

Daggett School District Board of Education  
Work Session  
November 23, 2021

The Work Session of the Daggett Board of Education held at the District Board Room, Manila, Utah on November 23, 2021. Board President Chelsy Lail called the meeting to order at 5:30 p.m. Also attending in-person in Manila were Board Members Rob Gahley and Ch'ree Mills, and Business Administrator Missy Butler. Board member Charles Card was online.

**Book Study:** Culturize. Each Board member had an opportunity to make comments about what each learned from reading Chapter 1. The general impression of our schools is that we have good teachers and that our schools are above average.

Board Members should read Chapter 2 for the January Board Meeting.

**School Visits**

Ch'ree Mills reported on her two visits: MHS and MES. At MHS, she was impressed with the IVC Lab rooms and organization of instruction for Concurrent Enrollment and Edgenuity digital curriculum. The IVC Lab is also used as a "time out room" for misbehaving students removed from class. There is a good process for the students to reconsider their behavior and make a plan to return to class. At MES, she was impressed with the Reading Horizons program but has concerns about the iReady math program.

The Board planned the details of a visit to all three schools scheduled for Tuesday December 21 where the Board will give out donuts to students and staff.

**Board Social**

Flaming Gorge Resort won the bid for dinner. Hams will be given out the night of the social for those who attend the social and then delivered to those who do not attend.

**USBA Convention**

As a follow-up to last meeting, regarding the door prize for the USBA Convention. Flaming Gorge Resort will offer a room for \$169 and a \$50 gift certificate for food. Charles Card is donating a guided fishing trip on the Green River.

There being no further business, Board President Lail declared the meeting adjourned at 6:20 p.m.
