Native Plant Society.

Ms. Accongio stated that the Council did not need to decide tonight and that she just wanted to let them know her organization would like to do a joint project with the City in the future. Ms. Accongio explained that as the Council considers a location, the area must have water for the initial planting. Even though the plants they plant are drought resistant, they do need water to get them growing.

Council thanked Ms. Accongio and assured her they would continue to consider sites for a project.

b. Consider penstock repair cost estimate - John Spendlove - Jones and DeMille

Councilmember Buchmiller explained that John Spendlove, Jones & DeMille Engineering, is here to tonight to review the scope of work and estimated cost to replace the lower hydro penstock.

Council reviewed the document and discussed the different options presented for repair of the penstock.

Councilmember Payne stated that to extend the life span of the penstock we need to reduce the sand and rocks that are entering the penstock.

As the Council discussed with engineers, John Spendlove and Daniel Hawley, the details for replacing the penstock it was suggested that we consider inserting a liner instead of a complete replacement. It was not clear which option would be less expensive.

Councilmember Buchmiller asked if we have qualified contractors in our area to accomplish either option. Public Works Director stated that he does not see this as an issue.

Mr. Hawley explained that a complete replacement would take longer to perform, which may require the road to be closed for a longer period of time.

Public Works Director Devin Magleby asked if the engineer costs would decrease if the liner option was selected. Mr. Spendlove stated that there would be some adjustments to construction engineering costs but was unsure to what extent.

Mr. Spendlove explained that with either option coordination with FERC, USFS, FWS and Utah DWR would need to be completed for plan and construction approvals and permits.

Councilmember Payne discussed with the engineers and Council the need to upgrade the current screening structure. Council agreed and the engineers stated that a preliminary cost estimate was included in the scope of work. Depending on the extent of work required on this structure the cost may vary from the estimate.

Councilmember Buchmiller thank Mr. Spendlove and Mr. Hawley for their time tonight and stated that he would get back to them once he has had a chance to visit with Power Foreman Josey Parsons and Lineman John Draper.

c. Red Rock Fly-in Event - Stacey Whitmore

Mayor Parsons asked Stacey Whitmore to come and report to the Council on the recent Red Rock Fly-in Event.

121 Stacey Whitmore stated that he had capped his registration to 325 participants, however
122 some of the registered participants did not come but there were others flying that were not
123 registered participants. Participants were given wristbands to help identify registered flyers.
124 Work was done this year at the launching sites to provide safer more controlled launchings.
125

126 Mr. Whitmore reported that the gentleman who was involved in the accident, that resulted
127 in the loss of his life, was not part of the fly-in event and they believe it was a medical event
128 that caused him to crash into the structure. An autopsy has not been completed yet and the
129 family has asked for privacy at this time.

130
131 Overall feedback from the flyers about the community support was fantastic. Flyers
132 appreciated the grass landing area, the cobbler, and entertainment the City provided. Many
133 of the local citizens enjoyed visiting with the flyers at the park on Monday night. Mr.
134 Whitmore expressed his appreciation with how the City has embraced and supported the
135 free flight community.

136
137 Businesses reported that they received business from the flyers, and the RV park was sold
138 out during the event.

139
140 Mr. Whitmore stated that due to work on the landing zone the dust issue was much better
141 this year. Councilmember Sirrine stated the even with the new restroom it appeared that
142 more porta-potties are needed, and White's Sanitation needs to come dump the dumpster
143 twice a week during the event.

144 Mr. Whitmore stated that along with the fly-in this year there was also a hike and fly
145 competition which was very successful.

146 Mr. Whitmore introduced committee members Lyndsay Ripa and Jef Anderson who stated
147 that the momentum is moving toward Monroe becoming a pre-world competition site.

148 Ms. Ripa stated that the Sevier County Sheriff Department, Search and Rescue and EMS were
149 fantastic, and money was collected in a jar one evening from the flyers to be given to them.
150 Mayor Parsons had her give the jar to City Recorder Allison Leavitt and we will see that it is
151 delivered to Sheriff Curtis.

152 Councilmember Sirrine stated that there was a glitch with the food trucks, but this will be
153 worked out for next year.

