To Whom It May Concern:

I am writing to request approval for the use of the unallocated TSSA funds for the 2020-21 school year.

- I would like to allocate \$1,500 to pay an outside developer to develop and maintain a school app. This app will be available to all stakeholders and we hope it will be a way to reach everyone and keep all stakeholders current on announcements, news, and other happenings. This will cover the cost of development of the app.
- I would like to allocate \$2,500 for Professional Development. I want to allow teachers to be able to attend conferences, seminars, or other activities that will help them become better teachers and improve themselves. These funds will cover those costs.

Thanks,

Calvin Holt  
Principal
