The White City Walkable Community Committee invites you to an introductory Open House for the Walk White City project.

- ✓ Walk White City is a collaborative planning effort that addresses the community's desire for increasing walkability in White City. The project will create a vision for a well-connected and safe pedestrian network and identify priority projects for sidewalks, paths, street crossings and other improvements.
- ✓ At the Open House, we will introduce the project to you and seek your feedback on your experiences of walking in White City and ideas for improvements.

For more information or to leave a comment contact:

Erin O'Kelley: EOKelley@msd.utah.gov, 385.468.6691

If you cannot attend the Open House, or want to find more information, please see our project website, where you can leave feedback: walkwhitecity.org