154 Mayor Parsons stated that overall, the fly-in event appeared to be a success. Many people
155 came and enjoyed the night on the park and many residents enjoy watching the flyers.
156 Mayor Parsons told Mr. Whitmore that the City will continue to work with his organization to
157 improve this event.

Mr. Whitmore thanked the City for their support and presented to the Council a check for \$2500.00 to help cover costs of improvements at the landing zone. Mr. Whitmore asked if some type of plaque with the name of the pilot who lost his life this year could be displayed and the landing zone. Council said absolutely, possibly on the pavilion.

Council thanked Mr. Whitmore, Mr. Anderson, Ms. Ripa for coming tonight and reporting to the Council and the cash donation.

8. Other Business

a. Staff Reports

City Recorder Allison Leavitt-

Thank conference

*During classes at ULCT Recorders Day it was strongly suggested that Councilmembers have a City email, which is used when discussing City business. A Councilmember's email is a record that could be subject to a GRAMA request and having a City email would protect Councilmembers private emails. Public Works Director Devin Magleby will set up Councilmember's email addresses.

*Received the mylar map for the Okerlund Annexation. Now we need to have a meeting with them and prepare an annexation development plan. Council decided to hold a special meeting on October 26, 2021, at 6:00 p.m. with the Okerlunds. City Recorder Allison Leavitt will contact Okerlunds and see if they can attend the special meeting.

Public Works Director Devin Magleby –

*Have a request from Sevier County Sheriff Department Deputies to install a stop sign along 300 E to help reduce speeding in the area. Mayor Parsons stated that Public Works Director Devin Magleby should meet with Councilmember Mathie and Streets Foreman John Draper to determine if they agree this will help with the issue and where to place the stop signs.

*There are still a lot of trees down from yesterday's early snowstorm. Power outages caused by trees on power lines have all been taken care of.

*Employee Miles Mathie will be laid off in two weeks, as per the understanding of when he was hired. Mr. Mathie has been a very good worker for the City.

b. Department Business-Council

192 Councilmember Cartwright-

193 *Thanked Public Works Devin Magleby, Sexton Shad Lee, and City Recorder Allison Leavitt for
194 their efforts with the cemetery expansion and Veteran's memorial. The projects are
195 progressing as planned.

196 Councilmember Payne-

197 *Irrigation water is now turned off. Citizens did well this year with conserving irrigation
198 water, making it last until October.

199 Councilmember Buchmiller-

200 No further business tonight

201 Councilmember Sirrine –

202 *Thanked everyone for their help with the fly-in event.

203 *Enjoyed the Utah League of Cities and Town Conference. Would like Monroe to become a
204 Get Healthy Utah City. There are different projects the City can do to qualify as a Get Healthy
205 Utah City. One suggested project is to have a medication drop off for prescription drugs.

206 Councilmember Sirrine would like to do this and will get more information on the program.

207 Mayor Parsons-

208 Would like to give a shout out to our employees and the excellent job they did responding to
209 the early snowstorm that caused power outages and downed trees. The crew started at 5:00
210 a.m. with restoring power, plowing snow, identifying potential problems, and removing tree
211 limbs from power lines, sidewalks, and streets. Appreciated how everyone was willing to
212 jump in and take care of the situation.

213

214 9. Adjournment

215

216 **There being no further business to come before the Council for consideration,**
217 **Councilmember Payne moved the Regular Council Meeting adjourn at 8:11 p.m. The**
218 **motion was seconded Councilmember Buchmiller. The vote was unanimous. The motion**
219 **carried. 4-0**

220

221 The next regular City Council meeting is scheduled to be held on Tuesday, October 26 2021
222 starting at 7:00 p.m. at Monroe City Office.

223

224 Approved this 26th day of October 2021.

225 Allison Leavitt

226 Monroe City Recorder

227

228

**MONROE CITY
CONDITIONAL USE
REQUIRED SUBMITTALS**

1. Fully dimensioned site plan to include (when applicable):
 - a. Location of buildings (with setbacks shown).
 - b. Parking, landscaping, storage and garbage areas.
 - c. Location and profiles of any proposed signs.
2. Legal description of property (when applicable).
3. Building plans (when applicable).
4. Any other information which will aid the Planning Commission in making a proper determination.
5. Copy of property plat of the area.
6. A letter describing the proposed conditional use and reasons or justification for the granting of such use. Such letter should address why the conditional use will not be in contrast to the public interest and whether or not the proposed use will be in keeping with the character of the existing zoning area.

