C. BUSINESS:

The Committee discussed the Westfield Park fundraiser. The Committee discussed getting the pork locally rather than at Costco due to a willingness to price match by the local grocer. Ice cream and root beer could be supplied by the grocer as a donation, regardless of whether it is purchased or donated the most cost-effective ingredients will be used and given out in disposable dome cups to prevent cross contamination. The Committee decided a deep freezer and generator will be used to keep items cold. The Committee confirmed food assignments and methods of preparation. Hotdogs, hamburgers and non-pork and vegetarian items will also be served to provide variety for those who might not eat pork or meat. The Committee determined pre-sliced potatoes would be purchased rather than hand slicing. The Committee agreed that City Council members and volunteers would serve the food and take tickets. The Committee discussed needing cash on hand, an amount will be decided at a later date. Huntsman's are going considering donating a kid's party and Ace Hardware agreed to donate a Camp Chef smoker. The Committee expressed a need to get finalization donation commitments in writing this week. The Committee decided to plan for a 10% overage in order to ensure enough food.
