

PAYSON FOREBAY COMMITTEE

Payson City is now accepting applications for those interested to serve on the Payson Forebay Committee. The Committee serves as an advisory body to the City Council in making decisions pertaining to the implementation of the Forebay Area Management Plan and the development of trails and outdoor recreation facilities on city-owned property. The Committee will consist of five to seven voting members with appointments for one- and two-year terms. To qualify for this volunteer position, applicants must be a Payson resident over the age of 18 and have an interest in outdoor recreation.

Those interested can visit paysonutah.org or the city offices to obtain an application. Applications must be submitted to the Payson City Recorder no later than 5:00 p.m. on December 1, 2021.

What is your motivation for service on the committee?

I would like to see Forebay be an area that can be available to a variety of activities and individuals

How does your background, training, and experience lend itself to service on the committee?

I have spent 50+ years hiking, skiing and riding horses in the Forebay area. Forebay is also an area where I spend a little time for my employment. It is an area critical for the irrigation of the golf course

Please list any relevant areas of expertise, education, or training you possess that will be helpful for service.

an understanding of the importance of the Forebay water system is something I understand. The desire to create a winter recreation area in Payson canyon is also something that can be valuable to the committee.
