REQUEST

Consideration of a Resolution authorizing Mapleton City to enter into a Contract regarding employee commercial workers compensation

BACKGROUND & DESCRIPTION

Mapleton City currently contracts with the Utah Local Governments Trust for their workers compensation. Within the last three (3) years Mapleton's annual workers compensation premium costs include approximately \$33,239/2019, \$41,580/2020, and \$50,640/2021. Cost premiums are based on the type of work done by your employees (classification rate), your experience modifier (claims history), and your payroll.

Recognizing our annual premiums have continued to increase we are seeking two (2) bids to see if our annual premiums can be lowered.

RECOMMENDATION

Staff is currently reviewing the two (2) bids and will discuss their findings at the night of the City Council meeting.
