MINUTES OF THE HYRUM CITY HISTORIC PRESERVATION COMMISSION JUNE 25, 2019 IN THE KINDRED READING ROOM, 50 WEST MAIN STREET, HYRUM, UTAH.

CONVENED: 6:09 PM

THOSE IN ATTENDANCE: Chairman Roger Allen, Commission Member John Petersen, Commission Member Patrick Megill, Commission Member Jami Van Huss, Commission Member David Bates, Commission Member Steve Downs, Recorder Janna Bushman, and City Council Liaison Craig Rasmussen.

WELCOME and REVIEW OF MINUTES: Roger Allen welcomed everyone to the meeting, thanking them for their attendance. Approval of the minutes from May 28, 2019 was unanimous.

BUSINESS:

1. Elite Hall/ Fall Harvest Updates

In addition to updating the annex plans, the CLG Grant will be applied to architectural drawings for the club room restoration in the Elite Hall, which will include changing the existing kitchen into two family restrooms, removing the existing restroom and storage area, updating the large gathering space, and adding a shallow closet for table/chair storage. This project will be a “named” project, meaning the project will be presented as an opportunity for an entity to fund and be named after said entity. There are currently two “named” projects, the Club Room and the Annex. The cost of restoring the east side is projected to be much less than the others as the size of the wall needing restoration will be much diminished by the addition of the annex. Renderings of the finished project have also been added to the grant.

Jami shared the Elite Hall Restoration Committee’s plans to use the Fall Harvest Festival, Saturday, September 7th, as the grand kickoff for the actual physical restoration of the Elite Hall. With the \$125,000 in RAPZ funding, restoration will begin this fall, so the committee wants to involve the community as much as possible. A donor wall is being designed and renderings of it, the annex, and restored interiors will be on display. The festival itself will include a dinner, carnival games, petting zoo, baked goods, and a hoe down.

2. Plat A Historic Survey Review

We reviewed our existing scout survey with the scout pictures and Google images. As each image was displayed, members of the commission discussed their historic significance, and Jami updated the survey with the additional information. Hyrum City Plat A block 16, block 17, and block 18 were completed.

OTHER REPORTS FROM COMMISSION MEMBERS:

As part of the stipulations from the state to maintain a CLG organization, we spent a small portion of time at the beginning of the meeting updating the member biographical information.

Jami also shared with the Commission the opportunity to attend, on Thursday, June 29th at the Hyrum Civic Center, a presentation by Rose Johnson-Tsosie about growing up in Hyrum as an adopted Native American and later reconnecting with her biological family.

It was also noted that there have already been three responses by citizens to the Commission's call for information on the history of properties in Hyrum.
