2. Pledge of Allegiance.

Sean Amodt led the Pledge.

**3. Presentation of OPMA (Open and Public Meetings Act) and the Utah Ethics Act
By David Church**

The Council and Commissioners watched a video by David Church.

4. How to be a leader - motivational speech by Simon Sinek

The Council and Commissioners watched a video by Simon Sinek.

Krystal Percival asked that items for the Planning and Zoning Meeting agenda be given to her at least thirteen days in advance so she could advertise and post it correctly.

Gene Garate explained that in order to put an ordinance on the agenda, it had to be approved by the chair (for PZ) or mayor (for TC). He stated that the previous mayor had given him the right to put things on the agenda. He would continue with that until he was told different. The discussion continued on the format of the meetings and who was in charge of each body. For example, Town Council Members should not influence the Planning and Zoning Meetings.

Cameron Spendlove added that some decisions were left up to the Planning and Zoning, but those instances would be worded correctly on the agenda.