NOTE: The Planning Commissioners and all other officers and employees of the City act in advisory capacity to the City Council, and have no authority to make binding decisions or to make authoritative representations, approvals or determinations other than in a purely advisory and recommending capacity.

MONROE CITY

CONDITIONAL USE APPLICATION

Date: 10/15/2021
Applicant: Wild Rose Rejuvenation
Address: 195 EAST 300 NORTH Monroe, Utah 84754
Phone: 435-201-9039

Property Owner: Heather & Chris Lundgreen
(If not the same as applicant)
Address: 195 EAST 300 NORTH Monroe, Utah 84754
Phone: 435 201 - 9039

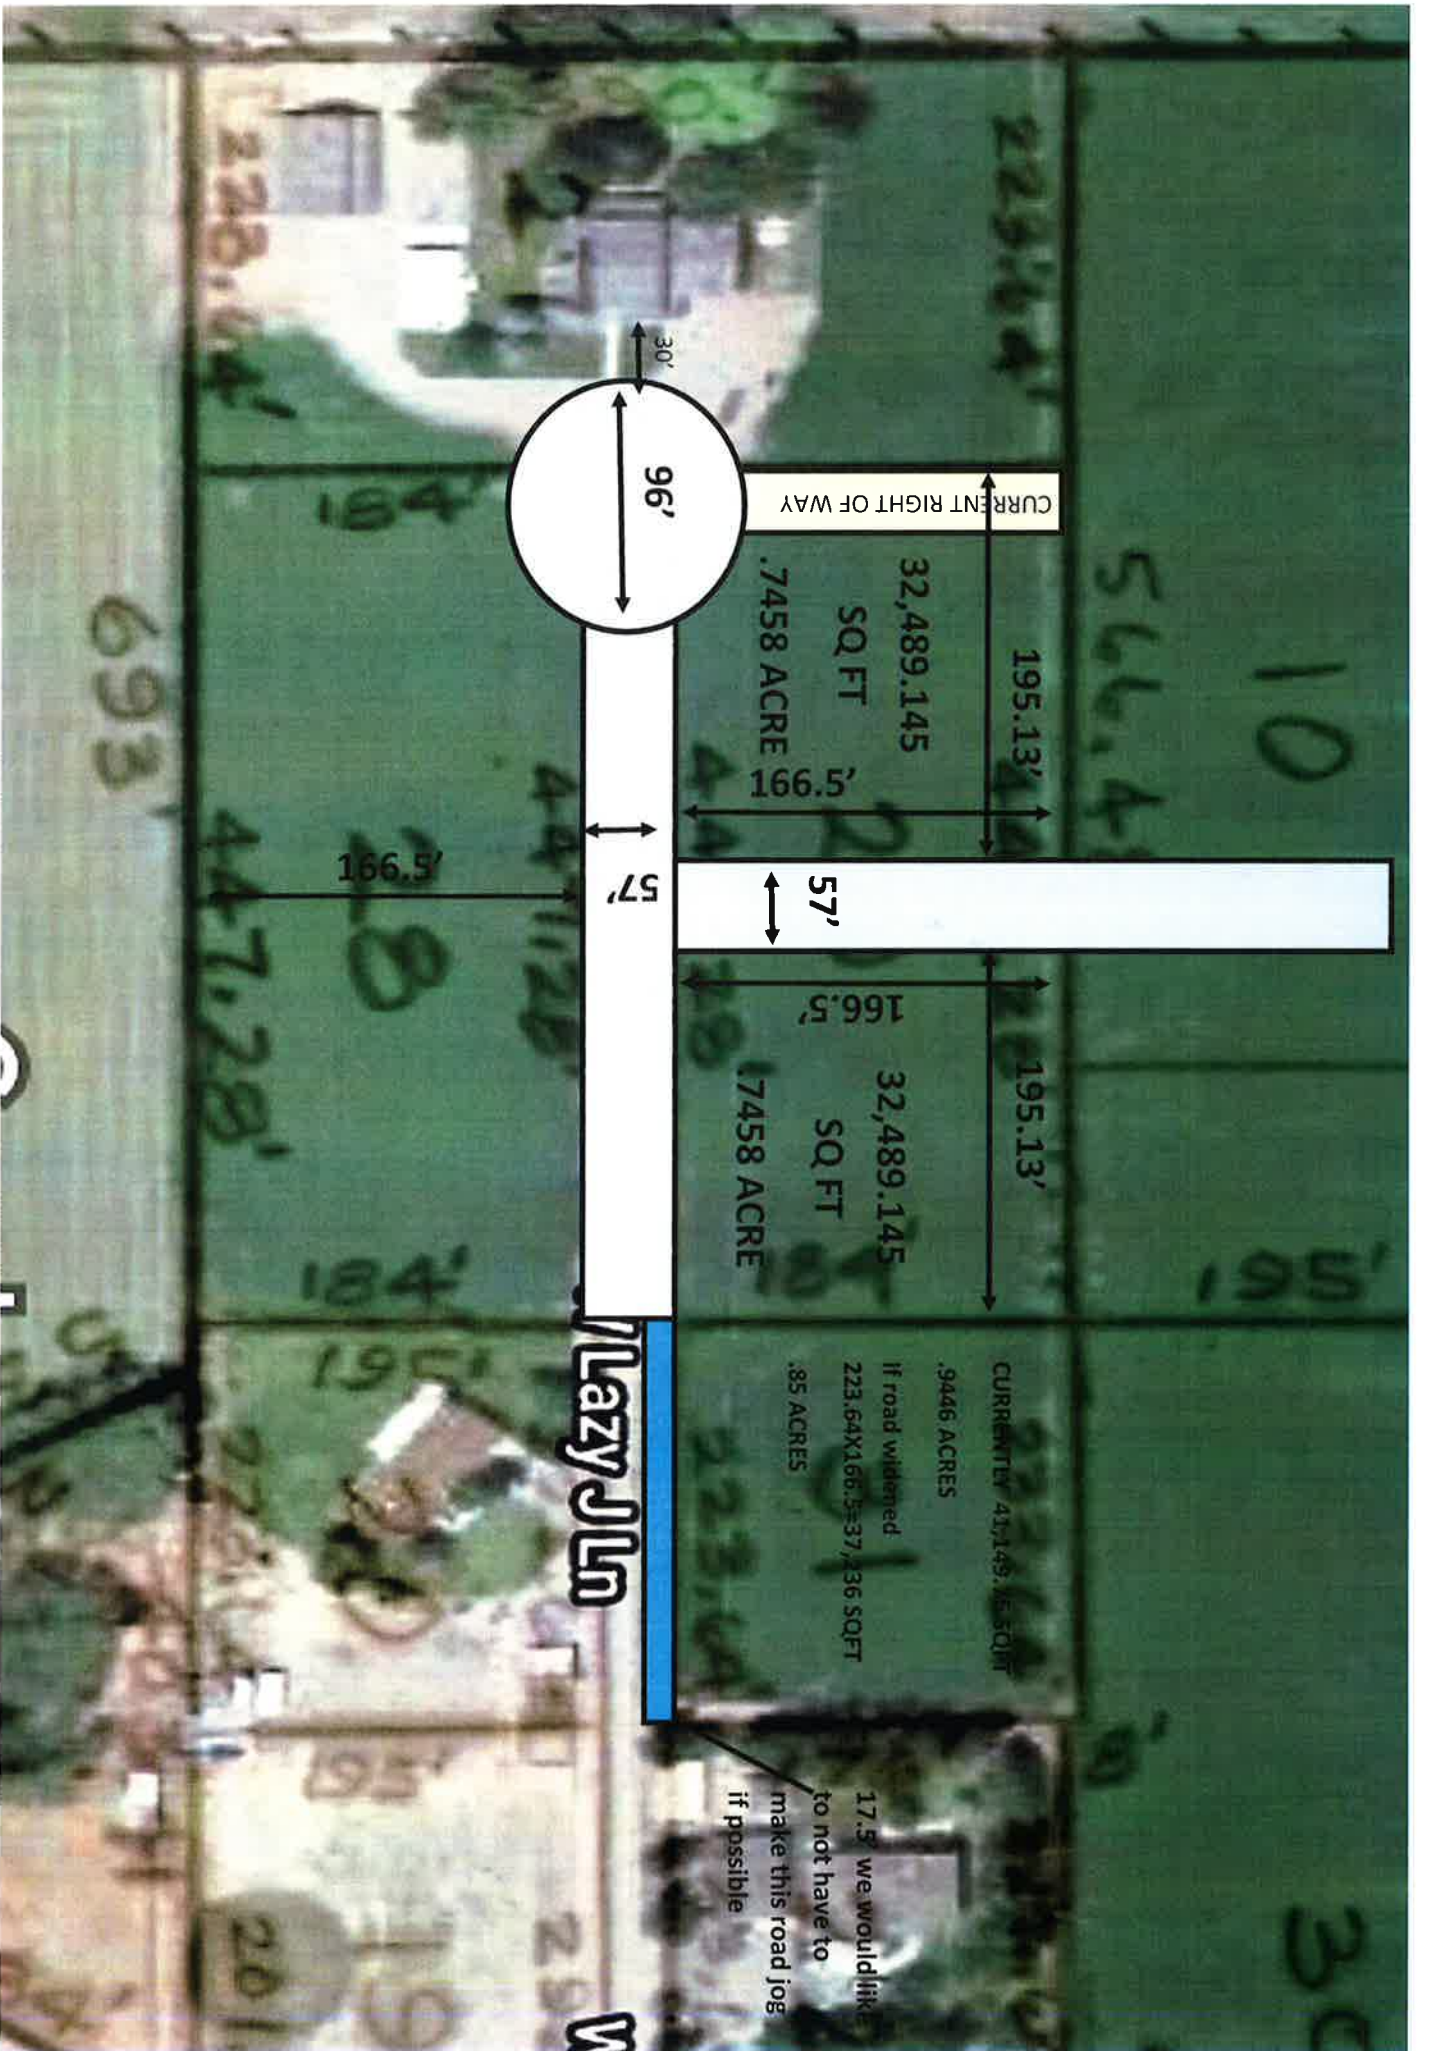

Address of property covered by this request: 195 EAST 300 NORTH
Zoning: _____
Existing use of premises: home/residents
Proposed use of premises: Botox & filler one room salon.
Owner's Signature Heather Lundgreen ^{HW} Date: 10/15/2021

Date of Planning Commission Meeting: 10/19/2021 at 7:00pm.
Planning Commission Recommendation: _____

Chairperson's Signature: _____ Date: _____

Date of City Council Meeting: _____
