A. CALL TO ORDER

Mayor Calloway called the special meeting to order at 2:00 pm for October 28, 2021.

B. AGENDA ITEM:

1. FIELD TRIP TO TOWN PAVILION TO REVIEW LOCATION FOR PUBLIC ART PIECE.

Mayor Calloway explained the Council will review the Pavilion area to determine a location for the public art piece, Brian the Bear.

Possible locations for the art piece:

- a. The east side of the Pavilion where the current fire pits are located.
- b. The north side of the pavilion where the volleyball court area is located.
- c. The south side of the pavilion where the playground equipment is located.
- d. The southwest side of the pavilion between the playground equipment and fence area.

After a review of the area, it was decided that the south side of the pavilion area where the playground equipment is currently located would be the best location for the art piece. The larger high-profile playground equipment could be relocated to the east side of the pavilion and the lower-profile playground equipment could be relocated west of the pavilion. Asphalt could be installed from Vasels Road to art piece and patches of grass could be incorporated into the area on the south side of the pavilion. Council Member Marshall recommended the artist, Terrance Martin, give some input on the playground equipment as well.

A discussion was also held regarding removing the two smaller fire pits and replacing them with one large fire pit along with other creative playground pieces such as a snowboard/skis and snowmobile that people could stand/sit on for photo ops.
