MINUTES OF THE HYRUM CITY HISTORIC PRESERVATION COMMISSION MAY 28, 2019 IN THE KINDRED READING ROOM, 50 WEST MAIN STREET, HYRUM, UTAH.

CONVENED: 6:08 PM

THOSE IN ATTENDANCE: Chairman Roger Allen, Commission Member John Petersen, Commission Member Jami Van Huss, Commission Member David Bates, Commission Member, Patrick McGill, Recorder Janna Bushman, and City Council Liaison Craig Rasmussen.

WELCOME and REVIEW OF MINUTES: Roger Allen welcomed everyone, thanked them for their attendance, and the commission approved minutes from March 26 and April 30, 2019.

BUSINESS:

1. CLG and RAPZ Grant Updates

The Elite Hall exterior restoration project was awarded a \$125,000 RAPZ Grant of. The amount could potentially cover the cost of two walls. Craig Rasmussen related that he didn't think the city would pay for the rest of the exterior restoration, but mentioned that if a private donor were to make a large donation, the city might be able to contribute enough to have the project finished all at once. Jami Van Huss shared that City Manager Ron Salvesen was pleasantly surprised at the generous amount awarded to the project from the RAPZ committee.

In the course of our discussion about the exterior brick work on the Elite Hall Restoration, Jami told us that the wall restoration work would be led by John Lambert of Abstract Masonry, a historical masonry expert with impressive credentials and experience. The project would ideally be completed either in the fall or spring for the weather most suited to the work and all at once to be the most cost effective. We are hoping to have the plans completed and ready to start work this fall. There was mention that the timing will also be based on John Lambert's availability.

2. Elite Hall Summer Events

On July 4th, the Elite Hall will host the annual Historic Flags Display from 11:00 am to 3:00 pm with cold drinks and ice cream available for purchase. Also, on July 20th, the Elite Hall will once again host the Big Band Swing Dance.

3. Plat A Historic Survey Review

We reviewed our existing scout survey with the scout pictures and Google images. As each image was displayed, members of the commission discussed their historic significance, and Jami updated the survey with the additional information. Hyrum City Plat A block 15 was completed.

OTHER REPORTS FROM COMMISSION MEMBERS:

Jami Van Huss noted that, in the Hyrum City Newsletter, Hyrum citizens were asked to share significant stories related to Hyrum's historic homes and buildings as per Roger Allen's suggestion. Roger went on to suggest that we might make a loose-leaf notebook where there could be a page for each property with a picture, a list of owners, and any historical significance. Someone, potentially an intern, could do the initial research, or citizens could fill out a page on their own or even add additional information to existing pages.
