Coronavirus State and Local Fiscal Recovery Funds

The American Rescue Plan will deliver \$350 billion for state, local, territorial, and Tribal governments to respond to the COVID-19 emergency and bring back jobs.

The Coronavirus State and Local Fiscal Recovery Funds provide a substantial infusion of resources to help turn the tide on the pandemic, address its economic fallout, and lay the foundation for a strong and equitable recovery.

Funding Objectives

- Support urgent COVID-19 response efforts to continue to decrease spread of the virus and bring the pandemic under control
- Replace lost public sector revenue to strengthen support for vital public services and help retain jobs
- Support immediate economic stabilization for households and businesses
- Address systemic public health and economic challenges that have contributed to the unequal impact of the pandemic

Eligible Jurisdictions & Allocations

Direct Recipients

- States and District of Columbia (\$199.3 billion)
- Counties (\$65.1 billion)
- Metropolitan cities (\$49.8 billion)
- Tribal governments (\$20.0 billion)
- Territories (\$4.5 billion)

Indirect Recipients

- Non-entitlement units (\$19.5 billion)

Support Public Health Response

Fund COVID-19 mitigation efforts, medical expenses, behavioral healthcare, and certain public health and safety staff

Replace Public Sector Revenue Loss

Use funds to provide government services to the extent of the reduction in revenue experienced due to the pandemic

Water and Sewer Infrastructure

Make necessary investments to improve access to clean drinking water and invest in wastewater and stormwater infrastructure

Address Negative Economic Impacts

Respond to economic harms to workers, families, small businesses, impacted industries, and the public sector

Premium Pay for Essential Workers

Offer additional support to those who have and will bear the greatest health risks because of their service in critical infrastructure sectors

Broadband Infrastructure

Make necessary investments to provide unserved or underserved locations with new or expanded broadband access
