Washington County School Board:

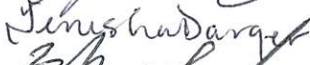

I am writing this letter to request a change in our current 2021/2022 SLT plan due to some changes in purchasing by the school district. In the original plan, we had decided to allocate \$14,885 to cover the cost of Achieve3000, an online reading program for all the students at WCHS. Due to some additional funding allocated by the school district to cover this cost, we met as a Community Council and adopted a new plan. The changes would take that money, along with the \$7,029.16 of unallocated funds, to fund two other items of need in our school. The first would be \$5,400 allocated to cover the cost of the University of Utah reading program we funded last year and the second would be the remaining \$16,514.16 allocated to purchase new Chromebooks.

Thank you!
