Determination of the Chair of the Stakeholders Council  
of the Central Wasatch Commission  
Concerning an Electronic Meeting Anchor Location

PURSUANT TO UTAH CODE ANN. 52-4-207(4), I, as the Chair of the Stakeholders Council of the Central Wasatch Commission ("CWC"), hereby determine that conducting Stakeholders Council meetings at any time during the next 30 days at an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location. Although the overall incidence of COVID-19 cases has diminished somewhat over the past several months, the pandemic remains and the recent rise of more infectious variants of the virus merits continued

vigilance to avoid another surge in cases which could again threaten to overwhelm Utah's healthcare system.

DATED January 19, 2022
