1- Discussion of job description and wages: The town needs to hire a sexton, meter reader and water master. With input from the council and the mayor, Monica has worked up job descriptions. The council discussed each job description (see attached). After some discussion, Tyson motioned to change the title of meter reader to town employee and added the duties of street mowing up to four times a year at a rate of \$300 under the direction of the road council person and snow removal at the rate of \$50 per time. CJ seconded the motion. All were in favor. The job of Sexton was then discussed. The board wanted to add; preparation for services including snow removal in the winter and oversee opening and closing of graves. CJ motioned to approve the amended job description. Channing seconded. All were in favor. Next, the board discussed the job of water master. After discussion the chlorinator bullet was clarified, maintenance at the springs was added, as was working with the town council member over water. Channing motioned to accept the job description. Tyson seconded. All were in favor. It was clarified that the applicants need to be Meadow residents.

Monica will get the job listed with the applications and resumes being due by the 31st of December,

Zane and Tony expressed displeasure at the changes that are happening in Meadow Town.

Cj motioned for the meeting to be adjourned. Tyson seconded. All were in favor.
