

NORTH SANPETE AMBULANCE

Title:	Leadership Education
SOG#:	Add #
Effective Date:	February 1, 2022

Purpose:

This policy is meant to encourage continuing education and build upon the leadership qualities already held by North Sanpete Ambulance Service Members.

Policy:

North Sanpete Ambulance Service (NSAS) shall require and provide semi-annual leadership training to members who serve in a leadership position. The leadership education will be obtained via in person training, or a live online training (which ever meets the individual or group needs) from an approved leadership education program such as EMSLeadershipAcadamy.com, The Arbinger Institute, SafeTech Solutions, or other pre-approved leadership training programs. The said individuals will have 6 months to provide a certificate of completion, or other proof of completion for the required education, and may face removal from any leadership position they hold, should they fail to comply.

This procedure applies to all situations where:

A member of North Sanpete Ambulance service is currently serving in, or taking on a new role in a leadership position such as: EMS Director, Shed Supervisors, Training Officers and Assistant Training Officers.

Responsibility:

To develop and encourage a culture in the members of North Sanpete Ambulance Service where openness, honesty, integrity, fairness; compassion, mutual trust, respect, equality, and belonging are the norm.
