RECREATION CENTER WITH INDOOR POOL MOST LIKELY TO DRAW PATRONS

A plurality of respondents indicate they would use a recreation center with an indoor pool a few times a month or more. Support for a bike park is mixed, with 21% saying they would use it often, but 30% saying they would never visit. 38% of respondents say they would visit a performing arts and events center a few times a year.

How often would you or members of your household use or visit each of the following potential Spanish Fork City parks and recreational or cultural facilities?

RECREATION CENTER, INDOOR AQUATICS FACILITY GIVEN MOST FUNDING

A plurality of funds for additional programs (\$20.01) goes towards a new recreation center. Resident would allocate \$14.11 towards an indoor aquatic facility. Tennis courts received the lowest amount of funding at \$0.65.

Suppose you had \$100 to spend on additional parks, recreational programs, facilities, open space, or trails the Spanish Fork city boundaries. How would you divide your \$100 among the various projects that could be funded?

RESIDENTS WILL PAY ~\$67 MORE ANNUALLY FOR RECREATION OPPORTUNITIES

On average, residents are willing to pay \$67.30 in additional property taxes to fund the types of parks, trails, open space, and recreation facilities that are most important to them. A plurality of respondents (18%) were only willing to pay \$50. The next largest group was the 13% of respondents who were willing to pay \$100 per year. 9% said they don't want to pay higher taxes.

What is the maximum amount of additional annual property taxes you would be willing to pay to fund the development and operations of the types of parks, trails, open space, and recreation facilities that are most important to you and members of your household?
