

Clawson Town Council

November 11, 2021 6:00pm

WELCOME
PLEDGE OF ALLEGIANCE
ROLL CALL

MEETING MINUTES

1. Approval of October 2021 Meeting Minutes.

Motion to approve October 2021 Meeting Minutes made by Jerry. Second by Erik. Approved.

2. Discuss/Approve/Deny Cross Connection Control Ordinance for Clawson Town, system No. UTAH08002.

This item was tabled last meeting because the council had concerns that all the responsibility to track, monitor and penalize under this ordinance was on Clawson Town. Gary took our concerns to the CVSSD. They amended the document adding language that makes that responsibility fall upon CVSSD and Clawson Town working together on these items.

Motion to approve the Cross Connection Control Ordinance for Clawson Twon, system No. UTAH08002 made by Jerry. Second by Erik. Approved.

3. Discussion and planning of Town Christmas Party.

Party will be held December 6th at 6:00p.m. with Santa coming at 7 p.m. Council discussed having a little nicer meal this year and maybe trying one of the bbq places. Maegan will work on getting bids for bbq catering for the party. We will ask the citizens to bring dessert to share. Julie and Maegan will set up a decorated area for Santa to sit. We will do the coloring contest and have prizes for the age group winners.

4. Treasurer's Report.

We ordered the Christmas display that the council discussed some months ago. We spent around \$3125.00 on that, otherwise regular expenditures.

5. Discussion and approval of any bills to be paid.

Motion to pay the bills made by Jerry. Second by Erik. Approved.

6. Guest Business.

None.

7. Mayor and Council Member reports.

Erik: Halloween was great, we had the biggest turn out to date. Next year maybe we can advertise it sooner and ask people to sit out by the road and be ready for the trailers to come through. It would save time for everyone to not have the kids running all the way up to the doors, as well as be safer with all the kids running around everywhere.

Jerry: He purchased a live trap that he has been using to catch wild cats up by Becky Nelson's house. He has mowed the weeds and the truck is getting serviced and set up to be ready to plow snow this winter. He would really like to see signs replaced throughout town. Stop, yield, speed limit, etc.

Gary: Post office reps called and said they are still working on things for Clawson to have a post office again. They will survey, select a location and make some plans, but they are a couple of months out still. At COG meeting there was discussion of the need for each city/town to start contributing to pay deputy wages so that our County deputies can get paid a higher wage. We have some of, if not the, lowest paid deputies in the state. It is really hard to staff ECSO when other agencies are offering these deputies double and even triple their wage to come work for them. Clawson's estimated contribution would be approximately 1-2% of the yearly amount. The first year is estimated to be \$100k, so Clawson would contribute \$2k or less.

8. Adjourn.
