BUSINESS:

1. Grants, Fund Raising, and Foundation Update

Jami Van Huss explained that CLG grant will improve the annex's architectural plans to be certain that it does not jeopardize the Elite Hall Status on the National Register of Historic Places and that the State Historical Architect Steven Cornell would be visiting Thursday, March 28th, at 1:00 pm to review and give input into the project.

When asked about the intent of this preliminary work, Jami reiterated that by developing good plans now, we will be able to encourage private funding for the annex addition to Elite Hall.

The committee also revisited the topic of the Elite Hall Foundation and whether to start anew or re-instate the existing committee. Jami shared that her research indicated that because the account was less than \$50,000, it would be easier to simply to regain status as a nonprofit.

Unfortunately, Jami submitted the RAPZ Grant late because she misread the due date. Craig Rasmussen spoke with Craig Butters and he agreed to put it on the agenda so the Cache County Council can discuss whether to accept the late application at their next meeting on April 23rd.

David Bates shared a mock flier for a potential Square-Dancing Competition to be held at Elite Hall. Such activities would add to the appeal of Elite Hall for local tourism bringing in visitors from all over the state. David told us that his preliminary discussion with the State Square Dancing group were very promising. Getting things started, Elite Hall could potentially be the site for a Lace and Levi Logan Chapter (the local square-dancing chapter) event this fall.

Great events continue in support of Elite Hall and at Elite Hall. The Elite Hall Restoration Foundation made \$517 selling food and drink at the Cowboy Rendezvous in early March. Also Jazz Nights almost doubled last year's proceeds. The Hall continues to grow in favor and use.

2. Plat A Historic Survey Review

We reviewed our existing scout survey with the scout pictures and Google images. As each image was displayed, members of the commission discussed their historic significance, and Jami updated the survey with the additional information. Hyrum City Plat A block 12 was completed.

OTHER REPORTS FROM COMMISSION MEMBERS: None.