Decision of City Council: _____

Mayor's Signature: _____ Date: _____

Advice from Rob Patterson – To have council review list and vote again that it is okay for the city to reclaim these spaces – I received inquiries but no claims to the spaces listed.

RESOLUTION NO. 8 2 2021

A RESOLUTION DEMANDING THE FILING OF NOTICE OF CLAIM REGARDING CERTAIN LOTS WITHIN THE MONROE CITY CEMETERY, AND RELATED MATTERS

WHEREAS, certain lots, sites, or portions of the Monroe City Cemetery, as described below, have been unused and unclaimed for more than 60 years;

WHEREAS, the Utah State Code, Title 8, Chapter 5, provides that the City Council can adopt a resolution demanding that the owner of an unused and unclaimed lot of the cemetery, which has been unused for more than 60 years, file with the city recorder a notice of a claim;

WHEREAS, a copy of the resolution shall be delivered personally to the owner of record or, if the owner cannot be personally served, the resolution shall be published on the Utah Public Notice Website for three weeks with copies mailed to owners' last known addresses, if available;

WHEREAS, if no notice of claim is received within 60 days of personal service, or 30 days after publication of notice where the owner is not known or cannot otherwise be personally served, the owners' rights shall be terminated and such rights shall vest with the City;

NOW, THEREFORE, BE IT RESOLVED by the City Council of Monroe City, Utah:

1. The City Council finds that the following cemetery spaces have been unused or unclaimed for 60 or more years:

2. The City Council orders that this resolution and notice should be published to the owners of such lots and spaces as set forth above and by State Code.

3. The City Council orders that, where no notice of claim is filed within the timeframes described above and in State Code, the rights of owners to unclaimed cemetery lots and spaces shall be terminated.

4. This resolution shall take effect immediately upon passage.

Adopted and resolved by the City Council of Monroe, Utah this 10th day of August, 2021.

Mayor 

ATTEST:

City Recorder
