Executive Summary

The Five County Annual Action Plan (July 1, 2022 – June 30, 2023) describes activities completed in the past year and provides an opportunity for the region to review and update goals year to year. The progress made in the last year is complemented by an understanding of the expected funds for the upcoming fiscal year and a discussion of the projects to be rated and ranked. As a result of writing this plan, Five County staff have reviewed the successes and challenges to economic development, housing, and CDBG activities that exist in the region and can take action to address these challenges. Such actions could include adjustments to rating and ranking criteria, regional priorities, providing learning opportunities and information, and engagement with jurisdictions in the region.

This document is the Five County Association of Governments (AOG) contribution to the Utah Annual Action Plan assembled by the State of Utah's Housing and Community Development office, which reports on Community Development Block Grant activities statewide.
