

**AUTHORIZATION TO CONDUCT AN ELECTRONIC MEETING
WITHOUT AN ANCHOR LOCATION**

In accordance with Utah Code §52-4-207, the Chair of the Weber-Morgan Board of Health, whose signature appears below, does hereby authorize the Board to convene and conduct an electronic meeting without an anchor location because there is a substantial risk to the health and safety of those who may be physically present at the meeting.

This written determination is based upon the fact that: the Centers for Disease Control, Utah Department of Health, and Weber-Morgan Health Department have respectively declared national, state, and local emergencies for COVID-19, wherein social distancing and other requirements are in place to prevent further spread of the disease.

A copy of this authorization shall be included alongside the Board's meeting agenda posted to the Utah Public Notice Website. The statement will also be read into the minutes before the start of the meeting. Finally, the meeting agenda shall also provide instructions so that members of the public may view the meeting electronically and provide comments.

This written determination expires thirty (30) days after the date signed below.

DATED this 24th day of January, 2022.
